## DEICING LICENSEE ACTIVITY ON LAKE MINNETONKA

The Lake Minnetonka Conservation District (LMCD) has licensed de-icing operations around Lake Minnetonka. Licenses are granted to applications that pass the review process. As a result, locations of de-icing activity are subject to change. Currently, the licensed sites may include but are not limited to following bays for the upcoming winter season:

### BAYS WITH POTENTIAL DE-ICING ACTIVITY

Browns	Lower Lake South
Cooks	Maxwell
Crystal	Smiths
Excelsior	South Upper Lake
Forest Lake	St. Albans
Gideons	Wayzata
Grays	West Arm
Lafayette	

Ice is never completely safe. Please use caution when near a de-icing operation.

Details regarding the requirements are available at the LMCD Office, 5341 Maywood Road, Suite 200, Mound, MN 55364 or by calling (952) 745-0789.
