Nurses put the *care* in healthcare

In every tough moment, our nurses are there.
Listening. Advocating. Looking after the needs of every patient.

Geisinger nurses know compassionate, best-in-class care means treating the whole person, not just the condition. Because they're more than our caregivers. They're our neighbors, deeply rooted in our communities.

Let's honor nurses by supporting them — every shift, every day — so they can focus on what matters most: caring for you.

This National Nurses Week, we thank every Geisinger nurse for their empathy and unwavering commitment.
