

Carl F. Grove

June 20, 1929 ~ February 15, 2007

Carl left us too soon 19 years ago. He is still remembered for his love of life, sense of humor and kindness.

Kindness is more than simply being polite or nice. Kindness is that little voice within you that says you are here on this Earth to make it a better place whenever and however you can. That was Carl Grove; caring, funny, non-judgmental and always kind.

Carl, you will always be loved and remembered by your wife and sons
