

CITY OF FORESTON PUBLIC NOTICE

The City of Foreston is in the process of developing a wellhead protection plan for its drinking water supply wells. As required by the Minnesota Wellhead Protection Rule (part 4720.5330, subpart 6), the Minnesota Department of Health approved Part 1 of the wellhead protection plan for our system. This portion of the plan includes information pertaining to;

The delineation of the wellhead protection area,

The drinking water supply management area boundary, and

The well and drinking water supply management area vulnerability assessment.

If you would like to review the Part 1 plan containing the technical information used to delineate the wellhead protection area, drinking water supply management area, and vulnerability of the wells and aquifer, please contact us at (320) 294-5636

Consistent with the Wellhead Protection Rule (part 4720.5330, subpart 7), a Public Information Meeting has been scheduled on January 8, 2018, approximately 7:00PM at Foreston City Hall, 187 Washington Avenue, Foreston, MN 56330 to discuss issues and concerns with this portion of the plan. We welcome your participation at this event.
