Probable Cause

On 10/25/2021 at 1350 hours, Jacob Bergquist was in the Boise Towne Square Mall in Boise, Idaho. He was carrying a handgun in a holster that was visible to those around him in a style of carry commonly referred to as "open carry." [REDACTED] who was working as a security guard in the mall contacted Bergquist, presumably to advise him of the mall's, no gun policy. This contact occurred in the common area of the mall on the first floor outside of the Macy's department store. During this conversation, Bergquist removed a 9mm handgun and shot [REDACTED] 4 times, causing his death. Bergquist then fired multiple times into the interior of the mall, one bullet struck [REDACTED] clothing. This incident was captured on a mall security video camera with no audio recording. Bergquist then ran into Macy's and began shooting [REDACTED] who was on an escalator [REDACTED] as struck multiple times and ultimately died from his injuries. Bergquist continued to fire his gun as he ran through the department store [REDACTED] and [REDACTED] were all hiding from the gun fire under a table. Bergquist fired multiple shots at the three women as they hid. None of the bullets struck the women.

Jacob Bergquist fled the Boise Towne Square Mall on foot. He was contacted by Boise Police Officers Dance and Schofner less than two minutes later behind a business located at 546 N. Milwaukee, in Boise. Bergquist immediately began firing his handgun at the responding officers, who were inside a marked Boise Police Ford Explorer. Multiple bullets struck the police car, one of which broke apart and a fragment of the bullet struck Officer Dance's eye. Another bullet traveled past the officers he was trying to shoot, entered a vehicle that was traveling north on Milwaukee and struck the driver. This bullet struck [REDACTED] as she drove her car. The bullet entered the right side of [REDACTED] jaw, exited the left side of her face, then continued through the driver's side window. [REDACTED] survived her injuries.

INITIAL RESPONSE & ASSIGNMENT:

On 10/25/2021 at approximately 1350 hours, I heard Ada County Dispatch broadcast a report of a shooting that had just occurred at the Boise Towne Square Mall, located at 350 N. Milwaukee in Boise. The dispatcher advised responding officers that a security guard had been shot. Officers were given further information that more shots were being fired and a man dressed in all black was the suspect. I responded to the scene, code 3, in an unmarked Boise Police vehicle. When I turned south on N. Milwaukee from Emerald, traffic was stopped in the north bound lanes. I located a woman in a white Ford Explorer who was bleeding from her face. Two patrol officers arrived and began providing medical care. This woman would be identified later, as [REDACTED]. I continued to the last location I heard officers advise they had contacted the suspect, and had exchanged gun fire, which was behind the Dave and Buster's restaurant on N. Milwaukee. I located Officer Cooper tending to Officer Dance, who was bleeding from his left eye. Officer Betz was with a critically injured male, who would later be identified as Jacob Bergquist.

Information continued to be relayed to responding officers, that multiple people with significant injuries remained inside the mall. I responded to the mall to assist in securing the scene. When I arrived, there were dozens of citizens outside the west entrance to Macy's. Inside the mall was mostly void of customers. Dozens of officers from multiple agencies were searching the property for suspects, victims and evidence. I assisted in securing a location and the top of the Macy's escalator, where a large amount of blood and medical equipment was found. Emergency medical providers were still on scene, but the patient had been transported to the hospital. This victim would later be identified as [REDACTED].

Once the Boise Towne Square Mall was secured, I was notified I was the lead detective investigating the incident that occurred inside of the mall. The contact between officers and Jacob Bergquist that happened off of the mall property would be investigated by the Critical Incident Task Force. The Boise Police would be investigating the murders of [REDACTED] and [REDACTED]. Included in this investigation would be the aggravated batteries of [REDACTED] and the attempted aggravated battery of [REDACTED]. The murder of [REDACTED] had been captured on video recording equipment belonging to the Boise Towne Square Mall. This was quickly shared with law enforcement and helped establish Jacob Bergquist as the lone suspect in this investigation.

CRIME SCENE:

The scene was that of The Boise Towne Square Mall, which is located at 350 N. Milwaukee Street, in Boise. The mall consists of two levels, approximately 1.2 million square feet of retail space and approximately 150 retailers. The shopping center is enclosed with stores off the hallways, and kiosks throughout the property. The main floor of the west wing was determined to be the location where the first gunshots were fired. The security camera footage shows [REDACTED] contact Jacob Bergquist between two escalators directly outside of Macy's on the main level. This is where Bergquist shot and

killed [REDACTED]. This location was identified as crime scene #1. The evidence suggests, Bergquist then ran west, into Macy's and began shooting in an upwards angle, towards the escalators inside of Macy's. The fragrance sales department was below the escalators and was identified as crime scene #2. [REDACTED] was shot and killed while riding the escalator. The top of this escalator was identified as crime scene #3. Crime scene #4 was a custodian office and bathroom where blood and a bloody medical mask was located.

Once the mall was deemed safe, a team of detectives began searching the area that I had determined was the crime scene, for anything of evidentiary value. A team of detectives marked all evidence with numbered yellow placards. Evidence located included bullet fragments, shell casings, personal property, blood, damage caused by bullets, etc. Detectives Iverson and Wigington were tasked with leading the processing of the crime scene. Members from the Boise Police Department Crime Lab, Ada County Sheriff's Office Crime Lab, Canyon County Sheriff's Office Crime Lab and members of the Garden City Police Department responded to the scene to assist in processing all four designated crime scenes. See their reports for further information on their findings.

The crime scene outside of the Boise Towne Square Mall was handled by the Critical Incident Task Force (CITF) and was lead by the Meridian Police Department. In addition to Meridian Police, the CITF includes investigators from Boise Police, Garden City Police, Ada County Sheriff's Office, and the Idaho State Police.

INVESTIGATION:

The Boise Police Violent Crimes Unit was tasked with leading the Boise Towne Square Mall shooting investigation. This unit consists of six detectives, a detective sergeant and an investigative specialist. Other detectives from the Boise Police Criminal Investigation Division assisted in the collection and review of evidence, interviewing of witnesses and victims, as well as review and preservation of online content related to the suspect. The investigation was also supported by the Federal Bureau of Investigations and the Bureau of Alcohol, Tobacco, Firearms and Explosives. Reports were generated by all investigating organizations.

The following investigative assignments were made following the initial response:

- **Crime Scene Management:** Detectives Wigington & Iverson (BPD)
- **Suspect intelligence gathering:** Detective P. Jagosh (BPD)
- **Macy's contact:** Detective B. Thorne (BPD)
- **Firearms data collection, research and follow up:** Special Agent J. Miller (ATF)
- **Online intelligence gathering:** Detective P. Jagosh (BPD) assisted by FBI
- **911 recording collection:** Detective P. Jagosh (BPD)

CRIME SCENE MANAGEMENT:

The crime scene was managed by Detectives Iverson and Wigington. They were in charge of managing crime lab personnel from the Ada County Sheriff's Office, Boise Police Department, Garden City Police and Canyon County Sheriff's Office. Detectives Iverson, Wigington and the personnel from the above listed agencies all documented their rolls in the investigation.

JACOB BERGQUIST INTELLIGENCE GATHERING:

Detective Jagosh did the majority of the intelligence gathering for Jacob Bergquist. See his report for information on Bergquist's background, to include: former states of residence, work history, police contacts from Idaho and other states, social media presence, criminal history, out of state/area family and friend interviews, contacts with BTS Mall security, and neighbor contacts.

FIREARMS DATA COLLECTION, RESEARCH AND FOLLOW UP:

Special Agent J. Miller with The Bureau of Alcohol, Tobacco and Firearms coordinated the investigation into the history and origin of all firearms involved in this investigation that were associated to Bergquist. I have attached the reports generated by ATF special agents from across the country. ATF agents were tasked with locating and contacting the original purchaser of all the firearms involved with Bergquist. Their reports are in PDF form and attached to this document in the "Support Docs" section. See their reports for information on the firearms seized during this investigation.

WITNESS TRACKING & DOCUMENTATION:

Detective Canfield was assigned with following up on witnesses who contacted the police department via an online form. Canfield interviewed these individuals and documented his conversations in his report.

JACOB BERGQUIST'S RESIDENCE SEARCH:

Boise Police Detectives Seavy and Mossi led the search of Bergquist's residence. Their reports document what was located. They were assisted by the FBI and ATF.

JACOB BERGQUIST'S [REDACTED] SEARCH:

Detective B. Thorne examined the [REDACTED]. Thorne reported that the contents of his [REDACTED] confirm that Bergquist was very interested in firearms and open carried a handgun on his left hip, on a regular basis. He also learned of a close relationship [REDACTED] who resides in [REDACTED]. See Thorne's report for a detailed report of the findings in Bergquist's [REDACTED].

AUTOPSIES:

[REDACTED] Detective Miraglia attended the autopsy of [REDACTED] and reported the autopsy was performed by Dr. G. Warren at the Ada County Coroner's Office. Four bullet holes were identified in [REDACTED] person. Suspected bullet holes were identified in [REDACTED] right side chest, left upper arm, left shoulder and back of the skull.

[REDACTED] Detective Miraglia attended the autopsy of [REDACTED]. This autopsy was performed by Dr. G. Warren at the Ada County Coroner's Office. Several defects were identified in [REDACTED] person. Miraglia reported that he noted the following: A bullet wound to his right temple, a bullet wound to the right upper chest, a bullet wound to the right shoulder and 3 penetrating projectiles in his right forearm.

MALL SECURITY VIDEO:

Detective Jones reviewed and documented the video recordings from the mall security cameras. Jones drafted a detailed timeline that was attached to his report in the support docs section. The video system shows Bergquist enter the Dillard's department store at 1326 hours. He walks around the interior of the mall and eventually buys food at Sabarro, in the food court. He remains in the food court from 1333 hours, until 1341 hours. Bergquist again walks through the interior of the mall, until he is contacted by [REDACTED] outside of the Macy's on the first floor. At 1350 hours, Bergquist kills [REDACTED] and flees the mall through the first floor of Macy's. See Detective Jones report for a more detailed version of events.

BERGQUIST FAMILY INTERVIEWS:

[REDACTED]: [REDACTED] It had been reported by [REDACTED] that he was very close to [REDACTED] and she would be a valuable person for law enforcement to talk to. She was contacted by Detective DeGrange over the phone and interviewed by FBI agents in person. The general theme of all interviews with [REDACTED] were similar. It was learned that [REDACTED] was estranged from the family but had an interest in fixing the issues and being more involved with family members. [REDACTED] talked about a man named [REDACTED] who Jacob had some sort of a relationship with. The exact nature of the relationship was unknown to [REDACTED]. The two men had a falling out and [REDACTED] would not take calls from Jacob. Jacob had asked [REDACTED] to call [REDACTED] and ask him to talk to Jacob. Until recently, [REDACTED] had not talked to Jacob over the phone since 2014. Recently he started asking her for money, which she sent him through the application, Venmo.

Jacob told [REDACTED] he felt he was going to die soon and believed the family had turned against him and was playing a joke on him. [REDACTED] sent Jacob money several times and believed he was working at a

dry cleaning business in Boise. On Sunday (10/24/2021), Jacob sent [REDACTED] text messages with strange and delusional statements, where he believed his father was either [REDACTED]. The strange text messages and statements continued into the night. [REDACTED] texted with Jacob on 10/25/2021 as late as 1318 hours. She believed he was suicidal and had a romantic relationship with [REDACTED].

[REDACTED]: [REDACTED] He was initially contacted by Detective Seavy, and again in person by agents with the FBI. [REDACTED] stated that Jacob was estranged from the family, and had been for a many years. Recently Jacob had made efforts to reconcile. Jacob had apologized for the past, and [REDACTED] ended up sending him money. On 10/25/2021 at 1351 MST, [REDACTED] received a call from Jacob where he told him that he had just killed or shot a lot of people. Jacob told [REDACTED] that he and the family were to blame for what happened. [REDACTED] remembers Jacob breathing heavily and was mumbling. He recalled Jacob saying the word "transgender," during this call. While on the phone, [REDACTED] heard sirens in the background. Jacob hung up the phone after telling [REDACTED] "I have to go kill myself now."

Based on conversations Jacob had with [REDACTED] could not determine the difference between reality and his dreams. He was hopeful his son was confused about what had happened. [REDACTED] called Ada County dispatch to request a welfare check on [REDACTED] before talking to Detective Seavy. [REDACTED] said that Jacob had not been in trouble for any violent crimes in the past and had moved to Idaho because he could legally open carry his firearms.

TIMELINE:

13:50:52 First call into Ada County Dispatch reporting a security guard had been shot 4 times. Dozens of calls followed, reporting shots being fired in the mall and people running out of the mall.

13:52:23 Caller reports to Ada County Dispatch the shooter is a white male adult wearing all black clothing, with a handgun. His location was unknown.

13:53:49 Officers announce on the radio, they are at the mall and forming a team.

13:54:12 Officers announce on the radio, they may have a suspect walking north bound at Dave and Buster's.

13:54:27 Officers announce on the radio, "Shots fired."

13:54:39 Shots fired location is identified as "Dave and Buster's."

13:56:07 Officer announce, Officer hit north side of Dave and Buster's.

13:57:31 Officer announce that the suspect is detained.

14:34:32 [REDACTED] called Ada Dispatch to request welfare check on [REDACTED], Jacob Bergquist. He last spoke to Jacob 45 minutes ago. Jacob told [REDACTED] he had shot a lot of people. He advised Jacob's address and that he has numerous firearms.

SYNOPSIS:

The evidence obtained in this investigation shows the following: On 10/25/2021 Jacob Bergquist

acted alone when he entered the Boise Towne Square Mall and committed multiple violent felonies. No evidence has been identified to support the idea that anyone else was involved in the planning or execution of these acts of violence. Video evidence shows Bergquist entered the mall wearing a backpack and a handgun in a holster on his left hip. He walked through the interior of the property, then ate a meal in the food court. Bergquist continued to walk around the mall without entering any retail locations, until he was confronted by [REDACTED]. [REDACTED] was employed as a security guard in the mall and was wearing a yellow, high visibility and clearly marked uniform that is immediately identifiable as clothing typically worn by a security officer. [REDACTED] and Bergquist spoke for approximately 20 seconds before Bergquist turned to walk away, then drew the gun from the holster on his left hip, turned and fired multiple times, striking and immediately killing [REDACTED]. Bergquist then fired multiple shots into the interior of the mall, striking [REDACTED] in his clothing with one bullet, but did not strike his person. Bergquist then fled into Macy's, where he shot and killed [REDACTED] striking him with multiple bullets. Bergquist then shot at three women who were hiding under a table. The women were injured, but they were not struck with any bullets. Bergquist was inside the Boise Towne Square Mall for approximately 24 minutes. Bergquist fled the mall property and was located minutes later by Boise Police patrol officers. Bergquist fired multiple times at officers, which resulted in Officer Dance being stuck in the eye. A motorist who was traveling north on Milwaukee Street [REDACTED] was shot in the jaw by a bullet from Jacob Bergquist's gun. Jacob Bergquist then hid behind a dumpster and shot himself in the head. He was transported to St. Alphonsus Hospital by Ada County Paramedics, where he died hours later under the care of medical staff.

There has been no motive established for Bergquist's actions on 10/25/2021. No evidence was found during the search of Bergquist's residence, cell phone and social media that would indicate he had any documented plans to carry out such an act of violence. There is nothing to suggest Bergquist knew any of the victims or previously had contact with [REDACTED] or [REDACTED]. Security officers reported having contact with Bergquist in the past, but nothing had been documented. Since there is no documentation, investigators are unable to determine if [REDACTED] had any previous interactions with Bergquist. Had Bergquist survived, charges would have been requested for numerous felonies, to include the murders of [REDACTED] and [REDACTED]. Charges for aggravated battery against [REDACTED] would have also been requested. The aggravated battery against [REDACTED] and Officer C. Dance, as well as the aggravated assault against Officer J. Schofner was investigated by the Critical Incident Task Force.

Narrative	
------------------	--

On October 25, 2021 at approximately 2:00 pm, I was on duty, working in a plain clothes assignment. Upon hearing of the shooting inside the Boise Town Square Mall, I responded to the scene with the following Detectives:

Lt. Kukla

Upon arriving we were joined by three ATF agents and one Nampa police detective. We were assigned to search and clear the Dillard's department store inside the Mall. We searched all three floors of the store without finding anything of evidentiary value.

That concluded our involvement in this investigation.

Narrative

INITIAL RESPONSE/CONTACT:

At approximately 14:00 hrs. on 10/25/21 I responded to a reported shooting at the Boise Town Square Mall. While en route, I had ascertained that there were two locations which this had occurred at. The first was Dave and Busters where Officers had engaged with the suspected individual who had been involved with the shooting at the mall and the other was the mall itself where multiple individuals were shot.

I arrived along with Detectives [REDACTED] and [REDACTED]. We entered into the northern entrance of Macy's and progressed through the store. Shortly after we entered, an individual who had been laying at the top of the escalators inside of Macy's was taken out of the Mall by paramedics. This individual appeared to have been shot and had lost a significant amount of blood. Paramedics were performing CPR on the individual as they exited. I met up with Officer Jacobs, who had a team of ISP Troopers he was conducting a search of the building with. We finished conducting the search of Macy's and were requested inside of the main area of the mall at the Coach store. There were supposedly individuals locked inside. A group of approximately 6-8 of us exited Macy's and as we did, I noticed a male adult appearing to be lifeless on the ground just outside of Macy's on the first floor. He appeared to have been shot in the head and chest area from what I could see as I quickly passed. There were Officers standing by with him at the time.

I continued to Coach where we eventually encountered multiple individuals who were escorted outside of the mall through the rear exit behind the Apple store. We continued to clear stores where individuals had barricaded themselves inside and ushered them through the same exit. We continued doing this until released from our post near the center of the mall after checking every business.

CONCLUSION:

Route with original report.

Narrative

INITIAL RESPONSE/CONTACT:

I was assigned to [REDACTED] working in plain clothes when I was alerted by Crime analyst K. Page that there was an active shooter incident at the Boise Town Square Mall. I left my office along with the other [REDACTED] Detectives and headed towards the Mall. I heard radio traffic that ambulances were still needed for shooting victims when I came into the area of the shopping mall. I could see that there was heavy traffic on Emerald and heard additional radio traffic that ambulances were departing the mall with victims on board. I assisted one of the ambulances exiting the mall with clearing traffic with my [REDACTED] vehicle. I activated my emergency equipment in an effort to clear traffic from the Mall to the intersection of Cole and Emerald. I than doubled back to the Mall where I entered and began assisting Ofc Zimmer and a mixed team of Ada County Deputies and Idaho State Patrol Troopers with searching the lower level of the Macy's store for additional victims and additional suspects.

I was only on this team briefly when I received a phone call from [REDACTED] that I was to link up with him, Lt Kukla, [REDACTED] nd Officers from other agencies in the parking lot so we could form a contact team and search Dillards for any additional threats, victims or innocents potentially hiding inside of the store. We methodically cleared the first level and contacted two teenage males that were lead out of the store by [REDACTED] e made our way up to the second level where I contacted Ofc Jacobs and Ofc Young and requested that they supplement our search team. We continued a methodical search of the second and third floors of the store and contacted no additional people. I secured the exterior doors of the store that lead to the parking lot on the first level with a key that was provided to me by [REDACTED] I provided that key to Sgt Hernon and was relieved of my responsibilities.

Narrative

INITIAL RESPONSE/CONTACT:

I responded to the Boise Town Square Mall, (BTS) for an active shooter. The information that I had was that there was a shooter at the mall. I got to the west entrance for Macys and joined up with an ISP team that was there to start clearing the lower level of Macys.

While clearing the lower level, when I got to the area around the escalators, I was contacted by a detective who was on the 2nd level who asked me to check the area under the escalator and look for bullets or casings. I observed that the display case under the escalator had broken glass and what appeared to be some bullet fragment or casings. I then observed down the walk way towards the perfume, makeup and purses were other multiple bullet casings and eventually an empty clip. I was directed to get crime scene tape and started to tape off the area. I got some traffic cones and placed them next to the clip as well as next to any empty shells or possible bullet fragments.

I also took photos of where I observed some of the casings before I was able to get more cones for all of them due to concern that they might get disturbed due to multiple officers still in the area trying to make sure that the store was secure. I then stood by that scene to keep it secure until crime lab technicians came on scene and were able to start doing their scene processing. I was then relieved of my spot and left the scene.

Narrative

On 10/25/21 at 1351 hours, I responded to 350 N. Milwaukee- Boise Towne Square Mall reference a shooting. I was at Emerald and Maple Grove at the time. Dispatch received calls that a security officer was shot and the suspect ran outside from Macy's. I parked at the west door of Macy's and got my patrol rifle. Officer Kettering and I were about to go inside when we heard the suspect was near Dave and Buster's. Officer Shofner advised an officer was shot and the suspect was near the Dave and Buster's dumpster on the north side so I got back in my vehicle and went to that location.

I observed Officer Shofner with his rifle pointed at the suspect. I observed the suspect sitting with his legs out, arms to his sides, face down with is hoody over his head. I could see a large amount of blood on the suspect's sweatshirt. The suspect was shaking but was not making any movements. I did not see a weapon near the suspect. Several officers were onscene so I went back to Macy's to assist the victims. As I arrived, Sgt. Powell said he was with a victim on the escalator and needed assistance. I grabbed my trauma kit for first aid. I went into Macy's from the west door and Corp. Orton was ahead of me.

I observed Sgt. Powell towards the top of the escalator next to a male subject that was face down and not moving. The three of us grabbed the male and moved him to the second floor to provide aid. The subject's clothing was cut off so we could look for wounds. I observed what appeared to be gunshot wounds to the subject's right arm between his wrist and elbow, inside of the right chest, two to the back shoulder, one to the right cheek and one to the upper right head.

A chest seal was placed to the wound on the inside of the right chest. Corp. Orton provided chest compressions and I applied pressure to the chest seal. The subject appeared to be agonal breathing and was not responding. When Fire arrived, they used the AED and advised they had a pulse so we continued CPR. EMS ultimately arrived and the subject was transported to St. Al's for treatment.

There was a cell phone that was on the escalator when I arrived that was picked up by an unknown person and moved to the second floor next to us. There was another cell phone that had a Baltimore Ravens case that was on the ground near the north entrance/exit to Macy's. The phone was picked up by a fire fighter and given to me. I gave the phone to Det. Canfield. I observed multiple rounds that broke the glass railings on the escalator.

I remained onscene for scene security at the top of the escalator. I was cleared by Det. Iverson at 1849 hours.

Narrative

INITIAL RESPONSE/CONTACT: On the above date and time, I was working as a member of [REDACTED] when I was advised an active shooting was taking place in the Boise Town Square Mall. Once on scene, I placed on my gun belt and raid vest that obtained visible police markings. I then processed to link up with Det. [REDACTED] and [REDACTED] before entering the North entrance to Macy's. While in Macy's, I observed EMT's and Officers providing first aid to an adult male who was laying at the top of an escalator with injuries.

At this time, I was advised we would be searching all of Macy's before entering into the rest of the mall. Once Macy's was cleared of any suspects or victims, we exited Macy's and entered into the mall. While at the base of the escalator, I observed a white adult male who appeared to be deceased. When walking by the male, I observed he was wearing a security uniform and appeared to struck in the head by gun fire. As we bypassed the male's body, we began our search of the lower level of the Mall. [REDACTED] Cpl. Whipps and I formed a four man team and cleared multiple stores.

When entering stores, we located multiple innocence hiding in back storage rooms in the mall. After multiple hours of searching, Detectives [REDACTED] and I were tasked with securing the east side of the crime scene located outside of Macy's that involved the deceased security guard.

Once the Mall's interior was secured and the outer perimeter was set, I was relieved of my assignment. I then exited the mall and left the area.

NARRATIVE:

While assisti crime scene management and potentially related crime on 10/25/2021 Officers ed to N Milwaukee St. at 1636 hours when reported that a two-way radio and headset had been located outside the east doors of the business. was concerned that the radio and headset may possibly be related to the shooting at Boise Town Square Mall and requested that Boise Police respond and take custody of the item.

Officers arrived on scene and found the two way radio resting on a ledge of one of the pillars of the building, closest to the door, turned off with no radio traffic being transmitted. The associate radio head set was found south of the store entrance and smashed in the middle of the road as if it had been run over.

I took custody of the two way radio and headset and transported them to Ada County Property where they were booked as found property. A copy of this report will be routed to investigators with knowledge of the shooting at Boise Town Square Mall to determine if it is related to the case.

NARRATIVE:

On 10/25/2021 at 1457 hours I responded to 350 N Milwaukee St. Boise, ID to assist in processing the crime scene of the shooting that had taken place at Boise Town Square Mall. When I arrived on scene I was asked to assist in canvassing the area to locate damaged property from rounds fired by the suspect and officers responding to the scene. The canvas style search began on the north side of Dave and Buster's, proceeded east bound to the open parking lots of the Spirit Halloween store and Men's warehouse, then back towards the west where officers completed a full circle in the southern parking lot of the Dave and Busters.

During the canvas of the area, I did not locate any evidence or damaged property.

