

In Everlasting Memory
of a Beloved Father
Sherman R.
“Dick” Worthy
who passed away April 27, 1980

Grief isn't just about missing someone. . . it's about waking up each day in a world that kept going without them, learning how to smile in moments that should have been shared, carrying conversations that will never happen and slowly realizing that the love you had didn't disappear...it just changed form and settled quietly into your heart.

**A silent thought,
A secret tear,
keeps your memory
ever near.**

*Forever loved and
always missed,
Jeannie, Darlene, Connie,
Rick, Brenda, Judy
and their families.*
