- 2) Gift certificates from participating advertisers will be determined by the exact score of each team as it corresponds to the contest grid. For a double-digit score (e.g. 14), the second number (4) will be used to find the advertiser's block on the grid.

The contest grid showing the numbers for each team's side of the grid will run on Wednesday, Feb. 4, 2026, which is after the deadline to enter the contest.