At 2055 hours I returned to the scene to relieve Officer Bonas for a quick break while blocking traffic on the west side of the Boise Town Square Mall at the exit/entrance near Cafe Ole. I remained in place blocking traffic without incident until Officer Bonas returned at 2124 hours and I cleared to assist in taking calls for service.

Narrative

INITIAL RESPONSE/CONTACT:

On the above date and time, I self-dispatched to an active shooter incident at the Boise Town Square. I arrived at the scene on Milwaukee Street just south of Emerald street. I was wearing plain clothes, so I put on my vest that identified me as Boise Police.

Officer Matheus advised me the shooter was "down" behind Dave and Busters, there was a victim in a white SUV in the turn lane on Milwaukee that had been shot in the eye, and there was an officer that was shot but was doing okay. Matheus was able to determine the shooter was shooting west towards Target. Officer Matheus and I began to search the Target parking lot to make sure a bullet from the suspect had not injured anyone at Target. After several minutes of searching, we could not locate any victims or any damage from a bullet.

I asked Detective Wigginton if he wanted me to go to the hospital and he said yes. I responded to the hospital and discovered that Officer Peterson was with a victim named [REDACTED]. [REDACTED] was the female in the white SUV on Milwaukee that was shot through the eye.

Detective Cameron was with Officer Dance and Officer Schofner in room 5 at Saint Alphonsus. No other victims or suspects were on scene at the time.

[REDACTED] approached me and identified herself as the hospital administrator in charge. [REDACTED] asked that I help her and stay with her to keep her updated, I agreed.

The next person to arrive at the hospital was the suspect, Jacob Bergquist. Officer Janicek was with Bergquist. When Bergquist came in I could see the left side of his head was open and what appeared to be brain matter coming from his head. I observed Officer Janicek stay with Bergquist and follow him into the trauma room.

VICTIM INTERVIEW [REDACTED]:

The next person who arrived was [REDACTED]. There was not an officer that was with [REDACTED] so I followe [REDACTED] into the trauma room. While I was in there, I collected [REDACTED] cloths and belongings and placed them into a bag. At 1444 hours Saint Alphonsus doctors declared [REDACTED] deceased. Saint Alphonsus staff took [REDACTED] body to room 29. While in room 29 I took photos of [REDACTED] and released [REDACTED] to the Ada County Corners office along wit [REDACTED] belongings. I observed a hole in the right side of his head and a large amount of blood from the right side of his chest. Saint Alphonsus advised me that [REDACTED] had a gunshot to the head and one to the chest.

VICTIM INTERVIEW [REDACTED] AND [REDACTED]

[REDACTED] does not speak English as she is a [REDACTED] Saint Alphonsus staff placed [REDACTED] and [REDACTED] in room 6 at Saint Alphonsus. After getting [REDACTED] and [REDACTED] information I contacted Officer Jessica Knarr and asked if she could respond to meet with [REDACTED] and [REDACTED]. Officer Knarr said she would also have an interpreter in route. When Office Knarr arrived, she took over the questioning of [REDACTED] and [REDACTED]. See Officer Knarr's report. I contacted Victim Witness Coordinator Kukla, and she arrived on scene to speak with [REDACTED] and [REDACTED].

VICTIM INTERVIEW [REDACTED]:

While I was on scene Saint Alphonsus staff advised me another victim had shown up at the hospital and his name was [REDACTED]. Saint Alphonsus staff escorted [REDACTED] to room 7 at Saint Alphonsus. I did not have an audio recorder with me so with Sargent Weir's permission, I used the recorder app on my department issued phone. I asked that Kukla come with me when I spoke with [REDACTED].

[REDACTED] said he worked at [REDACTED]. [REDACTED] said he was on lunch break and was on the lower level near the escalators. [REDACTED] said he heard three gunshots and saw the shooter near the front door. [REDACTED] said he could tell the shooter was a white male and described him as skinny but could not remember what he was wearing. [REDACTED] was able to see the shooter shooting a pistol and could tell it was not a revolver but a semi automatic. [REDACTED] said he was scared and began running through the mall. [REDACTED] said when he was near Victoria Secret, he fell into one of the displays in the middle of the walkway in the mall. [REDACTED] received a laceration to the top of his head and bruising to his arm and chest. I took photos of [REDACTED] njuries and have attached them to this report.

VICTIM INTERVIEW [REDACTED]:

Office Peterson was with [REDACTED] for most of the evening. Sergeant Weir advised me I did not need to interview [REDACTED] because the Critical Incident Task Force interviewed her. Sergeant Weir did ask that I take photos o [REDACTED] which I did and uploaded to this report.

Narrative

INITIAL RESPONSE/CONTACT: I was on bicycle patrol on this date and sitting at the Downtown Police station when I heard a call on the radio of shots fired at the mall. Officer Zimmer was in the Downtown Station with me when the call was broadcast. Both Officer Zimmer and I ran to our marked patrol car and drove to the Boise Town Square mall. As Officer Zimmer drove I monitored the radio and we ultimately ended up outside of the Macy's store on the west side entrance. I grabbed an emergency medical kit from the car, got out and ran to the entrance where I immediately teamed up with officers from several agencies to do a search of Macy's.

We searched the lower floor of Macy's one time for victim's and suspects. At some point during the search we were al called to a common area where we formed one search team. The large search team was instructed to start at one point and perform a slow and methodical search of the store. As we moved from one end of the store to another we searched. About mid-store members came to a locked door for which we did not have a code to open. Someone instructed several of us near the door to kick open the door and go inside. I kicked the door twice with my left foot and it did not open. I then turned away from the door and kicked it with my right foot, smashing open the door. The door was near 'The Finish Line' clothing area. As the door opened I stepped out of the way to allow officers to enter.

After clearing the lower level of Macy's we were instructed to meet at the central court, lower level. Eventually I was assigned to the upper level near the center stairs. I stood and walked around the area. On a couple of occasions I assisted civilians who were being evacuated by pointing them down the stairs and to Officer Orton. I remained in this upper central area until dismissed.

INITIAL RESPONSE/CONTACT:

On 10-25-2021 I was working while assigned to the bicycle patrol unit when officers were dispatched by emergency tones of a shooting at the Boise Town Square Mall. I was at the bike unit substation at the time of dispatch, and responded from there in a marked patrol vehicle, driving lights and sirens with Officer A. Johnson in the passenger seat. Just as we were leaving the substation it was reported by arriving officers that shots had been fired. We learned there were a number of officers with a suspect at this shooting scene and continued to respond to the Macy's store at the mall.

We arrived at the west entrance to the Macy's, as directed by Sgt. B. Powell who was inside at the top of escalators within Macy's. After learning Officers were inside with that victim, I remained at these doors to direct responding medical personnel into the victim. I was able to coordinate with other arriving officers exactly where to send the medics, and began staging officers to clear the Macy's (With a Garden City officer who had arrived) and witnesses (With an Ada County Deputy) outside of this door.

Boise Fire were the first to respond to this doorway, and I lead them up to a victim at the top of the escalator inside Macy's where I saw CPR was in progress with this victim. I could see broken glass along the escalators, apparently from gun shots. I then returned back outside.

Outside I met up with other responding officers to begin clearing the Macy's for other victims and suspects. As we began this search, Officer S. Schneider and I found two adult women hiding in racks of clothing near the changing rooms, closest to the west doors. Just down from this changing room, while with another officer we found an adult female hiding in a bathroom.

As I continued checking the store I saw an empty gun magazine and shell casings near the make-up counters. I notified Dispatch of this possible evidence.

I continued with searching the downstairs Macy's with a number of other officers. After completing this search, I was re-assigned to the upstairs of the mall to assist in locating more mall patrons that may still be hiding. I helped direct a number of families down the central stairs after they exited Build-A-Bear. I was also to assist after an announcement was made over the speakers, but after that didn't happen, tried knocking and announcing on a number of businesses with no response.

I was then re-assigned to the downstairs mall bathroom hallway (Near the Old Chicago entrance), where blood had been found. I stood by here until crime scene investigators arrived. There was an exterior door here that was not secure. While I was waiting, security secured the door. I was then cleared by

INITIAL RESPONSE/CONTACT:

After Officers were dispatched to the area for a "shots fired" call at the Boise Town Square, I went en route to the area to assist. I went to MOD pizza and got a perimeter assignment from CPT Ruffalo. My perimeter position was located at the BTS entrance at Cole/Denton. I remained at my post until properly relieved by Officer Pfau at 2126 hours.

I was asked to log any persons entering the parking lot to retrieve vehicles that were abandoned at the time of the incident.

At 2020 hours, [REDACTED] entered the BTS lot at my location in a passenger car Idaho plate [REDACTED] to retrieve her vehicle that was parked near Macy's.

At 2040 hours [REDACTED] entered BTS lot at my location in grey truck bearing Idaho plate [REDACTED] to retrieve her car parked near Old Chicago.

At 2057 hours [REDACTED] entered BTS lot at my location in w white passenger car bearing Idaho plate [REDACTED] to retrieve his vehicle near Cheescake Factory.

That is the end of my involvement with this incident.

INITIAL RESPONSE/CONTACT: On 10-25-2021 I responded to the are of the Boise Towne Square Mall for a report of an active shooter. While on the north side of Macy's upper parking lot I heard over the radio a unit had found the suspect located behind the Dave and Busters location. I responded to the location and helped put up crime scene tape to secure the area.

After completing putting up crime scene tape I was handed Officer Dances body camera by LT Witmuss to secure in my vehicle. I took possession of the camera and placed it into my vehicle where I locked it in the side tool box. I was then asked to take over the crime scene log which I had until I was relieved by CSS Deforest at approximately 6:00 PM.

I turned over Officer Dances body camera to one of the Meridian Detectives and Captain Stokes of Meridian PD who was involved with the Critical Incident Task Force.

INITIAL RESPONSE/CONTACT:

I am currently assigned to the Community Outreach Division as the Refugee Liaison Officer. On October 25, 2021 I responded to the area of the Boise Town Square Mall just after 1400 hours reference an active shooter call for service. When I arrived to the area a partial crime scene on Milwaukee had been secured and additional officers were responding to the Macy's mall entrance to assist there.

While in the Target parking lot I was approached by [REDACTED] [REDACTED] told me that she had observed a man running through the Red Lobster parking lot just before she pulled into the Target parking lot and heard gunshots. She was not sure if it was related but relayed what she observed to me.

While driving past the Olive Garden to exit the mall she observed a male adult running northbound through the parking lot towards Red Lobster. She noted that he was a white male adult, younger, possibly late 20s. She described him as having a "skinny" build and average height. She observed him wearing a black jacket, black backpack, glasses and pants, she recalled that his hair was very short. [REDACTED] had observed the subject then pulled into the Target parking lot. [REDACTED] heard the gunshots and turned around to see the police car door open. She did not observe the confrontation with police and the subject.

INITIAL RESPONSE/CONTACT

On October 25, 2021 at approximately 1350 hours I was working as a single-officer, plain clothes specialty unit. I was wearing a black tactical vest emblazoned with the word "Police" on the front and back and a Boise Police Department officer's badge affixed to the front. I was driving an unmarked BPD vehicle equipped with low profile emergency lights and a siren. ACSO Dispatch toned out an active shooter at 350 N Milwaukee St (Boise Towne Square Mall), Boise, ID 83704. I self-assigned and arrived on-scene.

BPD Officer Kettering and I linked up in the lower level of the Macy's department store. We exited the store into the main concourse of the mall and found an unresponsive subject wearing a mall security officer's uniform laying on their back. There was a large puddle of blood/viscous fluid next to their head near the escalators. Officer Kettering conducted a pulse check and found nothing. I could see a large wound on their head and the injuries appeared consistent with severe trauma to it. I took photos and a video of the scene to preserve as evidence (see attached). The security officer's boots were partially off, their pants were undone and around their hips. [REDACTED] a mall employee, was standing near the body and said that he found them after the shooting.

Officer Kettering left and continued clearing the mall. I stayed with the body to preserve the crime scene and started a crime scene log. Boise Fire Department Engine 7 personnel responded to the scene shortly after Officer Kettering left. They conducted a life check and stated the security officer was deceased. The crime scene log was left with BPD Officer Poole at 1910 hours at my relief.

INVOLVED PERSONS/RELATIONSHIP(S)

[REDACTED] - possible witness, found security guard on scene

INJURIES (VICTIM & SUSPECT)

The mall security guard suffered severe trauma to their head. They were not conscious and not breathing with no pulse when we arrived on-scene.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS

Photos uploaded. While performing duties at the scene I also canvassed social media as part of my intelligence duties. While checking social media I found several posts of the same video from inside the mall during the shooting. The video only has the sound of gunshots. The Instagram account of [REDACTED] posted that video and also a photo of the downed security guard with a subject next to them.

CONCLUSION

I responded to the scene of the active shooter and helped secure it. While clearing the mall I discovered a security officer that was unconscious, not breathing, with no pulse. I secured the crime scene and did not leave until relieved of my duties.

Narrative**INITIAL RESPONSE/CONTACT:**

On October 25, 2021 at approximately 1730 hours I was on a uniformed assignment as a Neighborhood Contact Officer when I was instructed to respond to the Boise Towne Square mall and check in with the Command Post reference this incident. AFC Ryan Thueson instructed me to standby in case I was needed to assist with a perimeter position.

A short time later, I was listening to my police radio when Officer [REDACTED] called for an assist, on the east side of the mall near the Dillard's entrance. I responded and assisted Officer [REDACTED] with an individual who had entered and exited the mall. (See Officer [REDACTED] supplement for suspect identification).

I stood by as Officer [REDACTED] made contact with the suspect. Officer [REDACTED] conducted a voluntary pat down of the suspect. Officer [REDACTED] then had the suspect sit down on the curb. I noticed a black backpack next to the suspect. Suspect gave Officer [REDACTED] verbal consent to search his back pack for any weapons. Suspect stated that the backpack contained clothing items and an empty phone box. I looked inside the backpack and observed several clothing items and an empty Iphone box.

Suspect was later released by Officer [REDACTED]

INITIAL RESPONSE/CONTACT:

On the above date and time, I was working as neighborhood contact officer for the Boise Police Department. During this time, I responded to the call of a shooting at the Boise Towne Square mall. While en-route I was advised that shots had been fired just north of the Dave and Busters, and that the suspect was laying down behind a dumpster. When I arrived on scene, I saw a several officers handcuffing a subject behind the dumpster. After he was handcuffed, I assisted Officer T. Cooper with first aid to the subject. It appeared to me that the subject had a bullet hole that went through his head, and another possible gunshot wound in his buttocks. Officer D. [REDACTED] who was on scene, provided us with a first aid kit, and Officer Cooper and I began to bandage the subject's head. As this was being done paramedics arrived on scene and took over first aid. Before they medics placed the subject on the gurney Officer Cooper cut the subjects jacket and I helped him strip the jacket off. The paramedics then loaded the subject into their ambulance and transported him.

During this time, I heard officers asking for assistance in checking the Macy's for victims and any other possible suspects. I then drove to the Macy's and entered the lower-level northwest door. We were asked by Sgt. Rush to break up in teams and search the building. I assisted searching the northern part of the lower level, and then was tasked with helping search the upper level. I helped check the upper level twice. The second check was done very methodically, so we could look for evidence and any possible victims that could be hiding and or hurt. After our search at Macy's, we were asked to assist other officers with the rest of the mall. I was assigned to the northeast wing of the mall by Dillard's. While standing there I was asked by officers to help assist with a search of Dillard's itself. I then joined a team comprised of Boise PD and the ATF. After finishing the search of Dillard's, I returned to my post in the hall.

Eventually we were asked to try and contact anyone left in the store in our assigned areas. I checked every hallway and store in the Dillard's corridor. We did not contact any persons.

Several stores were shut down, but we attempted to make contact in the front and rear of the stores. We eventually cleared the mall, and I was placed on the perimeter of the mall by the front entrance until I was relieved at 1930hours

INITIAL RESPONSE/CONTACT:

On 10-25-21I responded to an active shooter at 350 N. Milwaukee, in the City of Boise. I entered into the parking lot of Zupa's Cafe on Emerald St. after hearing Officer Shofner advise over the radio that he was in contact with the shooter and additional shots were fired. After hearing that an Officer was shot, I exited my patrol vehicle to see officer T. Cooper was pulling Officer C. Dance northbound to the Zupa's parking lot and was evaluating his injuries. I noted that Officer Dance had facial lacerations and was dripping blood from his left eyelid, stating that it felt like glass in his eye. He stated that it felt like he got shot in the right shoulder but Officer Cooper did not see any additional injuries as we removed his ballistic vest and he pulled up his shirt.

As Medics arrived Officer Dance was able to stand on his own and sat on the bed to be transported to the hospital. The attending medic removed Officer Dance's duty belt, and grabbed his vest that I had placed onto the bed for transport, handing all of his duty equipment to me stating that they would not take it into the hospital. Sgt. Nielsen directed me to place Officer Dance's duty gear back in front of a parked car where he had been triaged for evidence collection.

I saw movement in a Honda minivan next to where Officer Dance had been moved by Officer Cooper so I opened the driver's door to find [REDACTED] shaking uncontrollably and barely able to speak. [REDACTED] stated that she had just gotten into her van from having lunch with family when someone ran through the alley and began shooting. [REDACTED] as so scared that she crouched on the floorboard of her van and called her family to return. She estimated that she heard 12 rounds fired but could not provide any

physical description. I took a photo of [REDACTED] and walked her across the parking lot to the northside of Emerald to her awaiting family members. Her van was left in the parking lot for several hours and later retrieved by her family.

Officer Presnell began the crime scene log for the inner perimeter, which included Officer Shofner's vehicle and the south end of Mod Pizza parking lot, extending to the northwest corner of Dave and Buster's building and all of the vehicles remaining in the alley. I was notified that there was a female on a smoke break in the alley just east of Officer Shofner's Car. I met with [REDACTED] [REDACTED] stated that she was vaping in the south alley of the strip mall, north of Dave and Buster's when she saw a white male adult, 6 feet tall, skinny, wearing a black hoodie and black pant run into the alley. That skinny male then threw his arm out, yelled something, and she heard 7 shots. [REDACTED] ran back into the store where her coworker, [REDACTED] heard the same thing. [REDACTED] stated that they locked the doors to the store and sheltered in place until I arrived to give them the all clear.

I remained on scene until Officer T. Schneider arrived and took control of the inner perimeter. I was cleared from the scene.

Narrative

INITIAL RESPONSE/CONTACT:

On 10/25/2021, at 1351 hours, I responded to a reported shooting at Boise Town Square Mall, 350 N. Milwaukee St. Additional information from dispatch was that a security guard was down inside the Macy's in the mall and multiple shots had been fired.

While en route to the call, an Officer put out that they thought they had the suspect near Dave & Busters, they then put out that shots had been fired. The majority of resources dispatched to the call redirected to assist with the shooting situation involving the Officer. While I was almost on scene, Sgt Nielson put over the air that the suspect was down. During this time, Sgt Powell had advised that he was inside the Macy's and that he needed paramedics and more help for a victim who he stated was in "bad shape." I immediately responded to the west entrance of Macy's and parked just outside of the west side doors. I grabbed my department issued I.F.A.C. medical kit and immediately entered Macy's.

Once inside, I observed Sgt. Powell approximately 3/4 of the way up the escalator attending to a shooting victim who was laying face down. The glass railings to the escalator had numerous bullet holes in them and as I approached the victim, he was agonal breathing and appeared to be critical. During this time, Officer Gibson arrived on scene. I advised Powell that we needed to move the victim to flat ground and advised officer Gibson to get the scissors out of the medical kit. Sgt. Powell and I then each grabbed a victims arm and pulled him the rest of the way up the escalator and onto flat ground. As we were doing this, I handed Powell some scissors and told him to start cutting off the victim's clothing so that we could assess his injuries. I then grabbed the scissors from Powell and continued to cut off the victims shirt. While doing this I observed a gun shot wound to the victim's right temple. I advised Powell to put pressure on the wound with a towel that someone had brought over from Macy's. As I assessed the victim's injuries, I observed another gun shot wound under his right armpit. I advised Officer Gibson to get me a chest seal so that I could apply it. During this time, the victim lost his pulse. I started to perform CPR chest compressions until Gibson was able to get me a chest seal. I briefly stopped compressions and wiped off the blood from the victim's chest so that the chest seal would stick. I then applied the chest seal and continued with chest compressions. As I was applying the chest compressions, I could feel the victims sternum area cracking, due to my training and experience I felt that the bullet had shattered some of his ribs upon entry. As I was still performing compressions the chest seal started to lose its seal due to the large amount of blood. I had Gibson hold the seal intact as we continued to render medical aid. Several minutes later, fire arrived on scene. the victim had briefly regained a pulse and started aspirating through his mouth. I asked Gibson if we had a pharyngeal breathing tube and we did not. Upon fire's arrival, I advised them of the patients status and advised them that we needed to clear the victims airway. Fire then inserted a breathing tube into the victim's mouth and took over lifesaving measures.

During this time, I was also directing responding resources to set up security, escort paramedics in and then ultimately conduct a hasty clear on the upper level of Macy's.

Once Fire had taken over, I advised dispatch to have an ambulance to meet us on the upper level, north side doors, so that we did not have to transport the victim down the escalator and through the store. I was advised that the doors were locked so I located a key from an employee and unlocked the doors. As I was doing this, a C.S.S. pull up on scene. I advised him to watch the door and guide in paramedics upon their arrival.

I then again began to focus on getting Macy's cleared in order to search for more victim's. Detective B. Jones had arrived on scene and was conducting several quick witness interviews. I asked him if he could go to the security office and link up with security so that we could review the video in hopes to identify if there was more than one shooter and/or more unknown victims. I continued to direct responding resources to continue the search of the upper floor. During this time, I was also communicating with Sgt. Rush who was coordinating the search on the lower floor. I then unplugged from the search operation and began to asses how many victims that we had on scene. I attempted to contact the command post in order to advise them of an injury situation report.

Once the hasty search was conducted, we had adequate resources on scene in order to conduct a more thorough search. Sgt Rush coordinated that response and I made contact with a store manager [REDACTED] so that we could have key/code access to some locked doors on site. I escorted [REDACTED] to several locations inside Macy's at the request of the search team to the areas that they could not clear due to them being secured.

Once Macy's was secured, Sgt Rush and I began to coordinate the search of the rest of the mall. We designated numerous search teams to clear the stores, searching for more victim's. Once the hasty clear of the mall was complete, we continued to get reports of people who had barricaded/hidden themselves in certain areas within the mall. We then came up with a plan to place 3 to 4 man teams at each major control point within the mall. (upper and lower levels) We then designated a collection point, at the center court of the mall where we could consolidate the innocents and cover them in place. Once at the collection point, we planned on documenting and evacuating them through the Apple store and out the north side exit doors. Once this plan was in place, we attempted to make an announcement over the Mall's intercom system and inform anyone in hiding, that the scene was safe and to come out into the main walkway area so that we could direct them to the collection point. This plan was unsuccessful due to the fact that the intercom system at the mall was not functioning. We then elected to have the search teams resume the store to store search and to make verbal announcements into every store.

We were able to evacuate approximate 30 more people by doing this. Upon the completion of the search, I held security on the eastern part of the crime scene perimeter until I was relieved by Sgt Powell.

INITIAL RESPONSE/CONTACT:

On October 25th, 2021 I responded to the Boise Town Square Mall to assist with a shots fired call. Upon arrival, I was assigned to conduct traffic control at Franklin and Milwaukee St. Boise, ID. My traffic position prevented vehicles from traveling northbound from Franklin on Milwaukee. At approximately 19:30 hours, I was instructed to break down my traffic control position, open the road, and report back to the Command Post. Upon arrival, I was instructed to relieve Officer Janicek at St. Alphonsus in the ICU, and supervise the suspect, Jacob Berquist. Upon arrival at approximately 20:00 hours, Officer Janicek advised me that Cpl. Kinnamen with Meridian PD had come and collected the suspects property. I was advised to provide Det. Wirshing with updates of the suspects status. During my watch the suspect was unresponsive and made no statements. At approximately 04:00 hours, Officer Vickhammer responded, and relieved me at the hospital. I provided him with information regarding the hospital watch and cleared. No further action taken.

Narrative

On this date at approx. 1355hrs, I was leaving MSP when a call was broadcast for a shooting at the Boise Towne Square Mall. Dispatch stated a security guard had been shot by a male. While en-route I heard an Officer say they had a possible suspect behind the Dave and Busters near the southeast corner of Emerald/Milwaukee. I then heard "shots fired" over the radio.

As I turned south on Milwaukee from Emerald I observed a patrol car in the parking lot behind the Mod Pizza. I turned in the parking lot entrance between Dave and Buster and Mod Pizza. As I looked east and drove south in the alley I saw another patrol car stopped approx. halfway down the alley behind Dave and Busters with two Officers (later discovered by me to be Officers Shofner and Dance) on the driver's side of the vehicle. I also observed a person slumped against the wall of the building behind two dumpsters with the patrol car/dumpsters separating the Officers from the subject. I stopped and dropped my motorcycle using it for cover, with the Officers at the patrol car and I forming an "L" on the subject. I could see the subject was dressed all in black with his head/upper back against the wall and his hands appearing to be in his lap. I did not see him move at any time.

