In Memory Of Sheldon Leonard

We love to think back On Christmases past;

When you were still with us
The years went too fast.

The years went too fast. You're missed by us always

Can't help but feel sad; We cherish your memories You were the best Dad.

Our Christmases with you
Were chaotic and loud;

Your crazy song lyrics Stood out in our crowd. The grandkids hear stories

The grandkids hear stories
They're still missing out;
They sure would've

loved you
As you rambled about.

If we had know then What we all now know; We'd hug you so tightly

Before letting you go.
As we celebrate Jesus
We're thinking of you;

Smiling beside Him As we smile back at you.

Merry Christmas in Heaven, Dad! Love, Mary and

Love, Mary and Leonard families
