

PAMELA KAY GUYTON

February 13, 1955 to March 6, 2008

It's been 18 years since you've been gone

Our lives go on without you, but nothing is the same

Living without you is the hardest part of all

You did so many things for us

Your heart so true and kind

When we needed someone, we could count on you

We all wish we could have one more day to sit and talk,

To give you a hug,

And to tell you one last time how much we love you

You are missed immensely

And will forever be in our hearts, minds and souls!

Love, Gus; Rikki, Mike & Paige;

Rob, Adilee & Cade
