

DISPLAYED FRIDAY, JULY 3 AT 9:40 P.M.

Huntingdon is blessed with an abundance of folks who love this great country of ours and have made Huntingdon a special place to live. As we celebrate the 250th birthday of the United States of America, we must also remember the sacrifices of those who served to protect and defend the freedoms we enjoy today. Our veterans and present day armed forces deserve and hold a place of high esteem. Without their sacrifices, we would not be celebrating the 250th birthday of our country. Thank you again for allowing us to play a small part in this great celebration. May God continue to bless America.

Best Regards, The Geissinger Family
