

CITY OF ST. MICHAEL

The City of St Michael has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 763-497-3611. To complete the service line inventory our system researched maps, service line installation forms and responses from residents. As of October 16, 2024 our inventory contains 0 lead, 0 galvanized requiring replacement, 207 unknown material, and 5,872 non-lead service lines.
