

# Ribbon Cutting - Fords Fabrication LLC

The Gem County Chamber of Commerce held an official GCCC Ribbon Cutting for new member, Fords Fabrication LLC, on Friday, October 9, 2020. Owner Andrew Ford shared his business with attendees by allowing them to tour the shop during his ribbon cutting. "Fords Fabrication LLC wants our community to know that we are here for the long haul and we will make you proud to say that Fords Fabrication is from Emmett Idaho," says Andrew Ford.

Fords Fabrication LLC provides services in the following fields: welding/fabrication, mobile repairs/welding, CNC plasma cutter in shop for custom parts, hydraulic cylinder, motor, and pump rebuilds, machining lathe and mill, process piping including steam piping and maintenance of piping systems. Andrew says, "My goal

is to expand my business into a custom weld/machine shop that will exceed my customers' expectations on price, quality and timeframe they can respect."

Andrew Ford started Fords Fabrication about eight years ago at his home and it slowly turned into a fulltime job. Said Andrew, "Fords Fabrication LLC is committed to achieving the highest level of customer satisfaction by providing solutions for their requirements, producing high quality products and services at a reasonable price. Providing a safe and ethical workplace for our employees to grow."

Fords Fabrication LLC is located at 889 Sunset Drive, hours of operation are Monday-Friday 8am-5pm, you can contact them at 208-369-4753.
