

NATIONAL
VOLUNTEER
BLOOD
DONOR
MONTH

Give a Little. SAVE A LIFE.

January is National Volunteer Blood Donor Month, a reminder of how vitally important our nation's blood donors are to the health of thousands of people every day. In fact, according to the American Red Cross, more than 41,000 blood donations are needed daily, and your blood donation can help save the lives of up to three people. Make a commitment to donate today, and feel good about the life-changing impact you're making on our community.
