Isanti County Commissioner Candidates

District 2

Bill Berg

I am Bill Berg and it is an honor to run for County Commissioner for District 2. Isanti County has been home for my wife Cherie and I and our four daughters since 1992. After receiving my master's degree from Bethel Seminary, I accepted a position as youth pastor at First Baptist in Cambridge and from there started New Hope Community Church in 2004 where I am presently the Senior Pastor.

Since moving to Isanti County, I have always enjoyed serving the community to make it a better place to live and to attract new residents. As a past-President and current member of the Cambridge-Isanti Rotary Club I led the revitalization of the City Park along the Rum River. I initiated and organized into the schools the "Every Meal" pro-

gram. Every Friday during the school year volunteers place a nutritional bag of food into a child's backpack in their locker so their family has food for the weekend.

Back in 2000, I assisted in establishing New Pathways, a non-profit which provides resources for families experiencing homelessness and partners with area churches to house families. I have been

involved with our area schools in coaching, mock interviews, crisis intervention, speaking on leadership, and when schedule allows, a substitute para-professional. I am an active member of our local chamber and have relationship with many area business owners. I serve on the Foundation Board of the Cambridge Medical Center and as a volunteer Sheriff Chaplain.

I look forward to strengthening our county's infrastructure, personnel, businesses, healthcare needs, education, and community recreation. I am a man of faith, a family man, visionary, entrepreneur, and steady leader and would enjoy the opportunity to serve our residents as County Commissioner.

Todd Moos

As a life long resident of central Minnesota, I have been blessed to have worked, served, and raised my family right here in Isanti County! I have been devoted to serving this community in my volunteer work through 4-H, Community Ed, and our local church and in my career life as an Automotive Technician, HVAC Technician, and currently, for the last 20 years, small business owner of TM Home and Lawn Care, which I built from the ground up. All that I do is centered upon providing quality service and I intend to bring my commitment to service and integrity to the county board.

Through my work and volunteering, I have met many of you! I believe in the people of Isanti County, we work hard

and care about our community! That that is why I am running for County Commissioner in District two, which includes Springvale Township, Cambridge Township, and the city of Cambridge P-2.

As a Commissioner, I pledge to be available to my constituents and welcome their conversations and concerns. I promise to be your advocate and do the research necessary

to bring common sense, conservative solutions. I pledge to protect and defend ALL of your constitutional rights and freedoms. We are guaranteed by our Constitution the freedom of speech, freedom of religion, the right to keep and bear arms. All of these are being threatened in Minnesota, but I will stand and assert the rights our veterans have so sacrificially fought for! I will support our law officers and ensure they have all they need to do their job well.

Isanti County is an exceptional place to live, run a business and raise a family! Working together, we can make it even better!

Steve Westerberg

Hi, I'm Steve Westerberg. I'm running for County Commissioner in District 3.

I come from a family that's been in Isanti County since the 1800s and have myself been a lifelong resident. I'm one of six siblings, and I have many nieces and nephews in the community. I'm proud to have my own painting company of 40+ years, and I was a smoke chaser in my twenties—we put out wildfires for the DNR.

I have always had an interest in the issues faced by Isanti County, so I am running for County Commissioner in District 3, which is comprised of Stanchfield, Maple Ridge, Spencer Brook, Dalbo, and Wyanett Townships. As an elected official, I

would work for the people. That means the decisions made as County Commissioner must be in the best interest of the people! Investing in the county's strengths and resources and making improvements to help others is what I would like to see.

As I seek the position of County Commissioner, I know there is a lot to protect and do for

our county. Bottom line, I do not want to spend your hard-earned money on anything that won't benefit you. To get the change we need, please vote for me on Election Day, November 9.
