

*Happy Anniversary*  
**Mary Leonard!**

*The first day that you smiled at me  
Completely changed my life;  
I strived to do the best for us  
When you became my wife.*

*We were so very happy  
God blessed us from above;*

*He sent us 9;*

*You got your wish!*

*Large family- lots of love.*

*We had so many good days  
But dark ones were there too;*

*We weathered  
every storm that came  
With each our love just grew.*

*Now I see you struggling  
Your faith will see you through;  
Just know that I am by your side*

*I'm always there for you.  
I vowed I'd never leave you  
I'm there inside your heart;  
Ever since we said "I do"  
We've never been apart.*

**I love you Mary,  
forever and always,  
Sheldon**
