THE CYBER SECURITY EXPERTS

Reclamere: Celebrating 25 Years of Local Roots, National Impact, and Trusted Data Security

Right here in Tyrone, PA, Reclamere is proud to celebrate 25 years of protecting businesses, schools, banks, healthcare providers, and organizations across the country. What began with strong local values has grown into a nationally trusted cybersecurity and data security company, built on service, integrity, and a relentless commitment to protecting sensitive information.

In a world where cyber threats move fast and data never stops flowing, our team delivers peace of mind through expert data destruction, secure IT asset management, and security services tailored to each client's unique needs. Whether supporting a growing small business or an enterprise with complex compliance demands, we work alongside our clients, not just as a vendor, but as an extension of their team.

From secure IT asset disposition to airtight chain-of-custody processes, Reclamere helps ensure sensitive data is handled with precision, professionalism, and care. Our 25th anniversary is more than a milestone; it is a reflection of the trust our clients have placed in us and the pride we take in serving from our home here in Tyrone.

As we celebrate this anniversary year, our promise remains the same: unmatched service, strong local values, and the confidence that your data is safe, secure, and in trusted hands.
