

CITY OF BLOOMINGTON PUBLIC NOTICE NOTICE OF LAKE AERATION SYSTEM

The City of Bloomington is publishing this public notice to inform residents of a lake aeration system located on Normandale Lake at approximately 8550 Normandale Blvd. The aeration system will begin operation on or around December 13, 2018 and operate continuously until ice-out conditions.

Public notice is required of any aeration system authorized by a permit from the Commissioner of Natural Resources during periods of ice cover on public waters. Warning signs are posted surrounding the area and residents are cautioned to avoid this area due to thin ice and open water.

The principle interest of the Department of Natural Resources in lake aeration as a fisheries management technique is winterkill prevention. For further information contact the City of Bloomington Engineering Division, 1700 West 98th Street, Bloomington, MN 55431, telephone: 952-563-4606; TDD: 952-563-8740
