

**CITY OF CRYSTAL  
ORDINANCE #2018 - 04  
AN ORDINANCE AMENDING  
CHAPTERS IV AND IX OF  
THE CRYSTAL CITY CODE  
SUMMARY OF ORDINANCE  
NO. 2018-04**

Ordinance No. 2018-04 has been approved by the city council on Oct. 2, 2018. A printed copy of the full text of the ordinance is available for public inspection in the office of the city clerk and is available on the city's website.

The ordinance amends Chapters IV and IX of the Crystal City Code dealing with late fees for license renewals under subsection 425.17 and updating the emergency management, fire prevention, animal control, and hazardous substances provisions in Chapter IX. The amendments to the emergency management and fire prevention provisions were primarily to update the language to reflect current law and practices. More substantive changes were made to the animal control section, including changes to licensing. The section was restructured to clarify the types of licenses needed and to make the regulations easier to read. The hazardous substances that are prohibited to ingest were modified. The ordinance is effective 30 days after publication.
