

CITY OF LAKEVILLE DAKOTA COUNTY, MINNESOTA

PUBLIC NOTICE LAKE MARION AERATION

The Minnesota Department of Natural Resources authorizes aeration on Lake Marion within the City of Lakeville for the 2024-2025 aeration season to prevent winterkill of fish. If needed, aeration will begin approximately January 15th, 2025. The aeration system will cause open water and thin ice conditions near Antlers Park. Look for Warning Signs and stay clear of the posted area.
