FIELDSTONE PASSAGE  
ENVIRONMENTAL  
ASSESSMENT WORKSHEET**

An Environmental Assessment Worksheet (EAW) has been prepared for the Fieldstone Passage Residential Development, proposed on 86.40 acres of land immediately east of Jamison Ave NE and south of Fieldstone Elementary School. The project will consist of up to 230 detached single-family lots, including up to 62 detached townhome units. Site development will include installation of municipal sewer and water, mass grading, and stormwater features. The EAW is available for review at St. Michael City Hall. Written public comments on this EAW will be accepted by the City of St. Michael until 4:30pm on June 20, 2018 and should be sent to Marc Weigle at 11800 Town Center Dr. NE, St. Michael, MN 55376 or [mweigle@ci.st-michael.mn.us](mailto:mweigle@ci.st-michael.mn.us).
