

Pledge to Reject Divisive Rhetoric

I hereby acknowledge that divisive rhetoric creates confusion and divide in society,

And further acknowledge that the use of divisive rhetoric in written, electronic, or verbal form only serves to prevent meaningful communication and positive outcomes,

Therefore, I do solemnly commit to rejecting the use of divisive and/or polarizing language in all communication by myself or those communicating on my behalf.

I make this pledge freely, with the hope of benefiting all constituents and the United States as a whole.
