

THANK YOU FIREFIGHTERS!

With gratitude we honor **OUR LOCAL HEROES**

We thank all the brave men and women who make our community a safe place to live. These people often put themselves on the line so that our lives and homes may be more secure.

IN CASE OF FIRE

ADVICE FOR FAMILIES

YOU MUST HAVE AN ESCAPE PLAN

and, every year, you must review and practice your plan with all members of your family.

PRACTICE CRAWLING ON THE FLOOR

when you practice your escape plan.

Cover your mouth.

EVERY ROOM MUST HAVE AN EXIT

and you must be able to escape from the second floor using a ladder that is easy to attach to a window.

ONCE OUTSIDE, STAY OUTSIDE

and do not re-enter the house under any circumstance. If someone is still inside, inform the firefighters.

CHECK YOUR SMOKE DETECTORS REGULARLY

and make sure to install one in all strategic areas on each floor of your house.

NEVER REMOVE THE BATTERIES FROM THE SMOKE DETECTORS,
except to change them.
