ANDREW P. AND JOLENE R. THELEN - C.U.P.

Nancy Riddle: Zoning

Danielowski/Fobbe unanimous to approve the request for a Conditional Use Permit (CUP) for a Riding Stable and Horse Boarding Facility PID # 10-302-1200 Property address: 20395 Co Rd 73 NW, Big Lake MN Legal Desc: Th SE1/4 of NW1/4 (full legal on file) Sec 2, Twp 33, Rge 28 Big Lake Township 34.24 acres Located in the General Rural District with the following Findings of Fact and the thirteen (13) conditions as recommended by the Planning Advisory Commission:

Findings of Fact: 1. That the Conditional Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity. The C.U.P. will not be injurious, the activity is not something that is going to upset anyone's ability to live in their home or outside of their home. Department Zoning Presenter Nancy Riddle 2. That the establishment of the Conditional Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area. Do not believe it will impede because the facility will have the proper setbacks, they won't impede anyone's access to their land and it should not affect the neighboring parcels. 3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided. The site plan is all laid out for placement and location and the purpose and use have all been addressed. 4. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use. Adequate measures have been addressed. 5. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result. Aubol asked Thelen if they will have lighting in the outdoor arena. Thelen replied no, not at this time. The only lighting will be indoors and over the outdoor access doors like any home would have. Commissioners are satisfied with the 25 vehicles per day entering the property and that adequate measures have been taken to prevent or control any nuisances.

1. A maximum of 30 horses will be located on this property including property owner's own horses.

2. A maximum of 8 horse trailer parking spaces may be rented for outdoor storage. Trailers may not be located so as visible from County Road.

3. Pursuant to the Sherburne County Solid Waste Ordinance, Section 19.10 "Animal manure shall be classified as a solid waste when they are accumulated, stored or stockpiled on the ground surface... within 200 ft of a residence located on neighboring property." Therefore, any manure stock pile(s) must be located at least 200 ft from any neighboring residences. The Manure Management Plan (date stamped Dec 20, 2018) must be followed (plan is attached). Must follow MN Pollution Control Agency - Manure Stockpiling -Technical Guidelines Fact Sheet #8.06. Must also follow University of MN Extension - Managing and Composting Manure Fact Sheet. Pasture areas must be fenced around wetlands areas so that horses cannot access open water on site. Shall maintain compliance with MN Rules Chapter 7020 - Feedlot rules and County ordinances. Bedding and manure shall be composted in accordance with manure management plan dated December 20, 2018 and to minimize the impact to the pasture area.

4. The stall barn, riding arenas, and manure storage/compost site shall maintain required setbacks as depicted on Site Plan dated January 8, 2019. Manure storage/compost site and stall barn must be located at least 300 feet from wetland and at least 200 feet from any residence.

5. Compost pad must have concrete under it and concrete sides. It must be covered with a tarp to control moisture. It must be sloped toward the back to ensure containment and prevent spillage. Upon construction of the compost pad there will be a six-month review of its effectiveness to properly mitigate against odors and other nuisances.

6. Animal mortality will be addressed off site. No animals may be buried on site in accordance with the Sherburne County Solid Waste Ordinance, as amended.

7. No events larger than 20 people is allowed. If in the future HOPE Stables would like to hold an event larger than 20 people, they would need to apply for an Occasional Special Event - Interim use Permit and go through the County's approval process.

8. All persons riding horses from this property must trail ride on this property.

9. Facility hours will be 24 hours.

10. Must meet all parking and lodging regulations as listed in the Sherburne county Zoning Ordinance, Section 17, Subdivision 2.

11. Building must meet commercial building code and accessibility code standards. Architectural plans must be submitted, and occupancy levels determined.

12. The property owner shall permit the County to inspect the property during normal business hours.

13. Must meet all federal, state and local regulations.

INDEPENDENT SCHOOL DISTRICT 727 - I.U.P.

