

CITY OF MEDINA PUBLIC NOTICE

The city council of the city of Medina has adopted Ordinance No. 637, an ordinance regarding regulations related to stormwater management. The ordinance describes under what circumstances stormwater management improvements are required to be constructed in connection with site disturbance and creation of new impervious surfaces. These triggers are similar to those previously required, with an additional exemption for certain project in which the total impervious surface is less than 20% of the site.

The full text of Ordinance No. 637 is available from the city clerk at Medina city hall during regular business hours.

Attest: Jodi M. Gallup
City Clerk
