

*Remembering my dear brother*

**Larry (Lip) Leonard**  
*Gone 2 years today*

*No one knows how much we love  
and miss you. No one knows our  
pain. Even after 2 years, life has  
not been the same. The ones who  
think of you today are the  
ones who loved you best.*

**Gone, never forgotten.  
Always loved & missed,  
Sister, Celia Port  
& family**