NANCY RIDDLE: Zoning

Danielowski/Burandt unanimous to approve the request for an Interim Use Permit by Amending the conditions of the existing I.U.P. # 56040 (Document #838676) for a Recreational Activity (Recreational Athletic Fields for use by the Big Lake 727 School District PID # 10-120-1100 Legal Description: NE1/4 of NE1/4 (full legal on file) Sec 20, Twp 33, Rge 27 Big Lake Township 40 acres General Rural District with the following Findings of Fact and the eight (8) conditions as recommended by the Planning Advisory Commission.

Findings of Fact: 1. That the Interim Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity. The use of the land fits the purpose of the school, and it went from being an Ag field to an athletic field so there is no impact to the neighboring residential properties. Department Zoning Presenter NANCY RIDDLE Funding Total 0.00 2. That the establishment of the Interim Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area. All the surrounding properties are agricultural, and it will not upset any development of any kind. 3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided. Yes, they are definitely part of the plan. 4. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use. Yes, they are certainly being provided for in the plan. 5. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result. Adequate measures have been taken care of and should not be an issue.

1. All access to property must be from the west through the existing school parking lot access. No access will be permitted from the north to 205th Ave NW. A barrier must be in place, so the public does not exit events though the east field roads that access 205th.

2. No wetland fill is permitted.

3. Excessive noise, glare, odors, traffic or other nuisances may be justification for the County to revoke or modify the terms of the IUP.

4. The IUP holder and/or property owner shall permit the County to inspect the property during normal working hours.

5. Adequate restroom provisions and garbage pickup services shall be provided by the school district.

6. The improvements identified in the 12/17/2018 civil plans prepared by Larson Engineering, Inc (e.g. bituminous pavement of the parking and driveway, curbing, 4-foot chain link fence on the south side of the parking lot, all parking and information signs) are installed and maintained.

7. No lighting allowed.

8. The use of a portable public-address system may be used during daylight hours (dawn until dusk) for one event each month. Each event may last up to three (3) consecutive days. These events need to be District sponsored and ran.

LJS TRUCKING INC: (Property owners are Leon and Julie Slattery) - I.U.P.

NANCY RIDDLE: Zoning

Danielowski/Fobbe unanimous to deny an Interim Use Permit for a Medium Contractor's Yard Property address: 22665 Co Rd 15 NW, Elk River, MN PID # 10-522-0105 Legal Description: Tract A Registered Land Survey No 26 Sec 3, Twp 33, Rge 27 Big Lake Township 14.79 acres General Rural District with the Findings of Fact as recommended by the Planning Advisory Commission and that the township road used for access to the property under spring weight restrictions is a 5 ton road and inadequate to accommodate the proposed trucking operations. A resolution will be brought back to the board on February 19, 2019 entailing further detail of the county road being a 9-ton road with weight restrictions of 5-ton for final signing.

KERRY P. KRAUS: (Property owners are Kerry P and Rhonda Kraus) - I.U.P.

NANCY RIDDLE: Zoning

Fobbe/Burandt to approve, with a 3-1 vote, an Interim Use Permit for a Home Business in an Accessory Building (Small scale Auto Repair Business) Property address: 18912 149th St NW, Elk River PID # 10-435-0350 Legal Description: Lot 10 Block 3 Riverside Sec 25, Twp 33, Rge 27 Big Lake Township 2.6 acres General Rural District with the following Findings of Fact and the thirteen (13) conditions as recommended by the Planning Advisory Commission.

Findings of Fact: No Interim Use Permit shall be approved or recommended for approval by the County Planning Commission unless said Commission shall find: 1. That the Interim Use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the immediate vicinity. Do not believe that will be a concern to the neighborhood and also this is an I.U.P. and if there is a concern it can be addressed. 2. That the establishment of the Interim Use will not impede the normal and orderly development and Department Zoning Presenter NANCY RIDDLE Funding Total 0.00 2. That the establishment of the Interim Use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area. Not a concern, it appears that this development is fully developed. 3. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided. Yes they are provided with roads, ditches and drainage.

4. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use. According to the plan there is parking area where class 5 will be hauled in when the weather permits 5. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in
