

COUNTY STATE AID

HIGHWAY 13

ROUNABOUTS PROJECT (CR 40 AND CSAH 33)

The public is encouraged to attend an open house for the reconstruction of two intersections along County State Aid Highway 13 (Twin Lakes Road) in the City of Elk River. The open house is scheduled from 4:30 p.m. to 6:00 p.m. on Wednesday, December 5 at Twin Lakes Elementary School, 10051 191st Avenue NW, Elk River.

Sherburne County has received federal funds to improve operations and safety at two intersections along CSAH 13, at CR 40 and CR 33. The proposed improvements include converting each intersection to roundabout intersections.

During the open house, project staff will provide the current construction schedule, potential construction impacts, roundabout operations/education and construction staging. Staff will also be available to discuss the project and answer questions. (There will not be a formal presentation).

If you have any questions, please contact David Roedel, Sherburne County at 763-765-3352 or Andrew Plowman, WSB (consultant) at 763-287-7149.
