

CITY OF BROOKLYN PARK, MINNESOTA NOTICE

The City of Brooklyn Park has completed and submitted the water service line inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/>, by typing this URL brooklynpark.org/city-utilities/lead-free-bp/ or contact us at 763-493-8008. To complete the service line inventory a combination of records, engineering specifications, customer reported data and on-site visual inspections were used. As of 10/16/2024 the service line inventory in Brooklyn Park contains 23,675 services, 22,978 non lead, and 697 service line of unknown status and zero lead service lines. The City is working with the property owners with unknown status to verify the properties service line material.
