

Credit score
management
in your pocket?
**Kish has
that.**

It's easy to view and improve your credit with **My Credit Manager** in Kish Digital Banking.

- Get free credit reports and real-time monitoring that looks at your entire credit history
- Simulate different scenarios before you act—see how paying off your car or missing a payment will impact your credit score
- Receive instant alerts about changes to your credit

This isn't just checking your credit score—it's a comprehensive tool that lets you take command of your credit health.
