The City of Brooklyn Park Does hereby ordain and enact that Section 5.10 of Chapter 93A.04 of the City Code of the City of Brooklyn Park shall be amended to read as follows:

“Section 5.10 Pyrotechnics

(B) Permits are required to conduct pyrotechnics displays. Permits shall be obtained from the Fire Department and are not transferable. A permit holder is responsible for ensuring that any pyrotechnics display does not cause any damage to the property or persons. A permit is valid for one year from the date of issuance. The permit holder is responsible for maintaining a complete set of plans and permit application for the display. The permit holder is responsible for ensuring that the display is conducted in accordance with the approved plans. The permit holder is responsible for ensuring that all necessary alarm-signaling devices and automatic sprinkler systems are installed, tested, and maintained. A 3-foot (914.4 mm) clear space shall be maintained around any pyrotechnics display. The permit holder is responsible for ensuring that the display does not obstruct or impair any road, high power line, or other public utility. The permit holder is responsible for ensuring that the display does not cause any damage to any building or structure. The permit holder is responsible for ensuring that the display does not cause any damage to any public property. The permit holder is responsible for ensuring that the display does not cause any damage to any private property. The permit holder is responsible for ensuring that the display does not cause any damage to any livestock. The permit holder is responsible for ensuring that the display does not cause any damage to any crops. The permit holder is responsible for ensuring that the display does not cause any damage to any vegetation. The permit holder is responsible for ensuring that the display does not cause any damage to any wildlife. The permit holder is responsible for ensuring that the display does not cause any damage to any water. The permit holder is responsible for ensuring that the display does not cause any damage to any fire protection equipment. The permit holder is responsible for ensuring that the display does not cause any damage to any public utility. The permit holder is responsible for ensuring that the display does not cause any damage to any private utility. The permit holder is responsible for ensuring that the display does not cause any damage to any public property. The permit holder is responsible for ensuring that the display does not cause any damage to any private property. The permit holder is responsible for ensuring that the display does not cause any damage to any livestock. The permit holder is responsible for ensuring that the display does not cause any damage to any crops. The permit holder is responsible for ensuring that the display does not cause any damage to any vegetation. The permit holder is responsible for ensuring that the display does not cause any damage to any wildlife. The permit holder is responsible for ensuring that the display does not cause any damage to any water. The permit holder is responsible for ensuring that the display does not cause any damage to any fire protection equipment. The permit holder is responsible for ensuring that the display does not cause any damage to any public utility. The permit holder is responsible for ensuring that the display does not cause any damage to any private utility. The permit holder is responsible for ensuring that the display does not cause any damage to any public property. The permit holder is responsible for ensuring that the display does not cause any damage to any private property. The permit holder is responsible for ensuring that the display does not cause any damage to any livestock. The permit holder is responsible for ensuring that the display does not cause any damage to any crops. The permit holder is responsible for ensuring that the display does not cause any damage to any vegetation. The permit holder is responsible for ensuring that the display does not cause any damage to any wildlife. The permit holder is responsible for ensuring that the display does not cause any damage to any water. The permit holder is responsible for ensuring that the display does not cause any damage to any fire protection equipment. The permit holder is responsible for ensuring that the display does not cause any damage to any public utility. The permit holder is responsible for ensuring that the display does not cause any damage to any private utility.
