

New providers. More appointments.

Get the care you need
from the place you trust.

With 3 new providers at Geisinger Primary Care Huntingdon, you can get an in-person or virtual appointment now and establish care for the whole family. And it's easy to manage everyone's appointments, medications and specialty care with our patient portal.

See us for same-day sick visits. We're also your direct connection to specialty care, including women's health, nephrology, rheumatology, pulmonary care and general surgery.

Turn to Geisinger, your home for great health.
