

Birthday Remembrance Randy Alan Estright Jr.

6/7/1985 – 5/26/2002

Happy birthday to our dear son
Today we celebrate another one
A milestone in life without you here
Relying on memories we hold so dear
Playing on rewind in all our minds
Never fading in all this time
Today you would have been 41
We dream of the things you would have done
The "would have" "should have" "could have" come into play
As we remember you on this day
So, we hit rewind as we always do
We celebrate your short life and our love for you
Happy Birthday Randy Alan

Loved and deeply missed by Mom, Dad, Brandon, Kaya, Pap Fred,
Grandma Ruth, and all who knew and loved him....
