Notice is hereby given that the Board of Appeal and Equalization of Page Township shall meet on April 25th, 10:00a.m. at the Page Town Hall (21804 - 140th Ave, Milaca). The purpose of this meeting is to determine whether taxable property in the Town has been properly valued and classified by the assessor, and also to determine whether corrections need to be made.

If you believe the value or classification of your property is incorrect, please contact the assessor's office (320-983-8311) to discuss your concerns. If you are still not satisfied with the valuation or classification after conferring with the assessor, you may appear before the Page Township Board of Appeal & Equalization. An appointment through the assessor is necessary. The Board shall review the valuation, classification, or both if necessary, and shall correct it as needed. Generally, an appearance before your local Board is required by law before an appeal can be taken to the County Board of Appeal and Equalization.
