

**CITY OF EDINA
4801 WEST 50TH STREET
EDINA, MN 55424
NOTICE OF
PUBLIC HEARING**

THE EDINA PLANNING COMMISSION will meet at the **Edina City Hall, Council Chambers, 4801 West 50th Street, on Wednesday, November 13, 2024, at 7:00 PM, and will at said time and place consider the following:**

The applicant, Jake Schaffer of Station Pizza, is proposing to remodel and expand the existing Kee's auto repair building at 6016 Vernon Avenue into a 1,685 square foot, 20-seat restaurant. The new restaurant would be a Station Pizza with indoor dining, take-out and delivery service. The existing site is zoned PCD-4, Planned Commercial District, which allows only automobile service centers, gas stations and car washes. Restaurants are allowed uses in the PCD-1, Planned Commercial Zoning District. The site is guided in the Comprehensive Plan for medium density residential use.

To accommodate the request the following is required:

- A Comprehensive Plan Amendment from MDR, Medium Density Residential to Neighborhood Commercial (a new land use designation).
- A Rezoning from PCD-4, Planned Commercial District 4 to PCD-1, Planned Commercial District 1, with a lot size variance to allow a restaurant in the PCD-1 District less than 1 acre in size.
- Site Plan Review with the following Variances:
 1. A Side Yard setback variance from 25 to 13 feet for the building expansion.
 2. A Front Street Setback Variance (toward Eden Prairie Road) from 35 feet to 20 feet for the building expansion and from 35 feet to 9 feet for the patio and bike rack area.
 3. Parking Lot Setback Variances from 10 feet to 0 feet for separation between the building and parking lot, and from 20 feet to 0 feet along the north lot line for 1 new stall.