An Ada County Unit soon arrived and he moved his vehicle in front of my position to provide more cover and other Officers arrived to form a team. As more Officers arrived a team was formed by Officers at Dance's vehicle, by the dumpsters, and contact was made by them to secure the subject.

I then noticed there was a commotion on Milwaukee behind us and Officer Matheus went to investigate with other Officers. I later found out a female driving by in a white Ford Explorer had been struck by one of the rounds fired.

I began securing the scene with crime tape.

I noticed several items on the ground. There was shattered glass on the ground by where I placed by motorcycle. Approx. halfway between my location and the downed subject I observed sunglasses and what appeared to be a Glock magazine on the ground. Later, the ambulance drove through the scene and ran over the sunglasses. Det. [REDACTED] used several cones to protect evidence. When Det. Wigington and I were walking through the area later; he noticed a spent round on the ground. This was marked with a cone.

I then provided security for the northwest side of Dave and Busters as my motorcycle was within the inner perimeter. After the scene was documented I was released.

No further action taken.

INITIAL RESPONSE/CONTACT:

I responded to assist on the call for shots fired at the Boise Town Square Mall. I initially responded to Milwaukee and Emerald to assist. Initially I began checking the parking lot of Target off Milwaukee for possible evidence of a bullet or fragments. I did not locate anything of evidentiary value. I later responded to the west entrance of Macy's to conduct witness interviews.

I met with [REDACTED]. [REDACTED] told me that he was in "MAC" area at Macy's which is where women's shoes and the women's clothing combine together. He said he initially heard one gunshot and when he turned to look, he saw a man standing beside the escalators outside Macy's on the downstairs level of the mall. He said he saw the security guard go down and then saw a man he described as in his late 20's, a shaved head, thin build, wearing a black hoodie with a white emblem on the front, and had glasses. He said he saw the gun which he described as black with a chrome barrel and semi-automatic. [REDACTED] said the suspect was randomly shooting toward the air and shot 8-9 rounds. He said he thought he heard the suspect reload the gun and then heard about 4 to 6 more shots. He said the suspect walked through Macy's shooting randomly up into the air, shooting at the escalator.

I also met with [REDACTED] who was inside the store shopping at the time. She was on the escalator inside Macy's going down when she heard the gunshots. She said she tried to run up the escalator but then laid down on the stairs, and the suspect began shooting at the escalators inside Macy's. She saw the male suspect and said he was a tall white guy in his late 20's wearing some kind of black vest with

INITIAL RESPONSE/CONTACT:

On 10/25/2021 at approximately 1351 hours Officer Peterson and I were at Intermountain Hospital, within a mile of the Boise Towne Square Mall, when a shots fired call came out at the mall. Officer Peterson and I responded to the mall coming from Cole and Westpark. We were given an update the suspect was near Dave and Buster's restaurant, which is closer to Milwaukee and Emerald. Officer Peterson drove us westbound through the mall parking lot toward Dave and Buster's. We were given an update shots were fired and they were now on the north side of the restaurant.

We came to the North from the west side of the building and stopped at the northwest corner of the Dave and Buster's building. We saw a motorcycle officer (Sgt. Konvalinka) proned out behind his motorcycle facing the East. I moved to his side and asked Ada County Sgt. Richardson to move his police SUV to get us more cover; a person wearing all black clothing was laying down behind a trash dumpster about 100 yards from where we were. There was a direct view from our position of the subject on the ground. Officers that were on the other side of the dumpsters moved forward and took the subject into custody.

While doing that, [REDACTED] a [REDACTED] came over to us to tell us a female was shot and was in her car on Milwaukee. Officer Peterson and I went to the injured female and rendered aid to her. The injured female, who I only know as [REDACTED], was sitting in a white SUV. There appeared to be a bullet hole in the front passenger window and one in the driver's window. Fearing the bullet went through the victim in the car and then out the window toward the Target parking lot. Detective Cromwell and I then went to the Target parking lot and did a sweep of the parking lot for any injured people. We did not see any injured people. I held the scene of the white SUV with Corporal Baughman. Once we were relieved by CITF personnel, I stayed on location until relieved.

Narrative

On the above date and time, I responded to a shooting call at the Boise Mall. I was at the corner of Milwaukee and Emerald when the call came out. I responded lights and sirens to the west entrance the Macy's. As I arrived multiple people were running from the building and telling me someone was shooting. I asked them were but they were unable to tell me anything more. I pulled my department issued rifle from my car and met with OFC Gibson at the west entrance. At this time radio communication indicated the suspect had run toward the Dave and Busters directly behind me. I entered my patrol vehicle and headed in that direction.

As I arrived at the Dave and Busters location, I observed multiple officers on scene. Due to the number of officers there I began moving back to the Mall. As I was leaving, I observed officers with a woman in a car near the intersection of Milwaukee and Emerald. The woman had what looked like a gunshot wound in her face. As I grabbed my trauma kit from my car, I observed a fire engine pulling up and directed them to the woman. After fire began treatment with her I returned to my vehicle to get back to the mall. I entered the west Macy mall doors and began searching the lower level.

I met with OFC Ellison on the lower level near the interior west Macy entrance. OFC Ellison and I observed a Mall Security Guard laying on the floor with blood coming from his head. After putting on gloves, I checked the guards pulse on his neck but could feel nothing. I observed through my training and experience the security guard was obviously dead and beyond help. OFC Elison stayed with the body while I continued to search.

I met with OFC Young near on the lower level of the Macy's and began searching with him. During our search we found multiple people hiding in closets and rooms. We directed them out of the building while we continued our search. During the search I heard via radio traffic that someone was hiding behind a makeup counter with a gunshot wound. I began searching the makeup counters and rooms. I observed blood behind a counter and began checking the area. I could hear people behind the door and I announced myself as police. After hearing multiple police calls from officers the people opened the door. I observed 3 women in the room, one laying on the ground with a gunshot wound. A sheriff deputy and I began administering aid via my gunshot trauma kit. Before the deputy could get the tourniquet on EMS and fire arrived to take over care. I escorted the other people out of the room. One of the females I escorted out was leaning to one side and I had medics check her. The medics told me she had a graze wound on her side but she would be ok to leave. I escorted her out the front door to waiting medics. I then returned to the building and began searching again with officers.

Narrative

INITIAL RESPONSE/CONTACT: On 10/25/2021 at around 1351hrs while working uniformed patrol, I was dispatched to the report of shots fired at the Boise Town Square mall (Incident 21-0321223. Note: This incident was merged into 21-0321222). Dispatch notes informed me that there were shots fired inside the mall and the suspect was running out of the mall into the parking lot.

Radio traffic informed that the suspect was somewhere in the area of Dave and Busters, possibly on the north side of Dave and Busters. I approached from Emerald and Milwaukee and parked my patrol vehicle in the parking lot of Zupa's. I ran south through the parking lot toward Dave and Busters. As I approached that last known area of the suspect, I saw Ofc. Dance injured and sitting on the ground near a dark colored Mazda. Ofc. Dance was being aided by another officer so I ran past him to where I saw a arrest team forming. As I approached the group of officers, I saw the suspect wearing dark clothing laying on the ground near some dumpsters at the back doors of Dave and Busters. After a short while, the arrest team moved up and separated a firearm from the suspect. The suspect appeared to be still capable of movement and so I secured the suspect in handcuffs and then rolled him on his side. I then rolled the suspect onto his back at the request of another officer so we could better complete a trauma assessment. From my position, I scanned the bottom half of the suspect for additional injuries or weapons. It appeared to me that there were no additional wounds from the waist down and I did not detect any additional weapons.

I heard other officers call for medics for the suspect once the scene was safe. I stayed in the area and helped secure the scene and assisted investigating officers.

CONCLUSION: Route with main report.

Narrative

The following is a supplemental report to the original.

On Monday, October 25, 2021, about 1523 I responded to the area of Dave and Busters located at 546 N Milwaukee St. in Boise. Officer Shofner and Officer Dance responded to a report of a shooting at the Macy's located at 350 N Milwaukee Street. Officer Shofner and Officer Dance contacted the suspect near the west side of Dave and Busters.

The suspect shot at the Officers when they attempted contact then fled to the alley on the north side of Dave and Busters and was believed to be behind a large dumpster located there.

I deployed my department issued AR-15 and met with other Officers who were on scene at that location. The suspect was dressed in all black and was seated up against a wall on the north side of the building behind the above mentioned dumpster. The suspects face appeared to be covered in blood. As Officer moved up to detain the suspect, a semi-automatic pistol was located near his left leg. The firearm was moved away from the suspect and he was detained in handcuffs.

I maintained security over the firearm until I was relieved by Detectives.

I was then directed to maintain scene security on the east side of the alley way of the north wall of Dave and Busters.

About 1930 hours, Officer Logsdon took over scene security at my location.

Nothing further.

Narrative

On October 25, 2021, I was working my normal assignment of uniformed patrol in a marked Boise Police Department vehicle. I responded to the shooting at Boise Towne Square Mall. When I arrived on scene, I saw individuals down on the ground near a blue dumpster north of Dave & Buster's. Sgt. Kovalinka had a roll of crime scene tape. He and I set up crime scene tape around the area near where the individuals were down.

A short time later, someone on the radio asked for more officers to respond to Macy's to assist with clearing Macy's. I went to that location. Along with other officers, I cleared part of the first floor. I then went up the escalators to the second floor. Along with other officers, I helped clear the second floor twice. While clearing, we were looking for blood on the floor; possible additional suspects; and possible additional victims. I did not locate any people or see any signs of injury (blood spatter, etc.)

I then went and stood in a different part of the mall. I waited for announcements directing people to come out of hiding to be made over the public announcement system. This never happened. Most of the store fronts were secured at this point. Along with other officers, I went store to store calling out to let people know that it was safe for them to come out. I did not see anyone in any of the stores or hallways I checked.

Narrative

On 10/25/21 at approximately 1350 hours, Officer Matheus and I were operating as a two person tac unit. We were handling a call at 303 N Allumbaugh when we heard a shooting call toned out. Officer Matheus and I immediately responded to our patrol vehicle to go en route to the shooting call. When we got to our patrol vehicle, we saw on the call screen that a security guard had been shot, and the suspect had fled the area of Macys.

We responded code 3 to the area of the mall, entering the mall parking lot on the east side off of Cole Rd. As we were driving towards the west side of the mall, I heard an officer I believed to be Officer Shofner say the suspect was near Dave and Busters, and then he said there were shots fired. Officer Matheus and I responded to the north side of Dave and Busters where we observed Sgt. Konvalinka training his attention to the east. When we exited the vehicle, I drew my firearm and I observed what appeared to be a male subject laying on the ground with his head near the building. The male was wearing all black, including a black hoodie. There were more officers coming into the area from the northeast and they appeared to be making a plan to take the suspect into custody.

While the team of officers were taking the suspect into custody, I heard a male yelling "officers" from behind us. I turned around and a male subject told me there was someone shot in the direction of Milwaukee. I ran with the male to the middle of Milwaukee, just south of Emerald. I went to a white Ford Explorer in the middle of the road where I contacted [REDACTED] in the driver's seat. [REDACTED] had blood all over her face, neck, hands, and clothing. I also observed what appeared to be a bullet hole in the passenger side window, as well as a single bullet hole in the driver's side window. [REDACTED] was talking to someone on her phone, giving them updates on her condition. I asked [REDACTED] where she was hit, and she said she didn't know. [REDACTED] left eye was closed and very swollen. I started to look around on [REDACTED] for any injuries, and I saw an injury to the right side of her face. It appeared to be a bullet wound with something sticking out of it. I thought the material sticking out was either bone, or bullet fragment.

An ambulance had been requested to come to our location and arrived a minute or two later. Fire and EMS took over care of [REDACTED] Officer Matheus and I spoke about the need to go to the west towards Target to make sure nobody else was injured as the bullet appeared to have passed

through [REDACTED] vehicle. Officer Matheus and Detective Cromwell responded to that area to check for potential victims. I asked Corporal Baughman to stay with [REDACTED] vehicle to secure the crime scene. I grabbed [REDACTED] phone, and got into the ambulance to ride to the hospital with her. Upon arrival, [REDACTED] went into the trauma room where she was first treated. Hospital staff removed [REDACTED] clothing by taking some of it off, and cutting other pieces off of her. I collected all of [REDACTED] clothing, as well as her purse and her phone. [REDACTED] said she had her wallet, medical cards, and approximately \$1,000 in her purse. [REDACTED] purse was released back to her, but her clothing and phone were taken as evidence. CSS Deforest responded to the hospital and took possession of [REDACTED] clothing and phone. Prior to giving [REDACTED] her purse back, CSS Deforest counted the money in [REDACTED] purse as I witnessed and recorded it. He counted \$1,210 dollars in various denominations. The money was secured back in [REDACTED] purse.

Prior to leaving the hospital after CITF spoke to [REDACTED] I explained the Saint Alphonsus request for medical records form. [REDACTED] gave permission for Boise Police to obtain her medical records and signed the form. [REDACTED] was being seen by multiple doctors to come up with a plan to remove the bullet fragment in her cheek, and treat her eye which was injured by glass from the car window. The medical release form was transported to the Boise Police Department and placed into records.

Narrative

INITIAL RESPONSE/CONTACT: On 25 October at approximately 1420 hours, I was dispatched to a CSS photo request and evidence collection at St. Alphonsus Hospital, 1055 N. Curtis Rd.

INVOLVED PERSONS/RELATIONSHIP(S):

VICTIM INTERVIEW:

Upon arriving on scene, I met Sergeant Weir who wanted me to collect clothing from victim [REDACTED] and victim [REDACTED]

I observed clothing in two plastic bags belonging to [REDACTED] in room 15 of the emergency room. I observed what appeared to be blood on [REDACTED] iPhone (Item 6ED), a gray sweater (Item 7ED), gray sweatshirt (Item 8ED), tan bra (Item 9ED), and a pair of blue jeans (Item 10ED). I also observed a yellow colored necklace and earrings (Item 5ED), Cushion shoes (Item 3ED), gray socks (Item 4ED), and women's underwear (Item 11ED). I took several overview photos. I submitted all items in BPD Dryer #3 to dry.

I also observed a driver's license (Item 12ED) belonging to the [REDACTED] in one of the plastic bags while I was processing the rest of her clothing items for the dryer. I took an overview photo of the license. I submitted her driver's license at Property for safe keeping for [REDACTED]

I observed a black purse containing several credit cards, \$1,210 cash, and other miscellaneous items, which belonged to [REDACTED]. I counted the cash with Officer Nicholls. I took several overview photos. I completed a property invoice and returned all items (Item 1ED-2ED) back to [REDACTED]

I observed a pair of black Calvin Klein pants (Item 14ED) and a red sweater (Item 15ED) belonging to victim [REDACTED] in room 6 of the emergency room. I observed a gray pair of slip-on shoes (Item 13ED) with [REDACTED] clothing. [REDACTED] told me the shoes she was wearing belongs to her [REDACTED]. I took several overview photos. I submitted items 14ED-15ED in BPD Dryer #2 to dry. The shoes appeared to be dry and I submitted the item at Property as evidence.

At approximately 1800 hours, I relieved CSS Boynton behind the crime scene at Dave and Buster's. At approximately 1910 hours, I was relieved by CSO Brinton with the Meridian Police Department who retained the crime scene log.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS:

Returned Items 1ED-2ED to Debbie.

INITIAL RESPONSE/CONTACT:

I was at the Boise police station when I heard the shooting over the radio. I drove to the west side of the mall and made entry into Macy's lower level. I went up the escalator to the second floor where officers were performing CPR on [REDACTED]. I assisted officers with clearing the immediate area around the scene on the second floor of Macy's.

While doing this I observed two males standing in the clothing area next to where officers were working on [REDACTED]. I made contact with the two males identified by the Idaho ID as [REDACTED] and [REDACTED]. Both were friends of [REDACTED].

[REDACTED]:

[REDACTED] said they had came to Boise and were at the mall shopping. He said he was with four persons when they arrived at the mall. He said they did not have any altercations with anyone while shopping and

were taking the escalator to the second floor of Macy's.

[REDACTED] said he remembered his friend [REDACTED] in front of him and an unknown woman between him and [REDACTED]. [REDACTED] said his other friend [REDACTED] was in the back behind him as they went up the escalator. [REDACTED] said he started hearing gunshots and they ran to the top of the escalator. [REDACTED] said he did not see Bergquist, but did see a person on the ground outside the entrance of Macy's. He said he thought it was an employee.

[REDACTED] said [REDACTED] fell on the escalator behind him as the ran to the top of the escalator.

[REDACTED]:

[REDACTED] told me the same thing [REDACTED] did. They were on the escalator when someone stated shooting at them. They ran up the escalator. [REDACTED] also said he did not see the Bergquist. [REDACTED] said [REDACTED] was their friend and had came to Boise with them.

Neither [REDACTED] or [REDACTED] said they saw the Bergquist shooting.

MALL SECURITY VIDEO:

[REDACTED] (Mall Security)

I contacted mall security to get video footage to see if there were more than one shooter. [REDACTED] was able to pull up the video of the initial interaction between the Bergquist and [REDACTED].

[REDACTED] had radioed to control he was contacting a person carrying a weapon. The video shows [REDACTED] contact the Bergquist just outside Macy's interior east doors. Bergquist is wearing white tennis shoes, a black jacket with a hood, black pants, and had on what looked like some kind of backpack. You could also see the gun on the left hip of the Bergquist. The contact appears to be cordial at first and nothing seems out of the ordinary. The Bergquist starts walking away and then turns and pulls his firearm from his left hip. Bergquist points the gun at [REDACTED] and begins firing.

Bergquist fires several times at point blank range hitting [REDACTED] who puts his hands up and then turns away from the Berquist as he is still firing. [REDACTED] falls to the ground. Berquist then fires several more times down the long main hallway of the mall at unknown targets.

Bergquist turns and runs into Macy's east interior entrance going west. As Bergquist enters Macy's, the video shows him raise his gun and begin firing at an upward angle in the direction [REDACTED] [REDACTED] and [REDACTED] were on the escalator at the time. Bergquist continues into Macy's were he leaves the view of the video.

I had mall security director [REDACTED] download the video from the time Bergquist is seen entering the mall to when he is seen the last time inside Macy's. The video was turned over to the Boise PD person crimes unit. I also booked one copy of the thumb drive into the Ada County property room.

I completed a word document of the timeline showing Bergquist inside the mall until he is seen going off video inside Macy's. I attached the timeline document to this report.

FEMALE ON VIDEO:

[REDACTED] with mall security contacted me a short time later and said he had found video of an unknown female removing items from the body of [REDACTED] [REDACTED] showed me the video.

The female comes down the upstairs escalator near [REDACTED] body. She picks up his glasses which had fallen off his head when he fell to the ground. She places the glasses on her head and then takes [REDACTED] arm and rolls him over onto his back. She then removes his radio and duty belt. She takes the mask off [REDACTED] face and removes both of his boots.

The female laid a jacket on the floor and put the items she removed from [REDACTED] onto the jacket. Unknown males confronted the female and she put the boots partially back on [REDACTED] feet. She then took the jacket with the other items she removed and walked east into the interior of the mall. The female went to the security office on the bottom floor and rummaged through the office. She left out the side door to the docking area near Old Chicago. The female is seen removing items of clothing and speaking to several mall employees. One of the mall employees takes the jacket with the items removed from [REDACTED]. The female and mall security walk out of camera view to the front of the mall.

I had [REDACTED] director of security for the mall, download video of Bergquist inside the mall. I also had him download video of the female removing items from [REDACTED] body. The video was turned over to Officer [REDACTED] who was working with the person crimes unit.

I made one copy of the video showing the female removing items from [REDACTED] and gave it to Chief Deputy Coroner Brett Harding.

CONCLUSION:

Narrative

INITIAL RESPONSE/CONTACT:

On October 26, 2021, at about 1440 hours, I responded to the Boise Town Square Mall, 350 N Milwaukee St, area to assist with a shots fired active shooter call. I was advised to respond to Mod Pizza, 600 N Milwaukee St, where a temporary command post was setup. Upon my arrival, I was asked to take Detective Cameron's vehicle to her at Saint Al's as she responded there via ambulance. The vehicle was parked in the northbound lane of travel on North Milwaukee Street just south of Emerald Street. I asked the crime scene investigators who were assigned to this area if the vehicle could be moved. They advised they needed to photograph it and then it could be moved. While waiting for this to happen, a Meridian Police Sergeant asked me to assist him in expanding the crime scene tape through the Target parking lot to cover the area that bullets may have traveled.

I assisted him in expanding the crime scene tape as well as looking at the exterior of the vehicles parked in the parking lot for damage that may have been caused by bullets or fragments of them. No vehicles were located with any damage consistent with bullet damage. We also looked at the face of the Target building. There were multiple spots that appeared to be possible damage to the building however, they were too high up the wall to be confirmed as damage or entry holes from a bullet. Also located was damage to the stucco on the face of the Noodles and Company, 535 N Milwaukee St , building which is just to the south of Target. This was also high up on the building.

These damaged areas were pointed out to the crime scene investigators. They requested a fire truck to respond to assist with getting someone up high enough to view the damage and determine if it was caused by a bullet or just damage to the concrete wall.

After completion of this, I entered the crime scene area and into Detective Cameron's vehicle to take it to her. The keys were not in the car so the vehicle could not be taken to her.

Around 1900 hours, I returned to the command post and was not given another assignment.

Narrative	
------------------	--

On 10/25/21 at around 1400 hours, I was working a traffic OHS grant on my day off. I heard a call for all available officers to respond to the Boise Towne Square Mall in reference to an active shooter. The request was for multiple officers for search teams to clear the mall and to respond to the Macy's. I responded. When on scene I joined multiple search teams and went through the mall and stores checking for unknown suspects and innocents who needed a safe escape. I was on scene till around 1800 hours until relieved by a supervisor Sergeant Rush.

INITIAL RESPONSE/CONTACT:

On 10/25/2021 I responded to the Boise Town Square Mall and receive/completed the following assignments.

1. Rove the Mall parking lot to ensure no unknown/unidentified individuals entered the secured perimeter.
2. Canvass the Mall for any bicycles possible left behind by the suspect.
* I canvassed starting at the Cheesecake Factory and worked counterclockwise until I met up with Ofc Thueson, who went the opposite direction. I did not locate any abandoned bicycles or bikes that matched the possible description of the suspects.
3. Relieved Cpl M. Walker at the west main Entrance to Macys to ensure no unknowns entered the Mall.

At 1230hours I was relieved by Ofc Gustin of my position.

INITIAL RESPONSE/CONTACT:

On 10/25/21 at around 1800hrs I responded to the area of the Boise Towne Square Mall. Upon arrival at the command post that was located in the parking lot of Petsmart I contacted the supervisor(s) on scene and advised that I was available for any assignment as there was a active shooter incident.

Ofc Evans then joined me in my unmarked police SUV. We advised that we were going to provide exterior security around the mall area while waiting for an assignment. Later Ofc Evans and I were requested at the front entrance to the mall where Ofc Evans was given an assignment.

I was then directed to drive to the area of Kohl's and the east lower entrance to assist Det [REDACTED] with security in that area. Later, the exterior doors to the mall were all secured and I was directed to be stationary in my vehicle in the northeast parking lot and continue to provide scene security as the entire area was a crime scene.

I provided scene security in the northeast parking lot until I was relieved at 2330hrs by Ofc Pollard. I was then cleared from the scene.

INITIAL RESPONSE/CONTACT:

On the above listed date and time I responded code 3 to shots fired call at the Boise Town Square Mall located at 350 N Milwaukee.

Officer Actions:

On arrival I went to the Macy's store and meet up with Officer Kettering. We completed a sweep of the store looking for any other suspects or victims located in the store.

I was then assigned to complete a sweep of Dillard's to look for any victims. I then went from store to store on the upper east section in an attempting to locate anyone and evacuate the mall.

I was then assigned to traffic control and blocked the entrance at Emerald and Ash Park

Narrative

INITIAL RESPONSE/CONTACT:

On the above date and time I was dispatched to a shooting at the Boise Towne Square Mall along with numerous other officers. Upon arrival I was going to assist with medical on the suspect but was informed they had enough help.

On my way back to my car I observed Ofc. Peterson assisting a lady in a white Ford Explorer in the middle of Milwaukee in front of Zupas. I asked if he needed assistance and observed bullet holes in both the right and left front door windows. I observed this female was bleeding from the face and it was informed that she had been shot.

Paramedics and fire were assisting her as well and Officer Peterson informed me that he was going to the hospital with her.

At that point myself and Officer Matheus cordon off the area with crime scene tape to preserve the scene. At that point I started a crime scene entry log which was later turned over to a Meridian CSS.

At that point I was reassigned traffic control duties at Cole and Westpark until relieved at 02:30

Part of my assignment at this intersection was to log plates of vehicles exiting the parking lot once people were allowed back in to get said vehicles. The following vehicle license plates were obtained:

INITIAL RESPONSE/CONTACT:

On 10-25-21 I was working an overtime shift for Swings and was responding to my shift when, at appx, 1415 hrs, I learned of the shooting at the mall.

