Ada County Highway District Invitation to Bid

Cloverdale Road, Franklin Road to Executive Drive -
Thermoplastic Replacement
Contract Number: CT227-03
Project Number: 527003
GIS Number: N/A
Project Location: Boise, Idaho

Only **electronically sealed bids** will be received by Ada County Highway District (ACHD) until 3:00 pm, Wednesday, September 30, 2026, at which time they will be publicly opened **via Zoom**. Be advised that ACHD may have more than one (1) bid opening scheduled for Wednesday, September 30, 2026, at 3:00 pm. ACHD will conduct the bid openings scheduled for that date and time individually and in an order established solely by ACHD that best suits its business needs. **All proposals must be electronically sealed and submitted via ACHD's eProcurement portal <https://procurement.opengov.com/portal/achdidaho>. Manual/Paper bids will be deemed non-responsive.**

All electronic bidders must first register on the ACHD eProcurement portal at <https://procurement.opengov.com/portal/achdidaho>. No fee will be incurred to bid electronically. Bidders will have the option to Subscribe to all ACHD solicitations and receive email notifications.

Following the Bid Opening, the Bid Results will be available from the **eProcurement Portal**.

In accordance with the plans and specifications, this Work shall consist of the removal and replacement of all existing pavement markings on concrete pavement with thermoplastic pavement markings. The Work is intended to improve pavement-marking visibility and durability while reducing future maintenance requirements. The Work shall also include night-time construction, and the Contractor shall comply with all applicable night-work requirements.

The work shall be completed in its entirety on or before December 11, 2026. The completion dates are predicated on the intent of ACHD to issue a Notice to Proceed to the Contractor on or about October 19, 2026. ACHD shall be entitled to Liquidated Damages in the amount of One Thousand Dollars (\$1,000.00) for each calendar day the Work remains incomplete beyond the Contract completion date. Delays affecting one portion of the Work shall not constitute justification for, nor entitle the Contractor to, an extension of time or delay in the completion of any other portion of the Work.

All questions or requests for clarification regarding this Invitation to Bid, including the content and requirements of the Bid and Contract Documents, must be submitted in writing through the "Question and Answer" section of the ACHD eProcurement Portal and no later than 12:00 pm on Friday, September 25, 2026. Questions submitted by any other method, including phone call, manual delivery or email, **will not be accepted**, nor will questions be accepted after the designated Question and Answer deadline. Bidders are strongly advised to observe the stated deadline for submitting inquiries. To ensure timely receipt of updates, bidders are encouraged to select "**Follow**" on this Bid within the eProcurement Portal to receive automated email notifications when responses are posted. Notwithstanding such notifications, it remains the sole responsibility of each bidder to regularly monitor the eProcurement Portal for updates and responses. Any interpretation, clarification, or modification of the ITB that may affect its substance will be issued **only in writing** in the form of an **Addendum** and will be made available through the eProcurement Portal. It is the bidder's responsibility to review and acknowledge all Addenda prior to submitting a Bid.

A Plan Holders List will be posted on the **eProcurement Portal**.

ACHD has prepared the Invitation to Bid (ITB) including the Plan Sets for the proposed project. These ITB and Plans are available for download at the **eProcurement Portal**.

Except as modified herein, all construction shall conform to the currently adopted Edition of the IDAHO STANDARDS FOR PUBLIC WORKS CONSTRUCTION (ISPWC), and approved supplements, for use in the ACHD rights-of-way. Except as modified herein, any bridge construction shall conform to the currently adopted Edition of State of Idaho STANDARD SPECIFICATIONS FOR HIGHWAY CONSTRUCTION including the current edition of the Supplements and Standard Drawings.

Proposals must be accompanied by an original or photocopy or electronic version, e.g. PDF, FAX, etc. of certified check, cashier's check, or a bid bond (collectively referred to hereafter as "Bid Security") issued by a surety authorized to issue such bonds in the State of Idaho, in an amount of ten percent (10%) of the total amount of the proposal submitted. If a photocopy or electronic version of a certified check, or cashier's check is provided with the proposal, an original certified check or cashier's check shall be submitted to ACHD within 48 hours of the bid opening. In addition, any Contractor submitting a Certified Check or Cashier's Check for Bid Security will be required to submit within 48 hours of the bid opening, a letter from their bonding company stating that it will guarantee bonding for the Bidder, in the event said Bidder is notified via a "Notice of Intent to Award Letter," that it is the apparent low-cost Bidder and may be awarded the contract. Said letter is to be included with the Proposal Form, and shall name the Bidder, project number, and the amount of bonding value being guaranteed.

The apparent low-cost responsive Bidder will be required to furnish the necessary additional bond(s) for the faithful performance of the contract and supply the necessary insurance documents as prescribed in the ITB.

The right is reserved to reject all proposals or reject any proposal not conforming to the intent and purpose of the Contract Documents whenever such action appears to be in the best interest of ACHD. Award of a contract pursuant to this invitation may be delayed, without penalty, for up to sixty (60) calendar days after the date of bid.

PROVISION 1 - PUBLIC WORKS CONTRACTORS LICENSE

This Public Works project is not financed in whole or in part by Federal Aid funds. Bid proposals will be accepted only from those contractors including prime contractors, subcontractors and/or specialty contractors, who, prior to bid, hold current licenses as public works contractors in the State of Idaho. A Type 1, 2, or 4 License is required for ACHD contract work. A Type 4 License shall include the appropriate "specialty" categories related to roadway construction. Prospective bidders not holding such license should contact Public Works Contractor State License Board at 11341 West Chinden Boulevard, Boise, Idaho, 208-334-3950.
