

RAISETOWN

Care Connect

RAISEtown Care Connect is an independent nonprofit organization, deeply rooted in the support of our community and sustained through ongoing fundraising efforts. While we do receive payment for some services through contracts, limited insurance billing, and occasional sliding fee scales, we are proud to ensure that no one is ever denied services due to an inability to pay.

We also continue to own the name Huntingdon County PRIDE proudly. All previous checks, grants, contracts, or estate gifts made under that name remain valid and intact. Our legacy remains an important part of our future.

The depth and quality of our programs are made possible thanks to the generosity and compassion of our supporters. Every contribution—whether time, talent, or funding—helps us continue serving individuals and families across Huntingdon County.