After arriving at work, I was told by my Acting Lt, Ted Snyder, that my Swing Team would be responding to Zupas on Emerald for an assignment regarding the shooting.

Upon arriving at Zupas, I reported to Lt Wittmuss who assigned me to supervise the outer perimeter of the Boise Town Square Mall. My responsibility was to assign available units to observe the exterior doors and contact any subjects who exit and stop anyone from entering. If officers were to contact anyone exiting, they were to identify them and collect their phone numbers.

Sgt T Brady assisted me on this detail by driving the perimeter and identifying the doors where we needed to post officers. I would then, in turn, assign those officers from my stationary position by Old Chicago's.

After getting the perimeter set, which took some time, Sgt Brady returned to the Command Post and I remained on my assignment till I was relieved at appx 0200 hrs on 10-26-21.

I did not have any BWC during this shift.

Narrative

The following is a summary of the events that took place on 10/25/2021 and 10/26/2021.

INITIAL RESPONSE/CONTACT:

On the above dates, I responded to the area of the Boise Towne Square Mall to assist with the scene of a shooting.

Upon arrival, I was tasked with taking the owner of Good Burger into the food court area to shut off the appliances at both Good Burger and Embers Coffee. I then escorted the owner back out and out of the parking lot.

Next, I escorted a mall security officer around the exterior of the mall. We ensured that each door was secured. I reported each area that was secured to Sgt. Hernon so that he could keep track.

Finally, I stood by in my marked patrol vehicle on the west side of the mall near the north end of the Macy's parking lot to provide security for both investigators and the general scene. I was then relocated to the area to the east of the La Quinta parking lot (just south of the intersection of Emerald and Rifleman). I stayed in this location for traffic control until I was released from the scene.

INITIAL RESPONSE/CONTACT:

On 10/25/2021 at 1714 hours, I arrived on scene at [REDACTED] Boise, ID to relieve Garden City Police officers who had secured this location. Upon arrival, crime scene tape was already set up and Garden City Police Officers advised they had already done a safety sweep of the residence and it was secure. I took over the crime scene log. I never entered the residence.

While on scene, Officer D. Marconi and Officer A. Arroyo also arrived on scene to help keep the scene secure. While on scene, I was approached by [REDACTED] resident of [REDACTED]. [REDACTED] advised he has recorded video surveillance from cameras attached to his residence which point directly to the front door of trailer # [REDACTED]. Rose advised Boise Police Department could view the video however he does not know how to view the recorded video or play it back. [REDACTED] stated he would give the hard drive containing the recorded video to me so the videos could be downloaded off of the hard drive.

[REDACTED] obtained the hard drive from inside his residence and voluntarily provided it to me. [REDACTED] did state the time stamp and date on the listed video is probably incorrect. Sgt. Pietrzak was advised by me of this information.

At approximately 1936 hours, I was relieved from the scene by Officer C. Burch and Officer T. Ni.

I responded to the Boise Police Department and provided Detective Cromwell with the hard drive I obtained from [REDACTED]

On 10/25/2021 at approximately 2137 hours, I was contacted by Sgt. J. Martinez and told to speak with Officer Grover to assist with the perimeter at the Boise Town Square Mall. Officer Grove advised me to relieve Officer Nesbitt of his perimeter spot on N Milwaukee St. near the southern entrance to Dave & Busters. I relieved Officer Nesbitt and held this perimeter spot until 0200 hours on 10/26/2025 hours when I was relieved by Officer Grover.

I took no further action.

Narrative

On October 25th, 2021 I was working at the Boise Police station with the Police Academy. Around 1500 hours, I heard someone inside the station say there was an active shooter at the mall. I logged onto CAD and confirmed there was an active shooter with multiple victims.

I quickly changed into my BPD Patrol uniform and headed to assist at the mall. I went to the command post at MOD pizza (Milwaukee Street) where I was directed to walk the Target parking lot looking for any bullet impacts. I didn't find any impacts in the parking lot.

I spoke with Sgt. Hillard, who directed me to call Sgt. Snyder to see if he needed me at the hospital. I contacted him and he requested I assist with driving Officer Shofner back to the Police station. As I was going to the hospital Sgt. Hillard gave me Shoffner's wallet and car keys to give to him. Officer Matheus heard I was going to the hospital and gave me Officer Cameron's purse to give to her. I drove to St Alphonsus hospital. I contacted Shofner and Cameron inside the emergency room and returned their property.

Sgt. Pietrzak requested I stay with Shofner and serve as his escort Officer. I stayed with him from that point on. After he was done speaking with CITF detectives at the hospital, I drove him to the Boise Police station where he we home.

INITIAL RESPONSE/CONTACT:

Monday, October 25, 2021

Due to proximity of both Bishop Kelly and Borah High Schools and the Boise Towne Square Mall, I advised both school admins to initiate immediate lock-downs for student and staff safety. The scene at the mall had not yet been stabilized and the suspect's whereabouts were not immediately known. SRO D. Harris responded to Bishop Kelly to assist with lock-down and to be a police presence at the school.

After a short time, police supervisors advised the scene had been made safe and the suspect located. With that information, I informed school admin that lock-downs could be lifted. I was then instructed to respond directly to the mall area to assist with outer perimeter duties. I was directed to the main level JC Penney/Sephora doors at the south parking lot. During the time I was posted there, no persons entered or exited JC Penney or its service doors.

I was eventually reassigned to direct traffic at the entry/exit at the north side of the mall off Emerald St. I was to instruct drivers to turn around and not enter the mall area as it was being treated as a crime scene. I was then released from that assignment by Ofc. Sell which concluded my shift. I didn't conduct any interviews of any witnesses or persons with knowledge.

Narrative

On 10/25/2021, I was working my regular scheduled assignment as a School Resource Officer at Capital High School.

Police dispatch advised of an active shooter type situation at the Boise Town Square Mall, followed up a short time later by an officer involved shooting near the same location. Due to the close proximity of Bishop Kelly High School (BK) being located near the mall, I responded to BK to assist school staff with the safety and security of the students on their campus. I arrived at BK at approximately 14:25 hours. Upon arrival, I made contact with school administration staff. BK administrators had already placed the school into a "shelter in place" scenario. BK students and staff remained in "shelter in place" until it was determined there was no longer an active threat to the public. I remained on scene at BK until the majority of the students were released to their parents, busses, or their private vehicles. I cleared BK at approximately 15:30 hours.

I then proceeded to respond to the police command post located near the Boise Town Square Mall. I was initially assigned to take up a position on the outer perimeter on the south side of the mall with Officer Lau watching the JC Penny lower level south entrance doors (south entrance doors between the store and the mall parking lot). I held that position until I was re-positioned by Sgt. Brady to monitor the mall service entrance / exit doors on the south side of the mall, located between the Cheesecake Factory and JC Penny. I held that position from 16:20 until approximately 17:30 hours. It should be noted that no one entered or exited the doors I was assigned to monitor during my observation period.

I did not have any further involvement with this incident this date.

Narrative

INITIAL RESPONSE/CONTACT: On October 25th, I was working as the School Resource Officer at South Junior High. At approximately 1356 hours I self assigned to an active shooter report at the Boise Town Square. I drove with my lights and sirens and arrived at the entrance of the lower level Macy's entrance.

I arrived simultaneously with Sgt. Rush and Ofc. A. Johnson and entered the store and began evacuating people. I assisted in searching for shoppers and employees and instructed people located to exit the store through the exterior doors. I made my way to the initial scene outside the interior doors of Macy's and observed a male adult in a yellow uniform lying on the ground with a pool of blood. I observed a Boise Police Officer standing watch near the body. I observed people in the shops and in the interior of the mall still walking around. I began to instruct people who were still walking in the lobby area to exit the exterior of the mall and helped escort shoppers that were hiding in stores.

I collected contact information for an [REDACTED] who informed me she observed the incident. She requested a Spanish speaker. I forwarded her information to Det. Jones, I later assisted Det. Jones in calling [REDACTED] to gather her statement but was unable to make contact. A voice message was left for [REDACTED]

I was then assigned to the Apple Store, a central location of the mall, and as people were located they were escorted to myself and Ofc. Kindleberger. We gathered names and phone numbers for each individual and then would escort them through the Apple Store to the back exit of the store to the exterior of the mall.

After I was dismissed from my assignment I turned over the list of names and numbers to Det. Wigington.

INITIAL RESPONSE/CONTACT:

I was working as a plain cloths Neighborhood Contact Officer when I was advised of an active shooter at the Boise Town Square Mall. While responding I heard officers on the radio asking for help inside the mall. I arrived on the west side of Macys and ran into the building with my IFAK in hand. I observed multiple officers on the bottom level of Macy's. I assessed the situation and saw that the escalators to the second floor had broken glass and what looked like bullet holes threw them. I ran up the stairs as I saw officers performing CPR and a male that was down. Officer Orton was doing CPR and the male while Officer Gibson was holding his neck and supporting officer Orton. Sgt Powell was trying to coordinate medics to his area. Det. Jones was utilizing an IFAK that was already on scene. I asked Orton if I could take over CPR for him, but he advised that he was ok. I then utilized surgical sheers to remove the victim's pants to look for additional wounds but did not locate any. I saw that the victim had a wound to the side of his chest that was poring blood. I then advised the officers that we needed a chest seal for the wound. A that time fire personnel arrived on scene and began to work on the victim.

I then asked the officers if the area had been secured of other suspects or victims. The officers said that it had not. I worked with Det Jones to do a quick sweep of the top level of Macys. I located multiple people hiding and locked in rooms. I advised command that I would escort the civilians outside. I told them to walk to the west side of the mall and meet up with officers to get interviewed. I received two keys from the manager to assist opening locked doors I gave one to an ISP Sgt and one to Officer Jacobs and his team. I assisted in clearing the upstairs of Macy's and into the main portion of the mall. As we would find civilians huddled in back rooms and locked stores they would be escorted out to other officers.

I was eventually cleared by Sgt. Rush to be assigned to Sgt. Hernon's team. I was assigned to watch the south east upper level near JCPenney and Kohl's. As I was sitting there, I was advised by the units on the east side near Cole advised that there was a female dressed in all back walking towards the mall. I was asked by command to speak with her and have her leave the property.

I spoke to the female who stated that she was trying to get to [REDACTED] where they had a bed

available to her. I began to explain that the bus routes had been disrupted and that she would not find a bus on the mall property. I advised her to respond to [REDACTED] to see if they could assist her in getting to [REDACTED]. I asked her for her name, and she replied "[REDACTED]" she then told me that her name was [REDACTED] but would not tell me her full name. she walked off east towards [REDACTED]

Approximately an hour later I was advised to track down the female as she looks like a female who was seen removing items from one of the deceased individuals prior to when officer got there. With the assistance of Officer Logsdon, I was able to track down the female at [REDACTED]. She identified herself as [REDACTED] with a photocopy of her [REDACTED] ID. I took photos of her person and with her consent searched her belongings and did not find anything that was out of the ordinary or that might have been the items removed from the victim. I then spoke with [REDACTED] and asked her to tell me about the timeline of her day. She stated that she had woken up at her mother's house around 0930 she then panhandled for a short time to buy vodka. She stated that she went to the liquor store on vista and bought cigarettes. She returned and her mother and her got into a verbal argument with her mother [REDACTED]. She then walked toward overland from the house and got a bus ride towards the mall. She told me that that mall was closed so the bus dropped her off at victory and Cole. She then walked to the mall to see if she could get a ride from another bus but was stopped by me. She stated that she did not enter the mall at all today. She stated that after she left, she got a ride to [REDACTED] [REDACTED] provided a phone number to her mother [REDACTED]

I called [REDACTED] who corroborated [REDACTED] story. At this time, I did not believe that [REDACTED] was the female seen in the video at the mall.

I then attempted to assist detectives in locating the female responsible for removing items for the victim. I exhausted all leads and was cleared from the scene.

INITIAL RESPONSE/CONTACT: On 10-25-21, at approximately 1355 hours, while working as a School Resource Officer at Frank Church HS, I responded to the Boise Town Square Mall (350 N. Milwaukee St.) to assist in locating victims and possible further threat from an active shooter situation that had just occurred. When I arrived on scene at the west entrance of Macy's, I met with paramedics and assisted in escorting them inside the building to several teams of officers attempting to locate victim's still hiding in Macys. I then teamed up with a team of State Police Officers and helped clear rooms at Macys of any further threat or victims.

After this, I then teamed up Officer Majors and Cpl. B. Jones and we started searching the west end of the mall and all the businesses that were open and or unlocked for victims and or potential threats. There were also occasional patrons still wondering the Mall whom we would approach, briefly interview, collect their name and number and have them exit the building. There were two adult males who were walking towards Macys on the 2nd level just after Macys had been cleared. Both males told me that they did not see or hear anything and did not seem like they knew what had just occurred.

There names: [REDACTED] [REDACTED]) and [REDACTED] [REDACTED])

After this, I assisted with attempting locate people still hiding throughout the mall.

INITIAL RESPONSE/CONTACT:

On 10/26/21 at 0300 hours, I was asked to respond to the Boise Towne Square Mall for crime scene security. Upon my arrival, I met with Captain Fleming and I was assigned security at the command post, located in the parking lot of Pet Smart.

Approximately one hour later, Lt. Kukla asked me to respond to St. Al's Hospital to relieve Officer C. Kingland. At 0401 hours, Kingland briefed me on the suspect, Jacob J. Bergquist, [REDACTED]. Bergquist was assigned to room 3220. Kingland informed me that Bergquist was not to have any visitors and that only hospital staff was permitted in the room. [REDACTED] a St. Al's I.C.U. nurse, was overseeing Bergquist's care. Bergquist was unconscious and [REDACTED] informed me that he was on life support.

At 1115 hours, [REDACTED] informed me that Bergquist had passed away from his injuries. I notified Lt. C. Smith and Lt. J. Ransom of Bergquist's passing. [REDACTED] notified the Ada County Coroner's Office of the death. At 1145 hours, Steve Russell from the Ada County Coroner's Office arrived with Deputy Chief Coroner Brett Harding. Russell and Harding conducted a death investigation and took possession of Bergquist. I assisted by escorting Bergquist's body to the coroner's van with Russell and Harding.

At 1238 hours, I cleared St. Al's Hospital and notified Lt. J. Ransom that I was leaving the hospital.

Narrative

On 10-25-2021 I was working as a Detective for the Boise Police Department's Special Victims Unit. I was at the Boise Police Department when I heard, over the radio, that a security guard had been shot at the Boise Towne Square Mall. I began to drive to the location. On my way, I heard that the suspect was in custody, and Officer Matheus had an injured victim near Milwaukee/Emerald. I drove to the area and blocked southbound traffic on Milwaukee from Emerald.

When I arrived I located a white full size SUV parked facing north bound on Milwaukee St. to the south of the Emerald St. Intersections. I saw that the front passenger window had a hole and the front driver side window had a hole in it. Paramedics were already on scene and pulled away shortly after my arrival. I instructed patrol officers to put up crime scene take around the white SUV and the roadway. After hearing a subject was in custody and no futher reports from dispatch of active shooting, I began to search the parking lot of Target, 633 N. Milwaukee St. Boise, Idaho, for a bullet or bullet fragment. I spent about 30 minutes checking vehicles for damage, buildings for damage and the ground for the projectile. I was not able to locate any items of evidence. It should be noted that the parking lot was not secure and vehicles were still arriving and departing.

I was then requested to go to the Macy's Entrance/Exit on the west side of the mall. I went back to the Boise Police Station to obtain several white paper notebooks, Boise Police Witness Statement Forms, pens and batteries for digital recorders. When I arrived I entered into Macy's. I saw Paramedics and Fire Dept. Personnel moving a patient out of Macy's. I delivered the previously described items to Det. M. Iverson and they were placed on a clothes display stand in Macy's. I then began to assist with further clearing stores in the Boise Towne Square Mall and looking for items of evidentiary value. I saw that there was broken glass surrounding display/kiosk areas of Macy's and broken glass near the elevator. I saw bullet casings near the entrance to Macy's from the mall interior. The casings were on the inside of Macy's on the north side carpeted area, they were already marked with an evidence label. I then saw a male adult, deceased on the ground. The male adult was wearing a security guard uniform. I then began to look for further items of evidentiary value as instructed. I walked east through the mall and saw bullet fragment, small metal pieces, on the floor. The items were already marked with evidence labels. Other detectives and officers walked down the corridor and were advised as we got near the Victoria Secrets store, that the area had not been cleared for any other possible suspects, victims or witnesses. Detective Mckean and I then changed assignments and began to clear businesses working to the east, until we got to the "center" area of the mall and then began to work to the south. At some point Detective Mckean and I separated and I began to work with Officer Schneider and another Det. that was wearing a face covering. We then worked to clear businesses to the south, or the main entrance of the mall. When clearing the male bathroom near the mall entrance, we located a dried red substance that I suspected as blood on the floor in a bathroom stall. Detective B. Thorne was advised and placed evidence markers on the

Narrative

On 10/25/2021 at approximately 1400 hours, myself and Det. Seavey were finishing an interview at the Port of Hope near the intersection of Barrister and Cole in Boise. As we were preparing to walk out the doors, I turned up the volume on my handheld radio and heard traffic broadcast about "shots fired" and information regarding the suspect being behind the Dave and Busters. I immediately relayed this information to Det. Seavey as I was running towards my unmarked police vehicle. Det. Seavey stated he would ride over with me and proceeded to get into the passenger's seat of my vehicle.

We then drove "code 3" north on Cole Rd. then west on Emerald. I then pulled through the La Quinta parking lot getting as close to the Dave and Busters as possible. Det. Seavey and I then exited the vehicle and ran towards Dave and Busters. Upon arrival, I observed a subject slumped near a corner of the Dave and Busters and an officer seated on the ground with blood near his eye. Both of these individuals were being attended to. I also observed a police motor cycle on it's side and a white SUV on Milwaukee. I observed what appeared to be a bullet hole in the glass of the SUV.

Noting the location of the presumed suspect and the previously referenced white SUV, I quickly moved towards the Target and began looking for anyone who may have been struck by a stray bullet. I proceeded to walk through the northern portion of the parking lot while Officer Beaudoin walked through the southern portion of the parking lot. At the conclusion of our search, we returned and reported that we did not find any obvious signs of stray bullets striking individuals or vehicles.

I then heard Sgt. Nielson announce the need for officers to canvas the Orange Julius inside the mall. He reported that this was the location that the altercation may have began. I informed him that myself, Ofc. Beaudoin and Det. Seavey would take this assignment. Myself and Det. Seavey then got into Ofc. Beaudoin's vehicle and drove to the mall. We proceeded to enter through and upstairs door which was near Macy's but opened up into the main portion of the mall. We immediately walked towards the food court and began canvassing that area, including Orange Julius, for any signs of an altercation. Finding none, I reported our observations over the radio.

I then went to the nearby mall security office and found several mall security officers inside. I informed them to stay where they were as a detective would soon arrive to question them. I also asked them to begin downloading all CCTV footage from the entire mall for the previous two hours.

At this point in time, officers began searching the mall for injured/sheltered subjects. The request was made for more officers to assist with this assignment and to have all sheltered individuals exit the mall promptly. Myself, Ofc. Beaudoin and Det. Seavey began going store to store checking for injured/sheltered subjects.

At the conclusion of this assignment, I exited the mall and took Det. Seavey back to his vehicle at the

A short time later, I took inventory of all the NCO's I had been tasked with supervising. I wrote down each officers location and reported this information to Capt. Ruffalo at the command post. Capt. Ruffalo requested all available officers report to the command post. I relayed this information to all NCO's while responding to the command post.

I remained at the command post until Sgt. Hernon asked that myself and Ofc. Evans assist with an exterior search of the mall. Sgt. Hernon stated that information had been obtained indicating that the suspect may have arrived at the mall on a bike. Our assignment was to search the exterior for a bike. I went one direction while Ofc. Evans went the other. The only bike located was one outside a Macy's entrance. Sgt. Hernon located this bike and reported his findings to Lt. Wittmuss. Ofc. Evans and I did not locate any additional bikes outside the mall.

This was the extent of my involvement in this incident on 10/25/2021.

Narrative**INITIAL RESPONSE/CONTACT:**

On 10/26/21 I performed CSI duties for the above case. I was asked to assist detectives in photographing and collecting evidence from the residence of the suspect via search warrant. Once on scene I could see an older single wide mobile home/trailer that had crime scene tape around the exterior. There were a couple of smaller sheds or outbuildings on either side towards the rear of the property. There was an awning which covered the front door and small set of stairs that led up to the front door. I could see a bicycle leaned against the trailer in the front by the steps and some patio furniture on the front side as well near the back shed. There were also two garbage cans sitting out front across from the main entry/front door. I took overview photos of the exterior of the trailer to show location and condition of the property upon my arrival. While I was walking around the exterior of the property taking my overview photos, I could see several spent casings/brass from what appeared to be a .22 caliber firearm. These were strewn all around on the ground near the stairs. Based on the location and concentration of the brass, it appeared as if they had been fired at that location.

Once I completed the exterior photographs I met with detectives who executed the search warrant, cleared the interior of the trailer to make it safe for me to enter and begin taking interior overview photos. These photos were also to document the location and condition of the interior of the trailer and the items within upon my arrival. As I entered the trailer, I could see trash, food, dishes, boxes and clothing of all types throughout the front kitchen and living area. There was a mountain bike parked in the kitchen area against the wall on the front door side. It was sparsely furnished with only a couch and small ottoman/foot stool in the main living area. Inside there were more spent rounds of ammunition, ammunition boxes and firearm boxes. There was a lot of dirty dishes in the kitchen on the counters and in the sink. I could also see a small derringer style firearm and a smaller tactical style knife sitting on the kitchen counter and breakfast bar. The couch and some of the living room walls had what appeared to be bullet holes in them. Several of these holes were in the back and side portion of the couch. Overall the trailer was in poor condition and very dirty and cluttered. All of these items were photo documented in overview with some close ups of specific items of interest from the search warrant.

From the main living area I started to move down the hallway that leads to the bedrooms and bathroom. As I started to walk down the hallway, at the end of the hallway I could see some items which were set up and appeared to have several bullet like holes in the wood backing, furniture (small stool), coffee pot box and also along the walls in the same area. These items were placed in such a way you would have to step over them to enter the bedroom at the end of the hall. The first room I photographed after the kitchen and living areas was a bedroom said to belong to the suspect. This would be the first door on your left as you enter the hallway. This room was also cluttered with clothing, trash, firearms, firearms cases (hard plastic style), ammunition boxes and a backpack which hung from the interior knob of the door handle. There were also ammunition magazines for an AR style firearm, some loaded with live

rounds, ear protection and other miscellaneous firearm related items.

After I completed photo documenting the suspects bedroom, I moved back into the hallway and continued down the hallway towards the back end of the trailer documenting a small open shelving space on my left side with a few items on the shelves and floor. After that came the bathroom/laundry room area. As I approached the bathroom area, on the floor just outside the door was a small orange shooting target made of steel. It was laying down in front of a foot stool, coffee maker box and a piece of wood framing with plywood on the floor behind the foot stool. There were several what appeared to be bullet holes in the walls and door frame to an exterior back door. It appeared to be a small backstop or barricade used for shooting to catch or stop bullets being fired at it.

Next, I entered the back and second bedroom of two. This room was mostly empty with some ammunition boxes, an air mattress which was deflated and had some bedding on it. There was more trash and some clothing on the floor and in the closets. Not much was in this room. This completed my overview photos of the property.

Now that the overview photos of the exterior and interior of the trailer were completed, detectives began searching the interior and exterior of the suspects trailer for the items as stated in the search warrant. At this point my photos will move around in no specific order as I respond to the areas where detectives locate and need to photo document items to be seized or photographed. I took several photographs of items recovered to include, firearms, firearms cases, ammunition, ammunition boxes both with and without rounds and magazines for various firearms.

[REDACTED] There were also several shirts with 2nd Amendment phrases and connotations. I located and photographed several items of indicia belonging to the named suspect from a drivers license to a birth certificate. Towards the end of the search I was called outside to document an items located in the garbage cans and under the stair case. The garbage bin contained several plastic soda bottles (2 liter type). One of them contained several projectiles from what appeared to be a .22 caliber firearm. The projectiles appeared to have been manual removed from the casing and not fired there were no casing with them inside the bottle. The other object located outside (under the staircase) was a round cylindrical looking item with a hole drilled through the center. The item appeared to be a silencing baffle, "Silencer" or "Can" to list a few names associated with the item.

I finished photo documenting the items requested by detectives and prepared to take my final interior and exterior overview photos to show the condition and location of the property and its contents post search. I took a photograph of the copies of the search warrant and property invoices to show what items had been seized and the legal justification to do so. These items were left on a bar stool by the breakfast bar. From there I took overview photos of the interior and exterior portions of the trailer and property. Prior to my leaving the trailer, detectives brought the mountain bike from outside into the trailer in order to

prevent it from being stolen as it was not locked up outside. All doors were closed and secured/locked. At this time I concluded my CSI duties at the scene.

