The Houston County Fair is accepting sealed bids for the construction of a 60'x 100'x 14' post frame building. This will be a roofed shelter style building to replace our Entertainment tent. All open sides except for the north end along Main Street. Posts will sit on top of existing concrete and some concrete footings will need to be poured. 4' overhang is wanted for runoff. Roof and north wall will require sound barrier as it will be used for bands so products such as R board recommended.
