Isanti Mayoral Candidates

Jeff Johnson

My name is Jeff Johnson, and I am ecstatic to announce to the City of Isanti that I am running for re-election to stay your mayor. I ask for your continued support in this very challenging undertaking. As a resident and current Mayor of Isanti, I know that a great City is measured by the qualities of lives of the people who live within. I will continue to strive day to day to provide the quality of life you have come to expect from a great City. We have made great strides in the past years and there are more strides we can make together.

Jeff Johnson

I have attended many City events and will continue to do so to make sure I get out and visit as many residents as I can. Your opinions and voice mean the world to me. After all, I am your voice

and will bring it forward to the rest of the City Council members to be discussed. I was born and raised in North Minneapolis, graduating from North Community High School in 1995. I am married to my lovely wife, Lisa of 9 years. We have a beautiful daughter named Emma and a handsome son named Colten. I plan on raising my family in Isanti and want it to be a great place for them as well as your families.

We have had a zero to negative percent City tax rate in the four years I have been mayor, and we are still establishing amenities to Isanti while doing so. We have an opportunity to enhance a fantastic foundation we have built together thus far for living, working, and playing in the great City of Isanti. Now is the time to keep proactive strong leadership for a safer more prosperous Isanti. I believe I have right attitude, education, and experience to succeed in this very demanding position as I have shown in the past four years. Please join me to continue leading our great City. If you see me, please stop me, and say hello. I would love to hear your voice and opinions.

I look forward to continuing to work with the community to provide an excellent place to live, work, play, operate a business, and raise a family. I am proud of our town and am proud to announce that I am seeking re-election as Mayor of the City of Cambridge.

streets continue to be well maintained and we follow our Capital Improvement plan to repair and replace streets, fire trucks, police cars, plows and all city equipment. As Mayor, I encouraged many civic groups to accomplish some amazing initiatives. Thanks to this teamwork, we added amenities to

James "Jimmy" Gordon

My name is Jimmy Gordon. I'm excited to be running for Mayor of Isanti.

My FAITH and FAMILY help guide my PRINCIPLES which are as follows:

Protect Individual Freedoms. No one is better equipped to take care of you than you. At city hall I'll fight for your property rights. If you're not hurting your neighbor you should be allowed to do as you please.

Build A Strong Community. As a volunteer fire fighter I've seen first hand how important a strong community is. We've grown quickly in recent years. As Mayor I'll make sure we don't lose those small town values we hold dear.

Jimmy Gordon

Lower Taxes. Taxes may be as certain as death but they shouldn't be as painful. I want to cut wasteful spending and focus our efforts on lowering taxes and getting the city out of debt. Cut Red Tape. Be-

ing a business owner, I know how frustrating overregulation can be toward progress. As your Mayor I'll work to make our city friendly toward business and residential development; but we will not subsidize them with your tax dollars.

Cambridge Mayoral Candidate

Jim Godfrey

I am Jim Godfrey and it is an honor to currently serve as the Mayor of Cambridge. Cambridge is known for having a small town feel while growing to serve the times.

Jim Godfrey

I think one of my most important accomplishments is managing that growth and maintaining a thriving community. Together with the council, we set a goal to use growth to reduce the city tax rate to the 50th percentile by 2027, steadily lowering tax rates for every property. We will achieve this yet still retain community safety and excellent government services.

We added a Police officer and plan to add another next year. We added a City Planner to foster and manage our continued growth. We continually examine our staffing levels at all levels of government including the fire department. Our

streets continue to be well maintained and we follow our Capital Improvement plan to repair and replace streets, fire trucks, police cars, plows and all city equipment.

As Mayor, I encouraged many civic groups to accomplish some amazing initiatives. Thanks to this teamwork, we added amenities to

Sandquist Park, built a new Cambridge Public Library, a new Veterans Memorial Park, a new Parkwood Park, added pickle ball courts and much more.

I am committed to redeveloping the Downtown district, adding more diversity in housing and businesses (including incubator businesses), improving Highway 95, paving the approaches for the bike/walk trails, and so much more. Look for "Cookies with Council" on 3rd Thursdays to offer your input)

I look forward to continuing to work with the community to provide an excellent place to live, work, play, operate a business, and raise a family. I am proud of our town and am proud to announce that I am seeking re-election as Mayor of the City of Cambridge.