Detectives requested I transport some of the items collected from the scene back to MSP where we could finish processing the items for evidence. I took the items collected by Det. Seavey and transported them to MSP. Once back at MSP we took the items to the BPD Crime Lab where we completed labels and attached our copies of the property invoices. I then took the items collected by Det. Seavey to Property. Det. [REDACTED] processed and transported his own items he collected from the scene to Property. No further.

Narrative

I was assigned to [REDACTED] working a plain clothes detail when Crime Analyst Kate Page informed our team there was an active shooter incident at the Boise Town Square Mall. Then entirety of the [REDACTED] team went en-route to the mall at that time. While en-route, I heard radio traffic that several individuals had been injured. I heard further radio traffic about teams of officers inside the mall conducting a security sweep. Detectives [REDACTED] [REDACTED], and I arrived at the north entrance to Macy's and then assisted in conducting the security sweeps.

After clearing the remaining portion of Macy's, we moved to the first floor of the mall and continued clearing numerous stores and hallways. I moved with a small element consisting of Det. Robinson and Cpl. Schneider down a hallway that led to bathrooms and a security office. While clearing the men's bathroom down this hallway, I entered the last stall of the bathroom and observed obvious blood and random trash on the floor. We moved across the hallway from the bathroom towards the security room at this time. Once inside the security room I observed a bloody N95 mask and what appeared to be an OC canister carrier. Given the bloody mask and what we observed in the bathroom, we continued looking for further victims and ultimately found none. As we moved our way out of the security office I also observed a few drops of blood on the ground. After we cleared this area for further victims, our element moved back towards the center of the mall.

After I arrived back at the center of the mall, I assisted fellow officers in directing mall employees to the exits of the mall.

Narrative

On Monday, 10/25/21, at approximately 1400 hours, I was working as a [REDACTED] detective and I received information of an active shooter incident occurring at the Boise Town Square Mall. I responded in my assigned vehicle and arrived at the west entrance of the Macy's department store. I coordinated with Lt. Kukla and Sgt. [REDACTED] who advised we were assigned to clear the Dillard's department store. Lt. Kukla, Sgt. [REDACTED] Det. [REDACTED] and I met with three A.T.F. agents and Det. Bruebaker (Nampa PD SIU). Our element of officers entered the north entrance of the first level of Dillard's and cleared the first level of the store. Sgt. [REDACTED] and I contacted two teenage males coming down from the second level of the store, via the escalator. Both males were cooperative and gave consent to search their person for any weapons, but none were located. The males stated they were trying to get out of the store. Due to the lack of resources and the fact the males did not have any information to provide, the subjects were quickly escorted out of the north entrance of the store. Our element proceeded to clear the second and third level of the store without locating any other innocents, suspects, or items of evidentiary value.

Once Dillard's was secure our element met with Sgt. Hernon, who assigned me to take up a perimeter position on the east side of Kohl's near the loading dock. As the incident progressed and the number of perimeter units decreased, I was assigned to watch the east side of the mall including entrances to Dillard's, the mall, employee service entrances, and the north entrance of Kohl's. While waiting, I saw a male adult wearing a gray jacket, black hat, and carrying a black backpack enter the east entrance of the mall south of Dillard's. I was not able to contact the subject due to my positioning, so I contacted Sgt. Hernon to inform any officers on the interior of the mall. Approximately 10 minute later, the male, later identified by his Idaho identification card as [REDACTED] exited the same entrance he entered. I contacted [REDACTED] who stated he entered the mall to use the restroom and he did not know he was not allowed to enter. [REDACTED] acknowledged he knew a critical event occurred in the mall, but he did not know the mall was closed. [REDACTED] also stated, "The door was open, so I didn't know I couldn't go in." [REDACTED] gave me consent to search his person and his backpack for weapons, but none were located. I informed [REDACTED] he was free to leave, and the mall was closed. [REDACTED] left without further incident.

I remained in my position until approximately 0200 hours, when Sgt. Hernon advised I was clear to leave. I had no further involvement in the incident.

Narrative

On 10/25/2021 at 1650, I responded to the area of 350 N Milwaukee St in Boise to assist the on-scene officers for an Active Shooter Incident.

I assumed the role of traffic control, blocking the entrance to the mall at W Westpark St and N Milwaukee St as part of the outside perimeter security. I cleared from that position and had no further actions with this incident at 0200 on 10/26/2021.

Narrative

I responded to the active shooter call at the Boise Towne Square Mall (BTSM). I responded to the west side of Macy's where I was assigned to identify and make contact with witnesses that were exiting the Mall. I spoke to the following:

[REDACTED] who exited with [REDACTED]. They advised that they did not witness anything. They heard 3 to 4 gun shots and took cover. They heard yelling but could not tell me what if anything was said. I collected their information and advised them to contact me if they remembered anything further.

I spoke with [REDACTED] who also advised that she did not witness anything. She was in the bathroom and heard several gunshots and stayed in the bathroom until she was told she could leave.

While at the exit a rescue team brought [REDACTED] out who had been injured in the shooting. [REDACTED] did not speak English. The rescue paramedics responded back into the Mall and I stayed with [REDACTED] and her granddaughter. The granddaughter did not provide me with her name, she was distraught as her mother had been transported to St. Alphonsus, and her Grandmother was also hurt. She advised they were all together when this tall white guy ran by and was just randomly shooting a gun. [REDACTED] understood shooting and with her hand made a shooting motion and the sounds with her mouth. I observed two cuts on [REDACTED] right thigh. She advised me through her granddaughter that she recently had surgery in that area of her thigh.

After [REDACTED] was transported I was contacted by a male who had a head wound. He advised that he hit his head during the commotion. I directed paramedics to him. He was an employee at the BTSM and advised that all of his information was taken by another officer. I later confirmed with Detective Cromwell

that he had taken his information and he was medically treated.

I assisted Detective Iverson and other officers with clearing the other stores at the BTSM. I made contact with [REDACTED] and [REDACTED] who heard the shooting and had locked themselves in J-Jill. Neither saw anything but they heard multiple rapid fire bursts of gun fire. I walked [REDACTED] and [REDACTED] out to the Apple Store where they exited.

[REDACTED] and [REDACTED] were working at Attic Salt and had locked themselves in the store when they heard the gunshots. [REDACTED] stated that she heard gunshots and immediately locked the store and waited for officers to advise they could leave. I walked both out to the Apple store so they could exit.

I was assigned to collect and view the video from Macy's. I met with [REDACTED] and [REDACTED] the management staff at Macy's. I instructed them to pull all video that is connected with the shooter or any injuries. [REDACTED] provided me with two copies off all video. I would later provided Detective Jagosh one copy and then book the other copies into Ada County Property. While meeting with [REDACTED] and [REDACTED] there were several employees how had fled when they saw or heard the shooting. They had left their keys and purses behind and were unable to leave. [REDACTED] collected locations of the employees keys. We determined that none were in the crime scene area and could be obtained without any disturbance. I accompanied [REDACTED] who retrieved these items which were all in back office areas or out of the crime scene.

After this [REDACTED] worked with [REDACTED] to go through the video system. I assisted both identifying all angles which depicted the shooting and the shooter's path. I was provided 4 disks. [REDACTED] provided a video that showed the security officer make contact with the shooter. They appear to be speaking and the shooter starts to walk away into Macy's and then turns and shoots the security officer. He appears to shoot multiple rounds into the security officers falls to the ground, and the shooter continues to shoot into BTSM. The shooter then turns and runs into Macy's and continues to fire his weapon. At the escalators he turns right which makes him have to run around to the exit on the west side. [REDACTED] and family advised they were around the escalators. As he exits Macy's he appears to put the gun into his waist. I was provided video of individuals fleeing up the escalator and one appears to go down and not get up. I was advised this was a victim who was shot. (see videos for more information)

After providing Detective Jagosh with the videos I exited the crime scene.

Narrative

INITIAL RESPONSE/CONTACT: On 10-25-21 at about 1400 hours I arrived on scene at the incident at the Boise Town Square Mall. I drove to the west side of Macy's and parked. I then entered the west side doors to the north on foot. I went to the bottom of the escalators inside Macy's and could see officers on the second level. I then went back toward the west end doors to escort paramedics in and make sure they got the top of the escalators. When paramedics arrived I pointed them in the right direction.

I was told by Sgt. Rush to man the exterior west door to the north, to not let people in and to get everyone's name coming out and have them stand by outside. I did this and obtained numerous people's information that I have attached to this report. All of these people came out the Macy's west side door to the north.

Later I was advised to provide and collect written statements from anyone there who heard anything related to the shooting. I collected several statements that are also attached to this report. All statements I collected I signed and added my Ada # to the bottom.

I was handed 4 pages of notes from an ISP detective, Det. M. Wernsing 688, that he had taken during this event. He then left the scene. These have been attached to this report.

I maintained security at this door while detectives and crime scene personnel went in and out until I was relieved at 2000 hours.

On the above date and time I was called into work uniformed patrol after this incident occurred. I was wearing full uniform and driving my assigned patrol vehicle. Additional units were requested to the Target parking lot across from the Dave and Busters to assist with searching for bullet evidence. I worked along the sidewalk from south to north on the west side of Milwaukee. I did not observe any evidence. I was released from this assignment and cleared to handle calls in the field. I took no other action in this incident.

INITIAL RESPONSE/CONTACT:

On 10/27, I was dispatched to contact [REDACTED] a security officer working at the mall on the day of the shooting, by phone regarding some additional information that he wanted to provide. I called [REDACTED] and spoke with him about the incident.

WITNESS INTERVIEW:

[REDACTED] explained to me that he was working at the mall as a security guard, but he has since resigned his position there. [REDACTED] stated that when the shooting occurred, he was roving the parking lot in the security vehicle and he spent most of the time warning people to leave the area.

[REDACTED] stated that he wanted to share some concerns that he had regarding a female acting in a bizarre manner just prior to the shooting. [REDACTED] stated that he felt it was too much of a coincidence that she was behaving so strangely and thought that she may have been there to act as some kind of a diversion or drain on security resources.

[REDACTED] stated that the suspect initially parked her car in front of the Cheesecake Factory with her hazard lights on. [REDACTED] stated he saw it parked there, but assumed that she was one of the many delivery drivers (Uber Eats, Door Dash, etc) that sometimes park like that. He stated that after about 30 minutes, he left a "ticket" on the car for parking illegally.

[REDACTED] stated that he later learned that this car belonged to a woman who caused a disturbance in the mall, including "trashing" the house cleaning office before being arrested by police. I looked up the police report for that incident and found that he is referring to a "Mary Scarbrough", who was arrested under DR21-118846 for disturbing the peace. Mary was also later charged with several crimes related to damaging other businesses and tampering with evidence during the shooting incident. [REDACTED] admittedly did not have any first person knowledge of what Mary did, but he heard about it over the radio.

[REDACTED] stated that he reported his concerns to the head of mall security, but he also wanted to share them with law enforcement. [REDACTED] admitted that any connection between Mary and the shooting

INITIAL RESPONSE/CONTACT:

On 10-26-21 at approximately 0711 hours, I was assigned by Sgt. Urian to relieve Officer Sell from his duties located at [REDACTED]. Upon arrival, I secured the scene at that location. Officer Morlock handed me the Crime Log. I was in charge of the crime log until Officer Corona arrived at the location to relieve Officer Morlock. Officer Corona took charge of the Crime Log. I waited for detectives to obtain and execute the search warrant for that residence. Once detectives were done, I was released from the scene.

Narrative	
------------------	--

On 10/25/2021 At approximately 1351 hrs, I self dispatched to a shots fired call. As I arrived on scene near the Dave and Busters restaurant, other Officers requested that I escort the suspect, later identified as Jacob Bergquist, to the Hospital. I then rode in the ambulance as the paramedics transported Jacob to St Al's Hospital. While In the hospital, I remained with Jacob while he was in ER room #20. While in ER room #20, the medical staff removed the remainder of Jacob's clothing and handed it to me. Eventually, Jacob was moved to room# C-3220 In the ICU. While in the ICU, Corpral Kinnaman with Meridian Police took possession of Jacob's clothing.

While maintaining security of Jacob, I utilized my department issued cell phone and took a few pictures of Jacob.

At one point, A security guard with the hospital contacted me and informed me that Jacob's [REDACTED] identified as [REDACTED], had called and explained that he was instructed by a detective to come to the hospital and identify Jacob. Detective Wirshing was notified of this call.

I maintained security of Jacob until Officer Kingland relieved me at 2000 hrs.

Narrative

INITIAL RESPONSE/CONTACT:

ON October 25, 2021 at approximately 1350hrs I was near the area of 6th/Main when the report of shots fired at the Boise mall was dispatched. Dispatch stated there was a male who had just shot a security guard approximately 4 times and had fled out of Macy's. As I was driving to the Cole exit, Officer Shoffner stated over the radio that he may have the suspect near Dave and Busters. I exited at Cole and drove to that area with several other police vehicles.

When I arrived on scene a team was clearing the suspect. I then collected traffic cones out of the back of my vehicle and gave them to Cpl. [REDACTED] to mark evidence.

It was then stated over the radio that more Officers were needed at the mall to help securing it. I drove to the mall and went inside Macy's to help clear/secure it. I paired off with Officer Ryan Jones for most of the time and began searching and clearing the lower level of Macy's. We then went to the upper level and met up with Officer Kindelberger and began clearing other businesses outside of Macy's. We located many civilians in different businesses who were hiding still.

We then stayed upstairs by the main stairway in the middle of the mall and directed other civilians on how to exit the mall. We were then relieved by Sgt. Rush once the scene had calmed down.

This concludes my involvement.

Narrative

On 102521, about 1440 hours, I was working as a two officer patrol unit (28T3) assigned with Officer N. Walker. We were detailed to assist with a shooting incident at the Boise Townsquare Mall, 350 N Milwaukee St in Boise.

We arrived to the Command Post and were detailed to block an entrance from the public roadway into the mall property. Officer Walker and I found an open entrance coming from W Emerald Rd into the parking lot just east of W Rifleman St near an irrigation canal.

Officer Walker and I used our patrol car (#BPD037) to block vehicle and pedestrian traffic from entering the parking lot south. We remained there until approximately 0200 on 102621 when we were relieved from our position.

Towne Square Mall. After arriving, I was sent inside Macy's to assist with officers as they began to slow clear the mall. The suspect was already in custody and at the hospital. I was directed outside Macy's into the upstairs mall area. Dispatch informed us there were 6 people inside Spencer's. Cpl Young, Cpl Jones and myself made contact with the 6 mentioned individuals who appeared from the back room of Spencer's. They were escorted out of the mall.

I was directed toward Dillards on the second level and hold my position and wait for further instruction.

I attempted to contact innocents inside a dozen stores upstairs from Champps Sports to the center of the mall. I was unable to locate anybody.

I was instructed to leave the interior of the mall, and later assisted with the exterior inside perimeter.

On 10/25/2021 at approximately 1459 hours, I responded to 350 Milwaukee St (Boise Town Square Mall), regarding an active shooter. When I arrived on scene, I was instructed to find an opening on the outer perimeter of the crime scene, and not let anyone in. I found that the southwest entrance by Café Ole' was not blocked off. I set up cones and positioned my patrol car to block the entrance.

While blocking off the entrance a subject named [REDACTED] approached me and told me the following. [REDACTED] advised that he was friends with the security guard that got killed. [REDACTED] also advised that he observed the incident. [REDACTED] was willing to make a statement, but he did not want to at that time.

After the entrances were reopened, I was tasked with patrolling the mall parking lot and providing security for the crime scene.

Narrative

On 10/25/2021 at 1457 hours Ofc Gustin and I responded to 350 N Milwaukee St. Boise, ID to assist in processing the crime scene of the shooting that had taken place at Boise Town Square Mall. When I arrived on scene I was asked to assist in canvassing the area to locate damaged property from rounds fired by the suspect and officers responding to the scene. The canvas style search began on the north side of Dave and Buster's, proceeded east bound to the open parking lots of the Spirit Halloween store and Men's warehouse, then back towards the west where officers completed a full circle in the southern parking lot of the Dave and Busters.

During the canvas of the area, I did not locate any evidence or damaged property. We cleared the scene and took patrol calls.

At 2055 hours I returned to the scene to relieve Officer Bonas for a quick break while blocking traffic on the west side of the Boise Town Square Mall at the exit/entrance near Cafe Ole. I remained in place blocking traffic without incident until Officer Bonas returned at 2124 hours and I cleared to assist in taking calls for service.

Later, at approximately 2300 hours Ofc Gustin and I were summoned and returned to the mall to provide scene security on the west side of the mall at Macys until the forensics personnel were done processing the scene. Once police personnel on the exterior were condensed and more of the building was secured, I was rotated into the interior with Ofc Pollard where I foot patrolled inside the mall for the remainder of the night until I was relieved by Ofc Feldner at approximately 0530 hours.

Narrative	
------------------	--

On the above date and time, I responded to 350 N Milwaukee St to an active shooter to assist with processing the scene. I was tasked with walking the Target parking lot to assess vehicles for possible bullet holes or damage caused by gunfire. On the East side of the Noodles and Company building, I located a small hole in the exterior wall approximately 20 feet from the ground. I notified a detective in the Target parking lot and he began examining the hole to determine if it was caused by a gunshot.

After doing so, I began talking calls for service throughout the city. At 2306 hours, I responded back to 350 N Milwaukee St to relieve officers on the perimeter position around the mall. At approximately 0054 hours, I responded to the interior of the mall to provide security for the businesses that were abandoned and left opened. At approximately 0530 hours, I was relieved by other Officers and cleared the scene.

INITIAL RESPONSE/CONTACT:

On 10/25/2021 at approximately 1612 hours, I was operating as a Tac Unit (two officer patrol vehicle) with Ofc. Cabigon when we responded to St. Lukes Downtown, located at 190 E. Bannock St., to interview a victim related to this report. Ofc. Cabigon and I arrived on scene and met with the victim in ER room A4. I was notified by the doctor that the victim, identified verbally to me by her son as [REDACTED], did not speak any English and had her son translate. Her son was identified verbally to me as [REDACTED] and later confirmed by OLN.

The doctor was dressing wounds that [REDACTED] had on her right leg. Ofc. Cabigon took photos of the injuries. See Ofc. Cabigon's supplement for further. I decided to speak with [REDACTED] outside while [REDACTED] had her wounds dressed by a doctor. [REDACTED] told me that [REDACTED] had told him she was inside Dillards, in the mall, when she heard two shots. [REDACTED] noted that [REDACTED] was visiting from the Michigan area and was with his sister, [REDACTED] and his niece, [REDACTED]. [REDACTED] told me that [REDACTED] continued to say that once she heard the shots, she attempted to hide under the cashier's station with her family members. [REDACTED] told [REDACTED] that the shooter passed by the counter and shot at the ground near where the three were hiding under the cashier's counter. It was at this time that [REDACTED] was hit in her right left by fragments from the gun fire.

As I was interviewing [REDACTED] about what [REDACTED] had told him, Det. Mossi arrived on scene and took over the interview. See Det. Mossi's report for further. A Nurse at St. Luke's indicated that they had [REDACTED] close in the ER room on hand and would be working to identify which Ada County Medic unit had transported [REDACTED] to the ER. Det. Mossi told Ofc. Cabigon and I that he no longer needed assistance at the hospital. Ofc. Cabigon and I cleared the hospital at that time.

Later at approximately 0052 hours I responded to the mall area at the direction of LT. Butler for scene security. This concluded by involvement with this incident.

SUPPLEMENTAL INVESTIGATION:

On 10/25/21 at approximately 1706 hours, I responded to [REDACTED] to relieve Garden City Police officers that had secured this residence. I arrived at approximately 1721 hours and met with Officer Gilliam, who had taken over managing the scene log. Officer Arroyo arrived a few moments later. I placed my vehicle in a spot to ensure security of the location, outside of the crime scene tape that was already in place. I did not enter the residence.

While at the location, Person w/ Knowledge [REDACTED] (neighbor from Trailer # [REDACTED]) approached our location at approximately 1815 hours. He informed me that he had video surveillance that had angles of the entrance to the trailer park and one that was in the direction of the address I was standing by at. At the direction of Sergeant Pietrzak, I asked [REDACTED] if he would show me video so we could determine an approximate time that the resident of Trailer # [REDACTED] left.

I accompanied [REDACTED] to his residence where he was able to queue the video up. The video surveillance system time was not correct. At approximately 1819 hours, the video surveillance system showed its time as 0513 hours. A discrepancy of approximately 13 hours.

The video surveillance system showed the following (with its time stamp showing the date of 10/24/21):

2329 hours, subject leaves on foot
2352 hours, subject returns on foot with a shopping bag
2355 hours, subject leaves on foot and does not return

I informed [REDACTED] that someone from the Boise Police Department would be in contact with him to download the contents of the video surveillance system hard drive. [REDACTED] stated that he could be reached by telephone and would allow the download of the video for BPD's investigation.

At approximately 1933 hours, I was relieved from the scene by Officer Burch and Officer Ni.

It should be noted that throughout my involvement in this incident, I was equipped with a body worn camera and it was recording. This report is merely a summary of the incident and is not intended to be an exact transcript of the entire investigation. I later uploaded the recordings into Evidence at the Boise Police Department.

INITIAL RESPONSE/CONTACT:

On 10/25/2021 at 1725 hours, I arrived on scene at [REDACTED] Boise, ID to relieve Garden City Police officers who had secured the residence and set a perimeter. Upon arrival, I made contact with Officers Marconi and Gilliam outside the residence. I did not enter the crime scene that was taped off around the residence prior to my arrival.

We were soon approached by [REDACTED] who resides at [REDACTED]. [REDACTED] advised his dad, [REDACTED], had cameras on his residence that might be useful. We were later approached by [REDACTED] resident of [REDACTED]. [REDACTED] advised he had recorded video surveillance from cameras attached to his residence which point directly to the front door of trailer [REDACTED] [REDACTED] advised he does not know how to view the recorded video or play it back on his monitor but was willing to provide the hard drive as evidence.

[REDACTED] obtained the hard drive from inside his residence and voluntarily provided it to Officer Gilliam. [REDACTED] said the time stamp and date on the listed video is probably incorrect.

Shortly after, we made contact with [REDACTED] who walked up near the scene requesting to speak with us. [REDACTED] stated she resides with [REDACTED] in trailer # [REDACTED] [REDACTED] stated she knew the suspects phone number and provided it to me [REDACTED] but knew nothing about him. [REDACTED] stated she believed another male lived with "Jacob" but was not around very often and would stop showing up for several weeks at a time.

All information was relayed to Sgt. Pietrzak. At approximately 1926 hours I was relieved of scene.

Narrative

On 10/25/21 at approximately 1350 hours, I was on duty as the supervisor for Valley day shift patrol (designator 1850) for the Boise Police Department.

I heard a shooting call being dispatched at the Boise Towne Square Mall. At the time, I was at City Hall West working on administrative duties. I left the station and responded Code 3 towards the mall.

While en route, I heard Officers notify dispatch of 'shots fired' near Dave and Busters restaurant. I also heard them say they were behind, or on the north side, of Dave and Busters.

I next heard them say the suspect was hiding behind dumpsters at this same location. Being familiar with the area, I pulled into the parking lot of Cafe Zupa restaurant on the southeast corner of the intersection of Milwaukee Street and Emerald Road.

I exited my vehicle and observed Officer Cooper removing Officer Dance's external vest in front of a parked car. Officer Dance had blood near and around his left eye and appeared very pale. I ran up to Officer Dance and observed that his eye lid appeared to have debris trapped under it. I quickly assessed if there was a need for an Officer Rescue. Officer Dance told me he was Ok and I was also aware that Officer Cooper has specialized medical training.

I then ran to Officer Shofner who was holding the suspect at gunpoint and using his vehicle as cover. As I moved to the left side of Shofner, I observed the suspect's right leg behind a dumpster. His leg was twitching. I began to move to my left to observe the suspect better. I noted he was sitting down and appeared slumped over. I then saw his right hand was visible and empty. I then noticed large amounts of blood pooling around the suspect. The suspect's hood was pulled over his face and the source of blood appeared to be coming from this area in large quantities. I recognized this, from previous experiences, as a potential self-inflicted gun shot wound to the head. As I continued to clear the suspect, I was able to see his left hand was also empty. Lieutenant Wittmuss had began to approach from a different angle and was also able to determine the suspect was not holding a weapon and was in need of emergent medical care. Wittmuss, myself, and Officer Presnell approached the suspect. I observed a black pistol next to the suspect's left leg, near his left arm. I placed my foot on the pistol and pulled back and away from the suspect. Officer Presnell then placed the suspect in handcuffs.

Once the suspect was detained I gave updates to dispatch and requested medics for both Officer Dance and the suspect. As Officer Dance was being prepared to be transported by ambulance. I

made sure Officer Shofner was ok and had him ride in the ambulance with Officer Dance. Before Officer Shofner left, I took his rifle and secured it in my patrol vehicle.

