

**CITY OF WYOMING
NOTICE OF ADOPTION OF
THE CITY OF WYOMING
ORDINANCE NO. 2018-05
AN ORDINANCE AMENDING
THE CITY OF WYOMING
CODE OF ORDINANCES,
CHAPTER 39, STORMWATER
MANAGEMENT.**

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN that on the 19th day of June 2018, the City Council of the City of Wyoming adopted an Ordinance creating and adding Chapter 39 of the City Code. The new Ordinance is entitled:

**ORDINANCE NO. 2018-05
AN ORDINANCE AMENDING
THE CITY OF WYOMING CODE
OF ORDINANCES, CHAPTER 39,
STORMWATER MANAGEMENT.**

NOTICE IS FURTHER GIVEN. The City of Wyoming hereby finds that uncontrolled and inadequately planned use of wetlands, woodlands, natural habitat areas, areas subject to soil erosion and areas containing restrictive soils adversely affects the public health, safety and general welfare by impacting water quality and contributing to other environmental problems, creating nuisances, impairing other beneficial uses of environmental resources and hindering the ability of the City of Wyoming to provide adequate water, sewage, flood control, and other community services. In addition, extraordinary public expenditures may be required for the protection of persons and property in such areas and in areas which may be affected by unplanned land usage.

NOTICE IS FURTHER GIVEN (1) The general purpose of this Ordinance is to establish regulatory requirements for land development and land disturbing activities aimed at minimizing the threats to public health, safety, public, and private property and natural resources within the community resulting from construction site erosion and post-construction stormwater runoff.

NOTICE IS FURTHER GIVEN (2) Statutory Authorization. This Ordinance is adopted pursuant to the authorization and policies contained in Minnesota Statutes Chapters 103B and 462; Minnesota Rules, Parts 6120.2500-6120.3900, Minnesota Rules Chapters 8410, 8420 and 7050.0210.

NOTICE IS FURTHER GIVEN (3) This Ordinance is intended to meet the current construction site erosion and sediment control and post-construction stormwater management regulatory requirements for construction activity and small construction activity (NPDES Permit) as defined in 40 CFR pt. 122.26(b)(14)(x) and (b)(15), respectively. This ordinance is intended to meet the Minimal Impact Design Standards (MIDS) developed under Minnesota Statutes 2009, Section 115.03, subdivision 5c.

NOTICE IS FURTHER GIVEN that a printed copy of the entire ordinance is available for inspection by any person during the City Clerk's regular office hours in the City Hall located at 26885 Forest Boulevard, Wyoming, Minnesota. Furthermore, proof of publication of the title and summary shall be recorded in the ordinance book of the City Wyoming within 10 days of publication of the title and summary.

ADOPTED BY THE CITY COUNCIL OF THE CITY OF WYOMING

THIS 19th DAY OF JUNE, 2018.

Frederick E. Weck, IV

Zoning Administrator
