Early in 1916, a group of Tyrone businessmen met and discussed the need for an organization devoted to community service, economic progress and cultural growth. This led to the establishment of the Tyrone Area Chamber of Commerce, Inc. on July 16, 1916.

Membership enrollment currently stands around 225 members and growing. New members always welcome. The Chamber provides many networking opportunities such as monthly breakfast meetings and business after hours.

Listings of our members are on the Website, business referral list, for great exposure to those potential customers or visitors.

Your Chamber works diligently with the borough, school district, all clubs and organizations, businesses, individuals, etc. for the quality of life and in the best interest of our community!

We are always looking for volunteers to promote activities or those who have specific interests they want to pursue. Simply stop in or give us a call and we will be happy to work with you!