As the command post began to set up inside MOD Pizza, I worked with arriving personnel when and where needed. At one point, Meridian detectives needed to photograph Shofner's rifle. I assisted their evidence technician with this process.

The rest of my time with this incident was spent at the command post.

Narrative**INITIAL RESPONSE/CONTACT:**

On 10/25/21, I was on duty and working my Domestic Violence position in CID. I was at my desk when I heard dispatch advise of a shooting at the Boise Towne Square Mall. Information was relayed that a security guard had been shot and was down. The male suspect had fled from Macy's northbound. I went enroute to the Mall from the Boise Police Headquarters.

While responding, BPD Officers went on location. Dispatch advised the male suspect was behind Dave & Busters and shots had been fired. The male suspect was now laying down behind a dumpster. I turned southbound on Milwaukee and parked my Boise Police Department unmarked vehicle in front of a white SUV. As I exited my vehicle, I observed several Officers/Detectives arriving. In the white SUV on the driver's side, was an elderly female who appeared to have blood coming from her left eye. She was being attended by Officers and medics were on location.

A white male ran up to me and stated "an Officer is down over there and pointed to the southeast of MOD pizza. I ran over to the area and observed Officer Dance was sitting on the ground and had an obvious injury to his left eye. His baseball cap was off his head, but nearby and I saw what appeared to be a bullet hole in the brim of his hat. The hole was about in the middle of the brim. Ada County Paramedics arrived and Officer Dance was loaded on the gurney and put in the Ambulance.

Officer Dance was in Phase 3 field training with Officer Shofner. They were first on scene with the male suspect. Officer Shofner got in the ambulance and I was assigned to ride with them to the hospital. I used Officer Shofner's department issued cell phone and took initial photos of Officer Dance and his injuries. At St. Alphonsus, Officer Dance was taken to room #5 in the emergency department. I remained with Officers Shofner and Dance until I was asked by Lt. Wittmuss to document all patients at this location that had been involved at the mall. I completed that assignment and provided the information to Sgt. Weir and Sgt. Pietrzak.

I went back to room #5 and remained with Officers Shofner and Dance. St. Alphonsus employee, PA [REDACTED] removed the metal from Officer Dance's eye. I observed it on Officer Dance's bed and advised Meridian Police, who were leading the investigation. I used Officer Shofner's department issued cell phone and took follow-up photos of Officer Dance's injuries.

Shortly after, both Officers Dance and Shofner were cleared for release from the hospital and had an escort for each. I was assigned to collect the On Body Camera's for both Officers Dance and Shofner. Officer Shofner's camera was on his person and was retrieved at St. Alphonsus. Sgt. Pietrzak drove me from St. Alphonsus to Mod pizza at Milwaukee/Emerald. I retrieved Officer Dance's camera from Sgt. Nielsen. I was given permission to remove my unmarked vehicle from inside one of the taped off areas

Narrative

On 10/25/21 at about 1515 hours, I responded to the scene of the Officer Involved Shooting related to the suspect of the Boise Town Square Mall shooting. I arrived on scene a short time later and was assigned to be the escort Officer for Officer Cooper who was a witness to the incident. I transported Officer Cooper to the Ada County Sheriff's Dept and waited with him until CITF Investigators arrived. After CITF Investigators conducted their initial investigation related to Officer Cooper's involvement, I transported Officer Cooper to the Boise Police Department.

At about 1700 hours, I was assigned to maintain the crime scene log inside the Mall/ Macy's. I took over the crime scene log from Officer Ellison at about 1910 hours. I maintained the crime scene log until Investigators and the Crime Lab had concluded processing the crime scene and turned the crime scene log over to Det. Iverson at about 0045 hours on 10/26/21.

I responded to the incident command post following that and was assigned as command post security for the remainder of my involvement with the incident.

I was assigned to the Boise Airport Terminal when a shooting call occurred at the Boise Town Square Mall. Patrol units already on scene requested a "drone" over the radio to assist with the search. I responded to the incident per their request as I'm a drone pilot. Upon arrival, I linked up with the drone unit from the Meridian Police Department who was conducting aerial operations in the parking lot between the Dave and Buster's parking lot and Mod Pizza. I learned the suspect had been located and transported to a nearby hospital prior to my arrival and that my drone services were no longer required. I did not fly a drone as I learned CTF was activated and that the Meridian Police Department drone unit would continue with their portion of the investigation. I responded back to the Boise Police Station to unload my drone equipment and was relieved of duty for the remainder of the day.

Narrative

INITIAL RESPONSE/CONTACT: On 10/25/2021 I was assigned to patrol duties at Boise State University. I responded to the dispatch call of shots fired at the Boise Town Square Mall. I drove to the mall from the BSU sub-station.

As I arrived at the mall on the north side of Macy's an unknown BPD supervisor directed all responding officer meet at the Macy's west side entrance.

I parked and deployed with my assigned patrol rifle to the west store entrance and contacted BPD supervisor Sgt Rush.

Sgt Rush assigned me to take group " ISP 2" consisting of Idaho State Troopers, Ada County Deputies and Garden City officers who had also arrived on scene.
ISP Group 2 was assigned to search and clear the south and southwest side of the main floor of Macy's department store,

ISP 2 searched the ground level south and south west side and did not locate any suspects or injured victims. Following the initial area search my group was assigned to the second level of Macy's to search the south and south west 2nd floor area for victims of the shooting or civilians.

During the search on the second-floor south employees lounge, I located one female employee who had gone into hiding during the shooting. ISP troopers escorted her back out of the search zone and out to the staging area.

after finishing the search on Macy's second floor, I was assigned to take the team to extract 8 civilians who were barricaded in the Coach store. The civilians had contacted dispatch and advised they were in the back of the store and did not feel safe at that location.

I arrived at the Coach store and made multiple attempts at contact the employees by phone, voice and by knocking on the doors. I found the store front and rear doors were locked and I was not able to get a response from employees.

At the same time my team began checking adjacent store and we located multiple employees in the Fossil and BoxLunch stores. These civilians were escorted by officers to the Apple store where they were escorted out of the mall by BPD Officer Moreno.

Eventually employees in the back of the Coach store were able to walk up and unlock the front doors. They were also escorted to the Apple store and let out of the mall.

My team searched each store after the civilians were extracted from their respective areas. After

searching that area my team was assigned to begin a specific search of each store on the ground level of the mall.

This particular phase of the search lasted about 2 hours and culminated with my team assisting another team with the search of the second level of the mall.

During the search group ISP 2 located and extracted more than 70 barricaded civilians from the lower level of the mall.

As part of the early search of Macy's and the mall first floor store ADA County assisted our team by providing K9 teams as needed. During the lower level mall search my team approached a narrow-coffined hall way. [REDACTED]

[REDACTED] Both the officer and K9 team continued their work on the search team after a quick group safety reminder for working near the K9. After the mall search was completed, both the GC officer and Deputy Morgan informed their respective supervisors and BPD on scene supervisor. See ADA County report for documentation of the minor injuries.

Narrative

INITIAL RESPONSE/CONTACT:

On 10-25-21 at approximately 1430 hours, I was notified by Boise Violent Crimes Unit Sgt Kendall reference to an active shooter situation. I was requested to respond to the Boise Town Square Mall for an active shooter incident involving multiple injured subjects, to include an injured police officer. Shortly after, I arrived at the mall and met with both Detective Wirshing, Miraglia, and Canfield. Arrangements were made to begin interviewing witnesses. Det Miraglia and I were tasked to start interviewing an elderly couple who had seeked shelter at a nearby store, Lane Bryant, to the Macy's store.

Det. Miraglia and I introduced ourselves to both [REDACTED] and her husband [REDACTED] (DOB [REDACTED]). Both were visibly shaken up as we requested to speak with them reference what they had witnessed. Both agreed to be interviewed and denied being injured in any way. Det. Miraglia spoke with [REDACTED] in a storage area of the Lane Bryant store while I spoke with [REDACTED] just outside of that storage area in a hallway. Refer to Det. Miraglia's report reference [REDACTED] interview.

WITNESS INTERVIEW: [REDACTED]

As we both sat down in chairs in a nearby hallway from where her husband was, it was very apparent that [REDACTED] was visibly shaken and in a state of shock as we began discussing the tragic events that had just taken place. [REDACTED] expressed how her and her husband were nearly killed by the suspect and had made eye contact with him as well. [REDACTED] had added that she knew the suspect had watched her and her husband flee to the nearby Lane Bryant store to seek shelter and fully expected him to follow them into that store to continue his carnage.

[REDACTED] [REDACTED], could not exactly recall the time in which her and her husband arrived to the mall on this date nor did she have any idea as to what time it was at the time of this interview. [REDACTED] continued by telling me that she wanted to shop at Macy's for a couple of sweaters. [REDACTED] described leaving the Macy's store and into the interior of the mall and immediately walking to a nearby mall directory. Once near the mall directory, she observed a family looking at that same directory. Therefore, [REDACTED] informed me that her and [REDACTED] decided to walk around to the opposite side of the same directory to see if that side had the same information. While doing so, [REDACTED] described seeing a guy with a handgun, take a shooting "stance," and another guy "go down" onto the ground after hearing several shots being fired.

[REDACTED] described that at the time of the shooting, her husband's back was to the shooter and she noticed that her husband was also observing what took place and appeared to be in a state of shock. [REDACTED] further described the incident as happening "so fast" and that the shooter was in front, and to the left of her and her husband. [REDACTED] added that typically, both her and [REDACTED] carry side arms with them at all times. However, neither were carrying any firearms on this date.

After witnessing the suspect take a "shooter's stance" with a gun in his hand and shooting a subject (later identified to be the security guard), she immediately grabbed her husband's right arm and began pulling him towards the nearby Lane Bryant store for shelter. During this time, [REDACTED] stated, "I thought for sure we were going to get killed" and/or "shot," while running towards the Lane Bryant store.

While running towards the store, [REDACTED] heard someone from within that store yell at her to "Come in, Come in!" Staff members inside of this store quickly escorted her and [REDACTED] to a back storage room where they were ultimately locked in with three other subjects (staff members). [REDACTED] described that once inside of that room, she did not want to let go of her husband thinking that the suspect was going to come through that door at any moment. [REDACTED] was adamant that she knew the suspect had fired his weapon at them and that he knew they had ran into this store.

Towards the end of this interview, I asked [REDACTED] what she could remember the suspect wearing. [REDACTED] stated that, "All I remember" was that the suspect was wearing "dark clothes" and that she had seen him with a "gun." [REDACTED] added that "you could tell he knew how to shoot by the way he was standing."

At this point, Det. [REDACTED] had completed his interview with [REDACTED] Det Miraglia and I both wanted [REDACTED] and [REDACTED] to be reunited as soon as possible. Therefore, this interview concluded. Prior to ending this interview, I provided [REDACTED] with my business card and requested she contact me directly if new information about this incident surfaced. [REDACTED] assured she would call me if she recalled anything further about this incident.

Later this date at approximately 2130 hours, [REDACTED] called and informed me that she noticed a small tear on [REDACTED] sweatshirt. After further examination, both [REDACTED] and [REDACTED] realized that his clothing had a bullet hole that went through his leather jacket, sweatshirt, and T-shirt, and was underneath his right arm pit. This startled both parties even further as they realized how close they were to getting shot and/or killed. Det. [REDACTED] responded to [REDACTED] residence to retrieve the clothing in question. A bullet hole was confirmed to have penetrated all three pieces of clothing in the location previously described. Those items were booked into property as evidence by Det. [REDACTED] See Det. [REDACTED] supplemental report for further.

WITNESS INTERVIEW: [REDACTED]

After speaking with [REDACTED] I conducted interviews of all three of the staff members of Lane Bryant. The first I interviewed was [REDACTED] [REDACTED] did not witness the shooter or the shooting. However, she did recall hearing approximately "6 shots" coming from outside of the store and in the mall hallway. Initially, [REDACTED] thought the shots sounded like pool balls dropping from upstairs and onto the common area floor. Within moments of hearing this, her, two co-workers, and [REDACTED] and [REDACTED] ran to the storage room for shelter.

WITNESS INTERVIEW: [REDACTED]

The next I interviewed was [REDACTED] As with [REDACTED] [REDACTED] did not witness the shooting or see the shooter either. [REDACTED] recalled hearing approximately "8" shots coming from the same area that [REDACTED] had described. [REDACTED] also quickly responded with everyone mentioned above, to a storage room.

WITNESS INTERVIEW: [REDACTED]

The final staff member I interviewed was [REDACTED] [REDACTED] was the acting manager of the store during this time. As with the other two staff members above, [REDACTED] did not witness the shooting. However, [REDACTED] recalled seeing a subject wearing possibly dark gray colored "hoodie" and two other people outside of the store. After hearing approximately "6-8" shots, she immediately waived at two elderly people (later identified as being [REDACTED] and [REDACTED] and yelling at them to come into her store. Once inside of the store, [REDACTED] quickly escorted all parties to a back storage room where she ultimately locked the door and hoped that the suspect would not follow them.

I obtained all above witnesses contact information and informed them that victim witness services would be in contact with each of them in the near future. All parties requested victim services due to the tragic events. Some of which mentioned having PTSD and anxiety from this incident as well.

At the conclusion of these interviews, I assisted [REDACTED] in securing the store. [REDACTED] [REDACTED] and [REDACTED] walked out of the back door to avoid walking through the main corridor and crime scene. Therefore, [REDACTED] handed me the keys to the store prior to leaving. I then locked the rear door and front gate to the store. After securing the store, I walked around to a separate exit and provided those keys back to [REDACTED] Moments later, all parties left the area.

All of the above witnesses information was forwarded to Victim Witness Services on 10-26-21.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS:

My interviews of the above witnesses were audio recorded and attached to this report. Refer to those recordings for further.

The 2TB hard drive provided by [REDACTED] for review, will be examined and downloaded if possible, and booked into property as evidence under Item #2CR.

The Macy's video surveillance obtained (5 DVD's of several camera angles) were reviewed and will be booked into property as evidence under Item #1CR.

Narrative	
------------------	--

I heard a call of shots fired on the radio and responded to Macys department store at the Boise Town Square Mall. I assisted with clearing Macy's and then assisted with escorting other Boise Town Square Mall customers and shop keepers out of the mall that had hidden in various stores.

After the Mall was cleared I was assigned a outer perimeter position on the West side of Dillards which I held until I was relieved by a night shift officer sometime after 2300 hours.

Narrative

INITIAL RESPONSE/CONTACT:

On 10/27/21, Detective B. Thorne from Financial Crimes requested I complete a [REDACTED] report from a thumb drive containing a forensic data extraction he had obtained via ISP. ISP performed the original data extraction [REDACTED].

CERTIFICATIONS:

I completed my certifications for [REDACTED] on 2/26/19/ and [REDACTED] on 4/8/19. I completed my recertification for both programs on 9/24/21. Both certifications are valid through 12/31/2023.

FORENSIC EXTRACTION AND ANALYSIS:

I conducted a full file system extraction from the data on the thumb drive using the [REDACTED] program. Once the extraction was completed, I generated a report for the extraction using the [REDACTED]. The report and extracted data files were recorded onto two thumb drives and a DVD disc. The two thumb drives contained the report only and was given to Detective Thorne. The DVD disc labeled "Evidence" contained a copy of the report provided to Detective Thorne and the extraction files used to create the report. The "Evidence" disc was booked into Property. No further.

NOTE - [REDACTED]

In some cases, the [REDACTED] noted will be contained on an optical disc, flash media, or other storage device. The data will include the [REDACTED] used to view and access the report. Once selected, the viewer program will open and begin loading data until the report categories are populated. Please note that the [REDACTED] report can contain a large amount of data and it will take time to load. Due to data transfer limitations of optical discs, it may be necessary to first copy the report file from the disc to a hard drive or portable hard drive, then access the report file directly from that drive.

FOLLOW UP:

This supplemental report contains a time line of Macy's video on 10-25-21, follow up phone interviews of two on line witnesses to the event, and a telephone interview of [REDACTED] [REDACTED]
[REDACTED]

WITNESS INTERVIEW: [REDACTED] ([REDACTED])

On 10-25-21, I was tasked with contacting Jacob Bergquist's [REDACTED]. At the time of this call, [REDACTED] was believed to be Jacob's roommate.

On this same date at approximately 1815 hours, I called and spoke with [REDACTED] at his listed number of [REDACTED]. [REDACTED] confirmed that he knew Jacob Bergquist and clarified that he has known him for approximately seven years and [REDACTED] that Jacob was residing in. According to [REDACTED] Jacob was renting a room from him and had been since April of 2021. [REDACTED] also clarified that he did not reside there and that he currently lived in [REDACTED]. However, [REDACTED] added that he does come to Idaho every 2-3 months and stays for a few days at a time at this trailer with Jacob. When asked how they knew each other, [REDACTED] informed me that he had met Jacob at a gym in [REDACTED] several years ago.

The last time [REDACTED] recalled seeing Jacob was while he was visiting Boise approximately 2-3 months

ago. According to [REDACTED] Jacob was his only tenant as well. When asked if he had any knowledge as to Jacob using any narcotics, he denied. [REDACTED] referred to Jacob as being a "Gun enthusiast," and estimated that he owned three hand guns. [REDACTED] added that Jacob typically keeps his guns in his room and is "always playing with them."

[REDACTED] quickly became very curious as to why I was asking him these types of questions about Jacob and would ask me about my questioning and if Jacob was alright. I informed [REDACTED] that there is an investigation involving Jacob and hurting people. This topic led me to begin asking questions regarding Jacob's mental status and if he suffered from any mental illness.

[REDACTED] informed me that a couple of months ago, he began noticing Jacob appearing "depressed" and described Jacob as being "borderline suicidal." [REDACTED] told Jacob that he needed professional help and offered to pay for a therapist for him as well. However, Jacob refused to seek professional help. I began asking [REDACTED] if Jacob had recently suffered a break up or anything else traumatic in his life. [REDACTED] denied Jacob going through a recent break up and as well as Jacob being prescribed any medication as well. According to [REDACTED] Jacob has always been very "anxious," "depressed," and having "paranoia." [REDACTED] also denied hearing Jacob ever threaten to harm anyone or having any enemies.

I briefly explained to [REDACTED] that Jacob had hurt some people at the Boise Town Square Mall and asked for consent to search his trailer. [REDACTED] immediately provided verbal consent to search the trailer that Jacob was residing in. A search warrant was already being constructed for Jacob's bedroom by Det. Seavey. [REDACTED] described Jacob's bedroom was the room on the left in the hallway. [REDACTED] added that his own bedroom was the one at the end of the hallway.

In regard to Jacob having any family living in the area, [REDACTED] denied. [REDACTED] informed me that Jacob had an [REDACTED] residing in [REDACTED]. [REDACTED] also mentioned Jacob's [REDACTED] (unknown name at this time) who resided in [REDACTED] and [REDACTED].

[REDACTED] further described Jacob as firmly believing in "open carry" and "that's his thing." According to [REDACTED] Jacob always wore a back pack with ammunition inside, a belt with a holster and "pistol" on his side, with two magazines, a pistol in a pocket, and a knife, every time he left the house. [REDACTED] described Jacob's attire when he would leave the house as if he was "going to war all of the time." [REDACTED] confirmed that Jacob also had a [REDACTED] that Jacob would exhibit his 2nd Amendment Rights on, among other things.

In regard to Jacob's employment, [REDACTED] would typically only work a couple of days at a time at random jobs before quitting or getting fired, for one reason or another. [REDACTED] added that Jacob wasn't paying much rent and that he was actually behind in rent. [REDACTED] continued by explaining how he was in the process of evicting Jacob as well. This process was in the early stages, therefore, Jacob was unaware of

this taking place.

Towards the end of this telephone interview, [REDACTED] explained that the last time he was home that he left "abruptly" due to Jacob getting upset with him for waking him up at night. [REDACTED] explained that he was fixing a curtain rod when Jacob woke up and got upset with him, ultimately leading to [REDACTED] leaving a couple of days earlier then scheduled.

At the end of this interview, [REDACTED] expressed his concerns of what Jacob's involvement was regarding hurting people at the mall. [REDACTED] was left with no further detailed explanation as to what happened and advised that more information would become available as the investigation develops.

ADDITIONAL FOLLOW UP WITH ON LINE WITNESSES:

ONLINE WITNESS: [REDACTED]

On 10-26-21, [REDACTED] had called Boise police dispatch regarding a video she recorded of a male matching the suspect's description, walking West on Fairview Ave near Cole Rd in Boise.

I received this tip on 10-28-21 and immediately followed up with [REDACTED] at approximately 1305 hours.

[REDACTED] informed me that she had a two second cell phone video of a male open carrying a fire arm on his left side and walking West bound on Fairview approaching Cole Rd. [REDACTED] continued by telling me that she was having a discussion about the open carry laws in Idaho when she observed this subject walking with a firearm on his left side.

[REDACTED] told me that it didn't "dawn" on her that she may have caught the actual shooter on camera until after watching the news later that Monday night (10-25-21). [REDACTED] stated that she took this video at 1312 hours on 10-25-21.

[REDACTED] added that after it "dawned" on her that she may have a video of the shooter, that she immediately called Ada County Dispatch shortly after 0100 hours on 10-26-21 and advised them of her video. [REDACTED] also informed me that she had posted this video on "Tik Tok" as well. Ultimately, KTVB discovered this video on the social media website and reached out to her for an interview, [REDACTED] declined.

When asked why she felt the need to video this subject, she explained her thoughts. [REDACTED] began to cry over the phone as she explained that her and a friend had initially driven by subject when she noticed his face. When she saw his face, she described him having a look of "malice." [REDACTED] went on to explain that she didn't know why she felt this way and described that the last time she had felt this way was when she was with her abusive ex-husband. [REDACTED] described the suspect as wearing a black hoodie, with possible "scruff" on his face, with a "prominent nose," wearing a "big pistol" on his left hip, and having a back pack on.

The video in question is of her and a friend stopped at a red light traveling West bound on Fairview and just East of Cole Rd. [REDACTED] recalled the same subject pushing the pedestrian button at this intersection but was unsure of which direction he had traveled on foot at the time.

[REDACTED] emailed me the video during our telephone conversation. I thanked her for her phone call prior to ending this conversation. The video in question has been attached to this report.

ON LINE WITNESS: [REDACTED]

On 10-25-21 at approximately 1610 hours, I called and spoke to [REDACTED] reference his emailed statement. [REDACTED] confirmed that while traveling East bound on Fairview Ave near Milwaukee St in Boise, ID on 10-25-21, he observed a male subject dressed in all black that was open carrying a semi automatic firearm. Although [REDACTED] knew it was legal to open carry in Idaho, he had a bad feeling about this subject. [REDACTED] informed me that as the subject approached Milwaukee St, he lost visual of him and did not know where he went from there.

Narrative

INITIAL RESPONSE/CONTACT:

On 10/25/21 at approximately 1400 hours I was off duty and at the Boise Town Square Mall. I became aware that there was likely a serious incident unfolding within the mall at an unknown location. I exited the mall through the rear exit of an upper level store while notifying the store employees and several patrons to do the same. I returned to my personal vehicle while now hearing a PA announcement that an active shooter incident was occurring. I armed myself with a pistol and began monitoring BPD channels on my portable radio ultimately learning a shooting of some type had occurred, an officer had been injured, and Lt. Wittmuss was likely in need of further supervisory support based upon the nature of the incident.

I drove to his location near the Zupas restaurant and spoke with Lt. Wittmuss and Chief Lee regarding the circumstances of this incident. I was assigned to assume command of the incident in support of Lt. Wittmuss. I did so until approximately 0200 hrs on 10/26/21 where I was relieved of that responsibility by Lt. Kukla and Capt. Fleming.

Narrative**WITNESS INTERVIEWS GENERATED BY ONLINE CONTACT FORM:****WITNESS INTERVIEW - [REDACTED]**

On 10/28/2021 at approximately 1225 hours, I contacted [REDACTED] on the phone. [REDACTED] confirmed that she had submitted a form through the Boise Police Department regarding the incident. She stated that she had been shopping at the mall and at the time of the shooting. She was inside Forever 21 when she heard approximately three gunshots. I learned that she was looking out of the store when this happened and she observed a male wearing a black or navy colored hoody, dark denim jeans, and dark colored shoes standing at the top of the escalator. The male was Caucasian, no taller than 5'11" and he had a slim build. She thought that he was the shooter and she believed that she saw him holding a small black handgun with two hands. She recalled that she saw the male shoot the three rounds into the ground. However, she also mentioned that he appeared to be shooting towards Kohl's. I confirmed with [REDACTED] that she was on the second level of the mall when this happened and she said yes. She swore that the shooter was also on the second level. I asked her if she ever saw any shooting victims and she told me no. [REDACTED] ultimately took cover in a rear storage room and she also called 911.

WITNESS INTERVIEW - [REDACTED] :

On 10/28/2021 at approximately 1254 hours, I contacted [REDACTED] on the phone. [REDACTED] confirmed that she had submitted a form through the Boise Police Department regarding the incident. She stated that she works at the mall at MAC Cosmetics. I learned that she was on her lunch break and she was riding up to the second level on the escalator located within the mall, just outside of Macy's. When she was approximately five stairs from the top, she stated that she heard two gunshots and she looked down toward the first level. She saw the gunman, in a shooting stance with his legs spread and his arms out shooting rapidly in the direction of the security guard. She stated that the shots were being fired toward the center of the mall and he appeared as though he was aiming. [REDACTED] described the gun to be a black colored handgun.

