

PUBLIC NOTICE OF A PUBLIC INFORMATION MEETING

The Joint Powers Water Board is in the process of developing a wellhead protection plan for its drinking water supply wells. The completed wellhead protection plan, Part 2, draft for this system as required in the Minnesota Wellhead Protection Rule (part 4720.5350, subparts 1-3) is available for your review at the Joint Powers Water Board. Consistent with the Wellhead Protection Rule (part 4720.5350, subpart 4), a Public Hearing has been scheduled on September 24th at 6:00 PM at the Joint Powers Water Board, 11100 50th Street NE, to discuss issues and address all comments related to the wellhead plan.
