

BROWN'S CREEK WATERSHED DISTRICT

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that on Wednesday, January 8, 2025, at 6:30 p.m., the Brown's Creek Watershed District Board of Managers will hold a public hearing to receive comments on a proposed cost-share project with the city of Stillwater to reduce sediment and nutrient loading into Brewer's Pond by installing a storm sewer separator while replacing an existing corrugated pipe, as well as install a 20-ft deep manhole to eliminate the steep slope of the existing pipe and reduce the speed and force of the water at the outlet.

The project will be constructed by the city of Stillwater and funded through a district-wide ad valorem levy as authorized by Minnesota Statutes chapter 103B in the amount of \$25,000, and city of Stillwater in the amount of \$100,000. The estimated total cost for the project is \$125,000. The project is planned for 2025.

The public hearing will be held at Family Means, 1875 Northwestern Ave, Stillwater, Minnesota.
