The Board of Appeal and Equalization for the City of Elk River will meet on April 9, 2018, 6:00 p.m., at Elk River City Hall, 13065 Orono Parkway, Elk River, MN. The purpose of this meeting is to determine whether taxable property in the city has been properly valued and classified by the assessor and to determine whether corrections need to be made.

If you believe the value or classification of your property is incorrect, contact your assessor's office to discuss your concerns. If you are still not satisfied with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board will review the valuation, classification, or both if necessary, and may make corrections as needed. Generally, you must appeal to the local board before appealing to the county board of appeal and equalization.
