

WASHINGTON COUNTY FAIR INVITATION TO BID

The Washington County Ag Society would like to extend an invitation for all interested Contractors to bid on the Washington County Fairgrounds repaving project located in Baytown Township, MN. The project consists of the reconstruction of two main access roads within the Washington County Fairgrounds. In general, the work will include demolition of the existing bituminous pavement and construction of new bituminous pavement with some concrete valley gutter for drainage. Additional items to be constructed include, but are not limited to, erosion control, a stormwater infiltration basin, concrete valley gutter, earthwork, fine grading, and seeding. Fill material may be excavated from an area adjacent to the site as determined by the Owner. Excess soil materials may be placed and spread adjacent to the site as determined by the Owner. The project will include the import and placement of clean suitable fill material and aggregate base material. If you would like to submit a bid, please contact Peter Galzki with SRF Consulting Group, Inc. at (763) 452-4732 or pgalzki@srfconsulting.com to request copies of the signed construction plans and specifications. Deadline for bid submission is March 30 at noon. Thank you for your consideration in bidding this project.