[REDACTED] had never seen the gunman before, but she described him to be a white male wearing all black. She believed that he was between 25 - 30 years old and she specifically recalled that he wasn't wearing a face mask. I asked if she had heard any conversation between the gunman and the security guard and she told me no. I asked if she recalled seeing the security guard prior to the shooting happening and she told me yes. She stated that she saw him fixing the trashcan on the other escalator just as she stepped

foot onto the escalator that she was riding.

[REDACTED] stated that after she saw what had happened, she immediately ran into Forever 21 and eventually ran out the back to her vehicle. She then left the area.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]

I spoke with [REDACTED] on 10/28/2021 at approximately 1318 hours. She stated that she was not at the mall at the time of the shooting, however she wanted to report a post that she had seen on Snapchat. She stated that an individual known to her as [REDACTED] had posted an image within a group chat that she is part of. The image showed the deceased security guard and it was labeled "[REDACTED]". [REDACTED] thought the image was inappropriate and she wanted to report it.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]

I contacted [REDACTED] the mother of [REDACTED]. I advised her that [REDACTED] had posted a picture of the deceased security guard on Snapchat and I was interested in seeing if he had actually witnessed the shooting. [REDACTED] believed that [REDACTED] was at school during the shooting and that he wouldn't have been at the mall. She told me that she would have [REDACTED] call me as soon as she could.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]:

I attempted to call [REDACTED] with negative results. I left a voicemail for [REDACTED]. Approximately 30 minutes later, I received a call from [REDACTED] attorney, [REDACTED]. [REDACTED] advised that [REDACTED] had contacted her and he wanted to know why I was calling. [REDACTED] mother, [REDACTED] was notified of this.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]

I spoke to [REDACTED] on 10/28/2021 at approximately 1350 hours. [REDACTED] advised that she was not at the mall, but prior to the suspect's Youtube channel being shutdown, she had seen a comment on one of his videos. She stated that comment was made from a Youtube channel called "[REDACTED]". She messaged the channel and notified them that a person they knew, Jacob Berquist, had murdered two people. The person responded back and confirmed that they knew Jacob, but denied ever doing any live streaming with him. [REDACTED] thought that the person that responded to her was acting "defensive" and she wanted to make sure that the authorities knew about it. [REDACTED] provided me with screen shots of

what she had seen and her conversation with [REDACTED]

I reviewed the screen shots and it appears as though [REDACTED] had commented on a video of Jacob feeding some squirrels. I then personally looked at the video that [REDACTED] thought was Jacob on live stream. This male within the video appears to be named [REDACTED] and he has a distinct accent. Although he has a shaved head, this person is not Jacob.

WITNESS INTERVIEW - [REDACTED] :

I spoke to [REDACTED] on 10/28/2021 at approximately 1415 hours. She informed me that she had been in the checkout line at the Macy's shoe store with her 4 year old daughter at the time of the shooting. As soon as she heard the shooting, she looked out the glass windows that peer out into the main corridor. She saw the security guard fall to the ground and she began to hear people scream and yell. [REDACTED] advised that she immediately ran into Macy's and an employee escorted them into a door that led to a stairwell. She heard a total of 10 gunshots while she was running. Once she got outside, she immediate went to her car and they left the area.

[REDACTED] advised that she never saw the shooter and she didn't hear or see the security guard speaking to anyone. She also believes that the Hispanic male that was killed during the shooting may have been in the Macy's shoe store with her just prior to the shots being fired. She saw his pictures on the news and he looked similar.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED] :

I contacted [REDACTED] on 10/28/2021 at 1452 hours. [REDACTED] informed me that she wasn't at the mall at the time of the shooting, but she received a photograph of what appears to be the deceased security officer. She advised that she received the photograph from her daughter, who had supposedly received it from a friend, who received it from another friend. [REDACTED] didn't feel comfortable knowing that she had this picture and she felt as though she should let the authorities know.

WITNESS INTERVIEW - [REDACTED] :

I contacted [REDACTED] on 11/2/2021 at approximately 1324 hours. [REDACTED] confirmed that she had submitted a form through the Boise Police Department's website. She stated that she was in Macy's when the shooting took place. She was in the area of Macy's that leads into the shoe department when she heard the first shot. She immediately froze after hearing the shot and after hearing two more shots, she heard someone yell to "get down." She saw several women run into a dressing room, but she made the decision to enter a nearby elevator with three other women. The three of them rode the elevator upstairs. As soon as she exited the elevator and stepped out on to the second level of Macy's, she saw a Hispanic male adult

wearing all black clothing that was tight around his body. She stated that the male was tightly gripping a black canvas bag within one of his hands. She described the bag as being 6" x 6" and 12" in length. The male then started conversing with another tall and skinny Hispanic male in Spanish. Both of these men caught her attention because she had seen something online about there being four other suspects wearing all black in the mall. However, she quickly learned that this rumor had been "debunked." She confirmed that she never saw either man with a weapon and she never saw anyone shooting a gun. She also didn't see any victims.

[REDACTED] stated that she immediately hurried out of the Macy's on the second level and she ultimately met up with her husband within the parking lot. She explained that she recalled seeing the Hispanic male victim ([REDACTED]) on the lower level of Macy's near the fragrance counter. She stated that [REDACTED] was wearing a Brown jacket and he looked very nice. She told me that she also recalled seeing at least two Middle Eastern females in Macy's at the time of the shooting. She told me that she was surprised by how culturally diverse our community had become.

WITNESS INTERVIEW - [REDACTED]

On 11/2/2021 at approximately 1352 hours, I contacted [REDACTED] on the phone. She confirmed that she had submitted a form through the Boise Police Department website. She advised that at the time of the shooting, she had been eating at MOD Pizza (600 N Milwaukee St Boise, ID), which is located just north of the Boise Towne Square Mall. While eating, she had looked south and she saw a police motorcycle and a police vehicle pull into the alley. She saw the "perpetrator" running east through the alley. She only recalled that he was wearing a dark "poofy" vest. She saw the perpetrator turn around, pull out a gun and start shooting west. She also saw an officer pull out a gun or a Taser. She stated that she saw the suspect shoot multiple times. After she heard and saw the shooting, she stated that she stopped watching and she went to the other side of MOD Pizza. She did see a white vehicle stopped in the middle of the roadway with bullet holes in it. [REDACTED] told me that she didn't take pictures or videos of what occurred. However, she did see another female within MOD Pizza holding her phone up towards the incident.

WITNESS INTERVIEW - [REDACTED]

On 11/2/2021 at approximately 1415 hours, I made contact with [REDACTED] on the phone. [REDACTED] confirmed that he had provided some information regarding the shooting at the mall through Crime Stoppers. [REDACTED] stated that he was in the mall at the time of the shooting, specifically the Pottery Barn on the first level. When the shooting began, a Pottery Barn employee rushed him, his wife, his sister and her husband and their toddler out the back door. As they were leaving the area on foot and crossing W Emerald St at W Rifleman St, they were approached by a male that caught them off guard. [REDACTED] stated that the male seemed odd and out of place and he spoke to them about what had just happened at the mall. He

stated, "that was crazy" and he mentioned that he had "never been part of one of those before." [REDACTED] stated that the male was carrying a white envelope in one hand and his other hand was tucked into a pocket. He described the male as being 5'7" and skinny, having dirty blonde hair, and he had several tattoos. He observed the male to have a tattoo on his face, possibly an upside down Idaho. He also observed him to have tattoos on his legs. The male was wearing a white hoody and shorts. [REDACTED] stated that prior to the male approaching them, he had gotten out of a dark green colored sedan with four door.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]

On 11/4/2021 at approximately 0920 hours, I made contact with [REDACTED] on the phone. She informed me that she had been in the mall on the day of the shooting, but when the actual shooting took place, she was across the street at Target. She mentioned that she had seen a male that had caught her attention within Macy's though. She stated that at approximately 1300 hours, she saw a male bent over and it appeared as though he was working on a shoe rack. She stated that she was going to say something to the male, but he looked up at her and he didn't seem very approachable. She recalled the male to be wearing khaki colored clothing. She didn't know if it was pertinent to the investigation, but she felt the need to tell us.

WITNESS INTERVIEW - [REDACTED]:

On 11/4/2021 at 0939 hours, I made contact with [REDACTED] on the phone. She informed me pulled into the mall parking lot and she observed people running out of Macy's. She saw a white male adult, in his late 20's or early 30's walking from the same direction and headed toward the Old Navy store. She stated that he was wearing all black and he was holding a black duffle bag. She described it to be a gym bag. As she parked and entered Old Navy, the manager told her that they were locking all of the doors. She went inside and so did the male. She stated that the male appeared agitated and he asked the staff if they sold cell phone chargers. The male then proceeded to leave and he walked west toward Ulta and Dave and Busters. [REDACTED] advised that she was returning some items when this occurred and the time stamp on her receipt was 1403 hours. [REDACTED] never saw a gun, but she didn't know what was in the bag.

WITNESS INTERVIEW - [REDACTED]:

[REDACTED] informed me that she was in Forever 21 when the shooting occurred with her friend, [REDACTED] [REDACTED]. After hearing four very loud shots, her, other customers, and the staff barricaded themselves within a back room. She stated that she was in the back room with three young girls from Kansas that had been separated from their parents. While the group of them were hiding for over an hour, they heard people identifying themselves as the Boise Police Department. However, they were unsure if it was actually the police and they remained silent. They didn't leave until one of the employee's fathers had parked behind the store and he told them that it was safe. [REDACTED] stated that

while they were hiding, there were several rumors circulating on social media. She read that there was more than one shooter.

WITNESS INTERVIEW - [REDACTED]:

[REDACTED] confirmed that she was at Forever 21 with [REDACTED] when the shooting occurred. She advised that she didn't see anything, but she heard a "bunch" of glass break and several gun shots. She stated that they all ran into a storage room and they waited there for approximately one hour. She told me that she was with [REDACTED] the entire time and they eventually caught a ride across the street with an employee's father.

WITNESS INTERVIEW - [REDACTED]:

[REDACTED] confirmed that she was at Macy's when the shooting occurred. She informed me that she works within the cosmetics department. At the time of the shooting, she heard glass shattering and then she heard two sets of five to six gun shots. She immediately hid within a nearby storage area. As she was running to hide, she believes that she caught a glimpse of the shooter out of the corner of her eye. She stated it was all a blur, but she recalled the shooter wearing blue and he was walking straight into Macy's from the mall area. She advised that she never saw the person holding a gun, but she assumed it was him based on where the noises was coming from. She stated that she only heard yelling and she never heard the shooter say anything. It wasn't until she was escorted out of Macy's that she saw two injured people. She stated that they were both older women. One woman was on a gurney being treated for a possible gun shot wound and the other woman was on the ground being treated by paramedics.

WITNESS INTERVIEW - [REDACTED]:

[REDACTED] confirmed he was at the mall with his wife, [REDACTED]. He stated that he was on the second level of the mall, sitting on a bench just outside of the Macy's entrance. He stated that he heard several shots and then he heard more. While in the same area, he took cover under the bench. He proceeded to hear someone running and he saw a black pant leg. He couldn't explain who this was. [REDACTED] heard approximately thirteen to fourteen shots and then screaming. He was concerned because his wife was in Macy's. He went inside of Macy's on the second level and he received a call from his wife. He learned that she was hidden within a room with several other customers. [REDACTED] never saw the shooter or any victims. He only heard the shots.

WITNESS INTERVIEW - [REDACTED]:

I made contact with [REDACTED] on the phone on 11/4/2021 at approximately 1224 hours. She confirmed that she was at Macy's at the time of the shooting with her mother, [REDACTED]. [REDACTED] stated that her

mother doesn't live in the United States and she was here visiting. While on the first level of Macy's, they heard two gunshots. They began to run and then hey heard six more gunshots. As they were running out the glass doors, [REDACTED] struck her face on the door and lacerated it. She was ultimately treated and received stitches at St Luke's Hospital.

[REDACTED] never saw the shooter or any shooting victims.

WITNESS INTERVIEW - [REDACTED]:

I spoke with [REDACTED] on the phone on 11/4/2021 at 1224 hours. She confirmed that she was at the mall with her adult daughter. [REDACTED] didn't want to disclose her daughter's name or phone number. She stated that they were on the second level of Macy's when the shooting took place. She stated she initially heard four shots and the both of them took refuge in a fitting room. After the shooting ceased, the two of them attempted to leave the mall and they saw a deceased male on top of the escalators. She stated that she saw someone attempting to provide CPR. She believed that it was a paramedic. She explained that she was then told by an officer that the mall wasn't clear and they were escorted to a nearby mall office. After a period of time, they were then walked out of the mall.

[REDACTED] stated that she never saw the shooter, she only heard the shots.

PERSON WITH KNOWLEDGE INTERVIEW - [REDACTED]:

[REDACTED] stated that he wasn't at the mall at the day of the shooting. However, he was at the mall, specifically the Apple Store on 10/21/21 at approximately 1615 hours. While he was there, he observed a male that he now believes was the shooter attempting to get help with his laptop. He described the individual to be a white male between the ages of 25 and 35. He stated that the male had a short dark colored buzz cut and he appeared to be 6'0" and 170 lbs. The male was wearing a white colored "wife beater" and baggie green colored camouflage cargo pants. The male was upset because the Apple Store security guard had asked him to pull his mask up and over his nose. [REDACTED] couldn't hear what the male was saying, but based on his body language, he was clearly agitated. He stated that as the male stormed out of the store, he ripped his mask off. I asked [REDACTED] if he observed the male to have a gun on his person and he told me no.

INVESTIGATION:

I reviewed several written statements that were turned in by Cpl M Walker. These statements were written by the following individuals:

Narrative

SUMMARY:

On 10/25/2021, I was working in the Criminal Investigations Division assisting with the shooting incident at the Boise Towne Square Mall (BTS) located at 350 N. Milwaukee Street Boise, Ada County Idaho. I was requested by Detective Roath to contact [REDACTED] at [REDACTED] reference possible evidence he discovered while at his residence regarding the shooting incident. [REDACTED] had previously been interviewed by Detective Roath & Detective [REDACTED] at the scene along with his wife [REDACTED]. For details refer to Detective [REDACTED] & Roath's interview supplemental report.

DETAILS:

- [REDACTED] contacted Detective Roath via cell phone. [REDACTED] explained after returning to their residence located at [REDACTED], Ada County Idaho. They were sitting on the couch watching television when she noticed something on this clothing in the area of his arm pit. [REDACTED] looked closer thinking [REDACTED] had something on his clothes, and then discovered a possible bullet hole in [REDACTED] clothing. The hole was in the same location on all three pieces of clothing (Jacket, sweater, T-shirt) worn by [REDACTED] during the BTS mall shooting.
- Detective Roath requested I contact [REDACTED] [REDACTED] at their residence to verify and possible recover the clothing with the bullet hole.
- Upon my arrival, I spoke with [REDACTED] and [REDACTED] and [REDACTED] said they where shopping at the BTS mall around 1350 hours. [REDACTED] and [REDACTED] were standing near a mall directory near Macy's department store behind the escalators. [REDACTED] had his back towards Macy's department store and [REDACTED] was standing towards his right and Macy's department store was to her left. [REDACTED] and [REDACTED] were keeping a social distance from another couple standing directly in front of the directory. It should be noted a bullet strike at the base of the directory was located and captured during the crime scene processing of this area.
- [REDACTED] looked towards Macy's and observed Bergquist shoot security guard [REDACTED] near the Macy's department store entrance.
- [REDACTED] grabbed [REDACTED] by his right arm and began to run towards Lane Bryant, while dragging [REDACTED].
- [REDACTED] and [REDACTED] produced a Harley soft shell jacket (grey, orange, tan) that [REDACTED] was wearing while at the BTS mall during the shooting. They also provided me with a tan pullover sweater and a grey t-shirt. See photographs for details.
- I noted on each piece of the above clothing a small hole was located under the right triceps area. The

location of the hole was consistent with the three pieces of clothes being worn together (the holes matched). The hole was also consistent with other bullet holes in clothing from other law enforcement investigations. The hole went through both front and back sections of each piece of clothing.

8. [REDACTED] said her and [REDACTED] were sitting on the couch and she noticed something on his sleeve. [REDACTED] asked what happened to his clothing and noticed it appeared to be a bullet hole. [REDACTED] then contacted Detective Roath and [REDACTED] took the clothing off to provide to the police.

9. I also noted at the scene, the presence of two bullet strikes on the door frame of the Lane Bryant store. This bullet strikes were photographed during the crime labs scene evidence collection and are labeled photograph 1-21 and 1-22. Given the bullet hole in [REDACTED] clothing and the proximity of [REDACTED] to [REDACTED] it appears that suspect Bergquist was shooting intentionally shooting at [REDACTED] and [REDACTED]

10. The clothing worn by [REDACTED] was collected and photographed by me. The property was later booked into Ada County Property. For details refer to attached property invoice.

Narrative**SUMMARY:**

On October 26 2021, I assisted with the search warrant execution of Jacob Bergquist residence located at [REDACTED] Boise, Ada County Idaho. Sgt. Pietrzak advised the search conditions of the warrant prior to the search. Members of the Boise Police Department maintained continuous control of the residence prior to the above search. Detective Seavey, Detective Mossi, ATF SA W. Moore, and FBI SA Chris Sheehan. Prior to the search being conducted, CSS D. Heron took photographs of the inside and outside of the residence to capture the pre-search conditions of the residence. Once inside, the residence was segmented into areas for search responsibility. Detective Mossi and Seavey searched the living area and kitchen. SA Moore & SA Sheehan assisted me with the two bedrooms and the bathroom. All evidence was photographed by Heron and collected by me. All items were later booked into Ada County Property.

DETAILS:

1. Prior to entering the residence, I observed several spent 22 caliber spent casings in the side yard on the [REDACTED] Street side. The rounds appeared as if someone had been shooting in the side yard. I searched the rest of the side yard looking for bullet strike or impact locations and did not located any. The side yard had a metal shed which was empty.
2. At the residence, the back bedroom, bedroom farthest away from the front door was listed as "Bedroom 1" and the second bedroom is listed as "Bedroom 2" regarding this residence.
3. Once inside, I numerous spent 22 caliber casings in the living room and hallway area. I also noted that several bullet strikes or impacts in the corner of the living wall near the hallway. In the hallway was a brown wood plywood board and an orange-colored steel 22 caliber spinning target. The wood appeared to be a bullet backstop/bullet trap and had a large number of bullet strikes/impacts in the wood. On the wall, door, and door frame next the bullet trap & steel target were a large number of 22 caliber bullet strikes or impacts. Based on the location of the couch, the bullet strikes to the living room wall corner, spent casing, and the location of the target/backstop are consistent with someone (Bergquist) sitting on the couch and target practice shooting. For details regarding these observations, refer to photographs numbered counter #1425 & #1426.
4. I noted all Bergquist clothing appeared black in color. Refer to photographs.
5. I searched all pieces of paper located in Bedroom 2, the Bedroom 1, and the bathroom for any note regarding conducting an attack at the mall, any information to indicate pre-planning of an attack, any suicide note, or any manifesto describing the attack. No such information was located at the residence.
6. The following items were located during the search:

INITIAL RESPONSE/CONTACT:

On 10/25/2021 at approximately 1350 hours, I was returning to the Boise Police Department with Detective C Wigington. Det Wigington had just assisted me in collecting some video footage from another case I was currently investigating. While traveling west on Interstate 184 near the area of N Curtis Rd, Ada County Dispatch advised that a security guard had just been shot at the Boise Towne Square Mall. Within seconds, the dispatcher was able to provide a description of the suspect to all the responding units. As Det Wigington exited Interstate 184 and crossed N Cole Rd to enter the Boise Towne Square Mall parking lot from the east, a unit advised that they had located a subject that matched the description of the suspect. They advised that they were in the area of the Dave & Busters (546 N Milwaukee St Boise, ID). Seconds later, a unit notified that shots had been fired in the same area and there was mention that the suspect had a self-inflicted gunshot wound. Det Wigington and I arrived within approximately 30 seconds of this radio traffic being put out. I observed Ofc T Cooper attempting to provide aid to the male suspect behind a large metal dumpster on the north side of Dave & Busters. Ofc

J Betz was also on scene and he was providing Ofc Cooper cover, while at the same time standing over a black colored pistol. The pistol was resting on the pavement and I noticed that the tactical light attached to the pistol was illuminated. I was advised that Ofc Dance had been injured and all of his gear was currently located within the parking lot of the MOD Pizza. I looked at his gear, without manipulating it and I observed him to have what appeared to be a bullet hole through the bill of his Boise Police baseball style hat.

Det Wigington asked that I respond to the actual mall and assist with the investigation at that location. Upon my arrival, I met Detective M Iverson at the Macy's entrance on the west side of the mall. The two of us went inside Macy's and were notified of at least two crime scenes within Macy's. Det Iverson taped off the crime scene located on the first level of the store and I was tasked with watching over the crime scene located on the second level of Macy's. When I made it to the second level, I met with Detective B Jones. He had already located a bullet fragment and he pointed out several bullets holes on the escalators located within the middle of Macy's. I also noticed that Ada County Paramedics (Medic 32 - C Dutton and C Hadley) and Boise Fire (Engine 4 and Engine 6) were on scene providing life saving measures to a Hispanic adult male at the top of one of the escalators. This individual was later identified as [REDACTED]. Cpl R Gibson and Sgt B Powell were also on scene at the top of the escalator. The male was eventually transported to St Alphonsus Hospital by Ada County Paramedics, Medic 23. As this was occurring, several law enforcement officers from all nearby agencies were conducting an interior search of Macy's and the rest of the mall. The escalators and the area where [REDACTED] was receiving medical attention was taped off with crime scene tape.

Myself and a team of detectives walked the west side of the mall and Macy's in an attempt to identify all the different crime scenes:

- 1) Location of [REDACTED] deceased body.
- 2) The area surrounding the Macy's fragrance department
- 3) The Macy's escalators
- 4) The Men's bathroom and the mall custodian offices located on the first level between the Sephora and Pendleton stores.

INTERVIEWS:

After identifying the four scenes, myself and the group of detectives walked east down the first level corridor from Macy's to the center of mall. While doing this, we were looking for, and marking any evidence. I didn't locate any evidence that had not already been marked. While looking in Maurices, I

located four employees who were hidden within a rear bathroom. I interviewed the four females.

WITNESS INTERVIEW - [REDACTED]

[REDACTED] advised that she was inside of Maurices and she heard 4 - 5 consistent gunshots. She didn't see the shooter and after hearing the shots, she immediately ran to the back of the store until I had located her and her coworkers.

WITNESS INTERVIEW - [REDACTED]

[REDACTED] advised that she is the store manager and she had been in the backroom when she heard the shots. She advised that she heard approximately 5 shots. She gathered her staff and they hid within the rear of the store until I had contacted them. She also didn't see the shooter.

WITNESS INTERVIEW - [REDACTED]

[REDACTED] was in the back room with [REDACTED] when she heard the gunshots. She stated that she didn't see the shooter and advised that they all hid within the back of the store.

WITNESS INTERVIEW - [REDACTED]

[REDACTED] stated that she was inside the store when she heard approximately 5 gunshots. She stated that her and [REDACTED] ran to the back of the store and hid with the rest of the staff. She also mentioned that a customer had been hiding with them, but she left on her own after a while. She didn't know the name of the customer, but she had mentioned that the customer mentioned being prior law enforcement.

INVESTIGATION:

After a quick briefing, I was tasked with helping out the crime scene within the mall and Macy's. I showed Detective J Rosen with the Garden City Police Department where the scenes within the men's restroom and the custodian officers were located. These scenes had been pointed out myself and other detectives by Det D [REDACTED] Det [REDACTED] was part of the team that was clearing the interior of the mall for any additional suspects or victims.

I then relieved Cpl A Johnson from providing crime scene security on the second level of the mall. This took place at 1856 hours. I was then relieved of this location at 1921 hours by Det C Wigington. I completely left the mall property at 2025 hours.

Narrative

Incident: On 10-25-2021, at 1350 hours, Boise police officers responded to the Boise Towne square mall for a security officer who had been shot just outside of Macy's. They learned that a white male had fired at a security officer and also shot several other individuals as he fled the mall towards Milwaukee. They engaged and ultimately the suspect later identified as Jacob Bergquist was transported to St Alphonsus with a self-inflicted gunshot wound to the head.

Assignment: I was activated by Sgt. Kendall and responded to Macy's to assist Detective Wirshing with this case.

Scene: I entered through the Macy's West entrance and assisted in identifying the overall footprint of the incident. The security guard, [REDACTED], was laying in the 1st floor hallway just east of Macy's between the elevators. I noted numerous bullet fragments further to the east of where

he lay. Within the nearby Macy's entrance from the mall, I noted several shell casings that led toward the center escalator, then north through the cosmetic area. The glass guardrail of the up escalator was riddled with several bullet holes and glass shards. I noted more shell casings to the north of the escalators and an empty black pistol magazine on the floor.

