

Remembering my dear husband

## **Robert (Dink) Port**

*Gone 3 years ago today*

I've lost my soul  
companion, a life linked to  
my own. You're still mine  
to remember while living  
alone, lonely in my home.  
Without you, life to me will  
never be the same. I'd give  
anything to have you here.  
Always loved and missed,  
never forgotten.