During the search I learned that an elderly couple were hiding inside of Lane Bryant, where I interviewed the husband, [REDACTED].

[REDACTED]: [REDACTED] advised he and his wife [REDACTED] were in the mall that day coming out of Macy's and walking towards the directory signs in the lower-level hallway. There was a family standing in front of the sign, so they stepped around to the other side of the directory sign to maintain social distancing. At that time, he heard a loud bang coming from the Macy's 1st floor entrance to the mall.

[REDACTED] her a "bang" and turned to see a male wearing a hoody and shooting a gun in their direction. The shooter fired 4-5 rounds and [REDACTED] saw an individual fall to the ground, but he was not certain based on the distance and his eyesight if that person was a security guard or a different person. He heard the 4-5 shots ring out but did not hear the shooter say anything nor did he hear any argument or loud voices prior to the shooting as he was not wearing his hearing aids that day. [REDACTED] wife grabbed him and pulled him inside the Lane Bryant store nearby.

[REDACTED] described the shooter as a male, about 5'10", wearing a ski mask over his face and a black hooded sweatshirt and black jacket, unknown pants or shoe color. [REDACTED] advised he is a retired [REDACTED] typically carries concealed weapon but did not do so today.

[REDACTED] was positively identified as the security guard who was shot by Bergquist. We identified [REDACTED] residing at [REDACTED] in Boise. I responded there with Deputy Corners Romero and Rutledge, and Victim Witness Coordinator Rosie Rodriguez.

[REDACTED] I met [REDACTED] outside of the residence and we stepped inside to speak further. [REDACTED] advised she had heard about a shooting at the mall but didn't know that her [REDACTED] was involved. I told [REDACTED] that [REDACTED] was a victim of this shooting and that he died from his injuries. [REDACTED] asked if [REDACTED] was the shooter and I assured he was not.

[REDACTED] advised that she is not had a good relationship as of late with [REDACTED] as he is upset with her for divorcing his [REDACTED] in January of 2020. [REDACTED] and she has been taking care of him since he was 10 years old.

She advised [REDACTED] was in the Army and deployed as a forward observer. He wanted to go to Ranger school but was injured during a fall in Lithuania where he hit his head. [REDACTED] advised that [REDACTED] has been crazy ever since. Over the last year he is decided to transition to a female, he lives a "furry" lifestyle with his [REDACTED] and is polyamorous. They live together in [REDACTED] and [REDACTED] phone number is [REDACTED].

[REDACTED] advised [REDACTED] lives at [REDACTED] in [REDACTED] and his [REDACTED] is moving currently from [REDACTED].

[REDACTED] said he is been having emotional troubles recently and showed me his Facebook from 3 days ago where he talked about committing suicide. She also provided me with [REDACTED] and [REDACTED] Snapchat account names. [REDACTED] said [REDACTED] receives his medical care through the VA hospital and is currently taking hormones to transition to a female.

[REDACTED] said [REDACTED] has not paid child support in a long time. [REDACTED]

[REDACTED] and [REDACTED] were home when I arrived.

[REDACTED]: [REDACTED] advised she is very hard of hearing and so we spoke loudly. I explained to her what occurred, and she advised she has had very little contact with [REDACTED] recently due to his non-payment of child support.

[REDACTED] I learned that another victim in the shooting who had passed away was [REDACTED]. [REDACTED] and several others were running up the Macy's escalator when Bergquist fired at them, striking [REDACTED] with several bullets and ultimately killing him. I learned that [REDACTED] was identified as [REDACTED] family's point of contact.

[REDACTED] I called [REDACTED] [REDACTED] and we spoke briefly as they were driving back to [REDACTED] at the time. [REDACTED] said [REDACTED] was in the United States on H2 work visa doing farm work. He and his coworkers were all rained out due to the inclement weather and were at the mall

buying pants. He identified [REDACTED], [REDACTED] and [REDACTED] as being at the mall at the time that this occurred, all of whom were driving in another car back to [REDACTED]. [REDACTED] I spoke to [REDACTED] briefly [REDACTED]. [REDACTED] said he, [REDACTED] and [REDACTED] were at Kohl's looking for a pair of pants when they left to go to Macy's. [REDACTED] went to a different store and was not with them at the time that they were fired upon. There on the lower level of Macy's when they heard the shooting begin just outside the mall exit door. They ran up the escalator in an attempt to escape the gunfire. While they were running up the escalator, Bergquist fired several rounds at them, hitting [REDACTED] several times. There was one other female running up the elevator with them, but [REDACTED] did not know her, but thought her first name was "[REDACTED]" [REDACTED] was eventually pulled to the upper level and treated by paramedics before being taken to St. Alphonsus hospital.

[REDACTED] Officers were conducting a search of the parking lot surrounding the mall for any vehicles associated with Bergquist to determine his mode of travel and clear it for general safety. I learned from GCPD Detective John Brumbaugh that a [REDACTED] of Bergquist, [REDACTED], had video recorder outside of his residence that captured Bergquist's comings and goings. I called [REDACTED] and asked him to verify how Bergquist left the house that day.

[REDACTED] advised that the timestamp on his video was 11 hours off. Based upon this, Bergquist returned home on foot carrying a small white grocery bag at about 1245 hours, then left in the direction of the mall, again on foot, at 1255 hours. [REDACTED] said Bergquist sometimes rides a bicycle, but this bicycle was still at the residence. [REDACTED] said Bergquist does not have a car, and the [REDACTED] driven by Bergquist's roommate has not been at this residence for the past month.

Autopsy: I was assigned to observe the autopsy of [REDACTED] and [REDACTED] that occurred on 10-26-2021.

[REDACTED]: [REDACTED] autopsy was performed at the Ada County Coroner's office by Dr. Garth Warren. ME. It was initiated at 8:40 AM and ended at 11:45 AM. During the autopsy, 4 bullet holes were identified in [REDACTED] body, as follows:

Narrative**INITIAL RESPONSE/CONTACT:**

On 10/25/2021, at 1351 hours, I responded to a reported shooting at Boise Towne Square Mall, 350 N. Milwaukee St. Additional information from dispatch was that a security guard was down inside the Macy's in the mall and multiple shots had been fired.

While enroute to the call, an Officer put out that they thought they had the suspect near Dave & Busters, they then put out that shots had been fired. The majority of resources dispatched to the call redirected to assist with the shooting situation involving the Officer.

Upon my arrival, I knew that Officers had not yet entered the mall. I parked directly outside Macy's lower west entrance and entered Macy's. I requested that medics follow me in, knowing that we had a subject inside that had been shot and being fairly certain that the suspect was the one involved in the shooting in the parking lot. Upon reaching the escalators in the center of Macy's, I observed several subject's surrounding a victim who was face down, approximately 3/4 of the way up the escalator. I observed that the glass on the escalator had bullet holes through it, consistent with hitting the victim at this location. The subject's with the victim called out for assistance and I responded up the escalator to tend to the victim. As I approached, an unknown individual advised me that the victim was going up the escalator and the suspect was shooting at him from the ground floor, consistent with the bullet holes in the glass.

I observed that the victim was still breathing, but it was extremely labored. At this time, Corporal's Orton and Gibson arrived on scene. We moved the victim up the escalator onto a flat surface to tend to him. I cut the victim's shirt off of him and observed that he had been struck by numerous bullets. He had wounds on his right side, his head, his right arm and the back of his right shoulder. I held pressure on the victim's head wound while Corporal Gibson applied a chest seal and pressure to his wound on his side and Corporal Orton began CPR chest compressions. We continued this for several minutes until fire units arrived. Upon their arrival, I transitioned to holding the saline bag while medics worked on the victim. Eventually, Paramedics arrived and the victim was ultimately transported to St. Alphonsus.

After the victim was transported, I assisted with securing the scene until relieved.

I had noticed a bag and cell phone on the escalator next to the victim when I approached him. These items were later located at the top of the escalator. An unknown medic advised me that he had moved the items to that location.

Narrative

FOLLOW UP: NEIGHBOR VIDEO SURVEILLANCE

On 10-26-21, I was tasked with collecting video surveillance from Jacob Bergquist's [REDACTED] [REDACTED]. Both parties lived in the same trailer park and across the street from Jacob. [REDACTED] lives at [REDACTED] in Boise, ID and [REDACTED] resides at the same location and at space # [REDACTED]

On 10-26-21 at approximately 1600 hours, Det. Wirshing and I responded to [REDACTED] residence to review surveillance video. One camera is directed at Jacob's residence. [REDACTED] did not know of any means or having any knowledge as to how to download any saved data to a thumb drive. Therefore, I utilized my department issued cell phone and recorded a shot clip of video that [REDACTED] captured of Jacob leaving his residence prior to the incident taking place at the Boise Town Square Mall. [REDACTED] video was determined to be 11 hours and 2 seconds behind.

In this video, you clearly see a Jacob leaving his residence wearing a black hoodie, black pants, white shoes, a back pack, and a side arm on his left side. Jacob also appeared to be wearing dark colored sunglasses as well. Jacob is seen walking East bound and onto [REDACTED] St where he begins walking South bound and out of view. This video will be attached to this report.

On 10-25-21, a 2TB hard drive was collected and given to me to review. However, after speaking with Det. Durbin reference viewing this hard drive, it was requested that the digital video recorder also be collected in order to view the actual hard drive. Therefore, [REDACTED] ultimately provided that digital recorder on 10-29-21.

On 11-04-21, I transported the 2TB hard drive and digital recorded to Det. Durbin's office to attempt to review any and all data. However, the only video available to view was dated on 07-12-01. After viewing the available data, the video on the above date at approximately 1014 hours, went from an all black screen to an immediate video of two BPD patrol cars in front of Jacob's residence with police tape around his premise as well. Det Durbin and I did not observe any video of evidentiary value. The data viewed will be downloaded onto a thumb drive or DVD. Once that data is collected, it will be booked into property as evidence.

VICTIM/WITNESS CONTACTS:

On 11-05-21, I was tasked with assisting with contacting additional victim's and/or witnesses to this incident. Below is a list of people contacted or attempted to contact:

#36 [REDACTED]: On 11-05-21 at approximately 0935 hours, I called the listed number and left [REDACTED] a voice mail to contact me reference information she provided that she heard gunshots while shopping at Macy's.

#50 [REDACTED]: On 11-05-21 at approximately 0940 hours, I called and spoke with [REDACTED] reference her knowledge of Jacob Bergquist. [REDACTED] informed me that although she wasn't present during this incident, she heard about the suspect involved and immediately contacted dispatch to inform them of what she knew. [REDACTED] told me that Jacob had rented a room from her on December 28, 2020 after moving here from [REDACTED] [REDACTED] believed this was Jacob's first residence he lived at in Idaho.

[REDACTED] added that Jacob had rented a room from her for approximately three months before giving him a fifteen day eviction notice for being "messy." [REDACTED] confirmed that Jacob had approximately six hand guns as well. [REDACTED] is retired military and mentioned how she never felt unsafe around Jacob and that the only reason she evicted him was because he was "messy." [REDACTED] described Jacob being messy by throwing soda cans all over the floor of the room she had rented him. [REDACTED] described Jacob as becoming "weird" after being served the notice and would call her "10 times a day" to try and stay longer. This made [REDACTED] uncomfortable enough that she ultimately moved in with her boyfriend until Jacob moved out.

According to [REDACTED] she never heard Jacob ever talking about wanting to harm anyone either. [REDACTED] added that Jacob never had a vehicle and walked everywhere he went. [REDACTED] recalled the day Jacob moving in as his [REDACTED] just dropping him off outside and never seeing him again. [REDACTED] "something's going on with his real family."

Towards the end of this conversation, [REDACTED] advised that she will send me the initial rental agreement and application of Jacob Bergquist. Those attachments have been added to this report. On these forms, Jacob had put his [REDACTED] as his Emergency Contact. Jacob had also

scratched out his social security number as well.

#52 [REDACTED] had informed dispatch that the suspect may have worked out at her gym and carried a sidearm. The only contact for [REDACTED] was the above email address. On 11-05-21 at approximately 0945 hours, I sent an email requesting them to contact me.

On this same date at approximately 1230 hours, I received a phone call back from [REDACTED] at [REDACTED]. At 1245 hours, I called and made contact with [REDACTED]. [REDACTED] told me that she was "99%" certain that the suspect involved in this case was the same "weird" guy at her gym. [REDACTED] continued by telling me that she recalled seeing this same subject be "aggressive" at her gym by "grunting," "dropping weights," and would frequently leave the gym for ten minutes at a time before returning. [REDACTED] added that her and her husband noticed this subject wearing a gun and magazines on his person while working out as well. This specific incident was believed to occur sometime around 09-28-21. At approximately 2100 hours that same date, she contacted the Twin Falls Police Dispatch center and advised them of their observations. When asked why she called Twin Falls, [REDACTED] thought that ACSO dispatch non-emergency center was closed at night. Nonetheless, she also contacted the gym management as well. [REDACTED] informed me that she is a nurse and works with [REDACTED] and felt compelled to tell someone about her observations of the suspect.

#61 [REDACTED]. On 11-05-21 at approximately 1030 hours, I called and spoke with [REDACTED]. [REDACTED] informed me that he was [REDACTED] at the KMB Shoe store located on the top floor of the Boise Town Square Mall when this incident took place. [REDACTED] stated that he did not see the shooter but did hear approximately 6-7 gun shots. [REDACTED] described hearing two "3 round bursts" followed by a single shot. The store in which [REDACTED] was located during this time was upstairs and down the hall from Macy's.

[REDACTED] did recall seeing the security guard "sprawled out" and on the floor when he ran down stairs to exit. [REDACTED] added that there was nothing he could have done to help the security guard due to his head injury. Therefore, [REDACTED] assisted in directing people out of the front doors of the mall, below the food court.

#65 [REDACTED] On 11-05-21 at approximately 1045 hours, I called and spoke with [REDACTED] reference what she had witnessed during this incident. [REDACTED] informed me that she was shopping in the underwear department on the upstairs level of Macy's when she began hearing gunshots. [REDACTED] denied seeing the shooter and informed me that a "guy and a girl" had locked her,

On 10/25/21 at approximately 1350 hours, I was attending a department supervisor training when I learned of an active shooter incident at the Boise Town Square Mall. After learning of the shooting, I monitored my department issued iPhone and was requested to respond to the command post at MOD Pizza (Emerald/Milwaukee). Upon arrival at MOD Pizza, I met with Lt. Butler who was the Incident Commander. Lt. Butler tasked me with the role of Logistics for this incident. Shortly thereafter, the command post was moved to mobile trailers inside the property of the BTS Mall. I remained in my role of Logistics until relieved by Lt. Kukla and Captain Fleming.

On 10/26/2021 I was assigned to take [REDACTED] provided by Detective Wirshing to the ISP Lab. I collected the item which was sealed in a large evidence envelope. The chain of evidence was signed over to me. I responded to the ISP Lab and contacted Ada County Property to complete the prolog of the item. Once this was done I signed the evidence over to the lab and provided them a copy of the search warrant.

I was contacted the following day on 10/27/2021 to collect the thumb drive of the download of [REDACTED]. I was advised that this extracted information would need to be analyzed through [REDACTED] so that I could view any of the data extracted. I made contact with CSS D Herron who I know to be certified in [REDACTED] and requested that he perform an extraction of the information provided by the ISP Lab. Herron completed this and provided me with a thumb drive that contained a file titled: [REDACTED]

I reviewed the Analyzed Data which had several folders which included [REDACTED], [REDACTED]. I noted that the following from the those categories:

INITIAL RESPONSE/CONTACT: I responded to the Boise Town Square Mall on the above date and time to assist with an active shooter event that took place. I was first assigned to Milwaukee St for traffic control near the west entrance. I was later assigned to guarding the scene of the police car between Dave and Busters and MOD Pizza. I was released by Officer Clark and took up an assignment with Officer Christ. We were searching for a possible suspect involved in a theft from one of the victims body's. We later learned the suspect was arrested earlier by patrol for disorderly conduct and was still in custody. I then took up a post at Cole St and Denton St for the rest of the night until released to go out of service.

Narrative

SUMMARY:

On October 25 2021, I was working as a [REDACTED] in the Criminal Investigations Division. I was at Mark Stall Place when I heard the primary radio channel dispatch a shooting at the Boise Towne Square Mall (BTS) and I responded Code-three. As I was en route to the location, the suspect description and direction of travel was broadcast over the radio. As I was traveling in the area of Maple Grove and Emerald, I heard an Officer announce "Shots fired" over the radio and stating the location was behind Dave & Busters. I subsequently responded to this location to assist.

DETAIL:

1. I drove into the parking lot located at 8071 Emerald Street Boise, Ada County Idaho and parked in front of Mod Pizza next to a patrol car. The patrol car belonging to Officer T. Cooper.
2. I exited my vehicle and grabbed my bag with medical trauma equipment. I observed Officer Dance sitting/leaning up against the bumper of a grey sedan. I could see he appeared "dazed" and was bleeding from above his eye. Originally, my initial thought was he was punched in the eye based on his injury, but in the back of my mind I knew a shooting had occurred and this caused some confusion to me about what injuries Dance sustained.
3. I approached Dance, who was being tended to by Officer Shofner and Sgt. Nielson. I asked Sgt. Nielson if Dance needed medical attention. Sgt. Nielson said "no", and I proceeded to Officer T. Cooper's location. Cooper was behind the dumpster, dealing with suspect Bergquist. This was behind the Dave & Buster's business located at 546 N. Milwaukee Boise, Ada County Idaho.
4. I observed Officer Betz covering the suspect, later identified as Jacob Bergquist, while Officer Cooper was assessing/providing medical treatment on Bergquist. I told Cooper I had a trauma kit and asked what he needed in the way of medical gear. Cooper took his right hand and made a motion indicating the suspect was beyond medical assistance. It appeared Bergquist had a gun shot wound to the head and a large volume of blood near his lower back/buttocks area. It was unclear to me at the time if Bergquist was shot in the lower back/buttocks.
5. Officer Cooper then requested "Combat Gauze", a haemostatic dressing. I opened my bag, pulled out a package of combat gauze and handed it to Cooper. Officer Jacobs grabbed the gauze and passed it to Cooper. Officer Cooper then requested a pressure bandage and I retrieved a pressure bandaged handing to Cooper. At this time, there was nothing further for me to do in the assistance of Officer Cooper.
6. At this time, the Ada County Paramedics arrived to this scene and transported Bergquist.

7. I noted numerous 9mm spent casings on the along with an empty magazine to the west of Bergquist. I grabbed several cones from several of the police cars at the scene. I placed the cones in a manner to protect and mark the casings, magazine, and other items that appeared to be evidence.

8. After this, I grabbed Crime Scene tape and strung tape to protect the crime scene. Once this was done, I grabbed the "Inner" [Red] Crime Scene tape and placed it on the inner crime scene.

9. Deputy Chief Brooks arrived and I escorted him into the inner crime scene to give him a quick "executive walkthrough" and directed him the Chief Lee's location.

10. I then went to the BTS to assist with the pending investigation.

INITIAL RESPONSE/CONTACT: On the above date at approximately 1630 hours, I was instructed to report to the command post to assist in this case. During this time, I was assigned to assist Boise Fire Department Engine 11 with checking on the restaurants inside the Boise Towne Square Mall to make sure all ovens, burners, fryer, etc. were shut off. Once this was complete, I was advised that several owners/managers were arriving on scene to check. I escorted [REDACTED] who runs the Wetzel's Pretzels, to both of his locations, after which, I escorted [REDACTED] out of the mall. In speaking with [REDACTED] he stated he filled out a form at the command post supplying his identifying information and reason for being here. I then escorted two employees of El Cazo and two employees of Lucky Chef to complete the same tasks. After they left, I escorted one employee to Panda Express for the same task. INITIAL RESPONSE/CONTACT:

On 10/25/21 I was conducting an interview at the Port of Hope (7360 W Bethel St.) with Det. Theuson when we heard the call of shots fired on the radio. Det. Theuson and I responded to the area of the Boise Mall - after determining the various outdoor crime scene areas had been secured, I entered the mall and began assisting with the evacuation of people inside. I was then tasked to respond to [REDACTED], to speak with [REDACTED]. [REDACTED] had reportedly called in to have a welfare check conducted on [REDACTED] Jacob Bergquist, who lived at the [REDACTED] address. [REDACTED] believed Jacob was possibly involved with the shooting at the mall and requested officers check his wellbeing.

chaotic situation, we had been advised [REDACTED] lived at the [REDACTED] address. I knocked on the door of trailer [REDACTED] and the door swung inwards. At that point, we determined this was likely also Jacob's residence. Along with Garden City Patrol Lt. Stambaugh, we conducted a security sweep of the residence. Once we determined nobody was injured or inside the residence, the trailer was surrounded with crime-scene tape and an officer was assigned to prevent entry into the building. At this point, there was suspicion Jacob Bergquist was the suspect in the multiple shootings at the Boise Mall.

Inside the residence I observed numerous shell casings of what I believed were .22 caliber bullets in the living area. I also noted multiple holes in the walls of the residence that appeared to be from bullets as if someone was shooting inside. I further noted at least two firearms in the living area / kitchen area of the trailer. Outside the residence I observed numerous shell casings that appeared to be from .22 caliber bullets - these shell casings were near the front steps of the residence.

10/25 Interview with [REDACTED] (audio recorded):

On 10/25 I spoke with [REDACTED] outside his residence (one trailer south of Jacobs residence). [REDACTED] told me he had never spoken with Jacob but had heard him make "Youtube" videos. [REDACTED] thought the videos were political but did not remember anything specific. [REDACTED] explained he had heard Jacob make a comment about switching channels, to keep his politics separate from his gun videos. [REDACTED] thought Jacob's channel was something to the effect of [REDACTED] or [REDACTED].

[REDACTED] thought Jacob would open carry a black weapon and thought someone had told him Jacob had an "AR15" style rifle.

[REDACTED] said he had only seen Jacob walk or ride his bicycle and did not think he had a vehicle.

[REDACTED] thought Jacob's roommate or boyfriend worked for an airline but did not know further.

[REDACTED] said he had last seen Jacob the day prior - he thought Jacob was a security guard but did not know for sure.

10/25 Interview with [REDACTED] (audio recorded):

On 10/25 I spoke with [REDACTED] regarding Jacob Bergquist. [REDACTED] explained she had lived in the trailer next to Jacob since approximately May of 2021 and thought Jacob had moved in after her. [REDACTED] told me she did not know Jacob at all but told me she thought he was "very quiet."

[REDACTED] thought Jacob walked or biked when he went out and normally dressed in black.

[REDACTED] said she was not very observant and thought she had last seen him approximately a few days prior.

[REDACTED] told me she did not note if Jacob carried a weapon, although she thought either Jacob or his boyfriend had carried a gun once.

[REDACTED] said she had not heard specific noises from Jacob's trailer.

10/25 Interview with [REDACTED] (audio recorded):

On 10/25 I spoke with [REDACTED] explained his girlfriend, [REDACTED], had told him she had seen Jacob at the nearby Albertson's. [REDACTED] said [REDACTED] told him Jacob was with another unknown person trading knives - after buying a soda, Jacob apparently left the store.

[REDACTED] told me he had not seen Jacob for the past two days and described him as quiet. [REDACTED] thought he had seen Jacob's roommate approximately a week prior.

[REDACTED] said he never heard anything from Jacob's residence. [REDACTED] explained Jacob "always" open carried a black pistol on his left hip in a black holster - he suspected the gun was a 9mm and thought Jacob carried two extra magazines on the opposite side of his gun.

[REDACTED] described Jacob as wearing all black and walking or riding his bicycle whenever he went out.

Det. DeGrange contacted [REDACTED] regarding this investigation.

10/26 Search Warrant:

On 10/26 I applied for and was granted a search warrant by the Honorable Judge Bailey for Jacob's residence and for his phone that had been recovered on 10/25. Det Thorne coordinated the extraction and conducted the review of Jacob's phone.

Boise Police and associated agencies maintained continuous control of Jacob's residence before the execution of the search warrant. I was familiar with Jacob's residence from the security sweep.

Det. Mossi, Det. [REDACTED] ATF SA W. Moore, and FBI SA Chris Sheehan and I conducted the search of Jacob's residence. Det. Mossi and I conducted our search in the living and kitchen areas.

Narrative

[REDACTED] **personal property:** Late on 11-12-2021, I learned from VWC Rosie Rodriguez that members of the [REDACTED] family requested several items of personal property belonging to [REDACTED] be returned to them. I communicated with Rosie and, as the Ada property room was closed for the weekend, I made preparations to obtain these items for the family on my next scheduled work day.

On 11-16-2021, I went to the Ada Property room and retrieved 5 items, 3DH, 13DH, 21DH, 23DH, and 26DH. As 13DH was packaged with a ring of keys that appeared to belong to the Boise Town Square Mall, I separated the keys into envelope 13DH, to be held for a representative of the mall.

The afternoon of 11-16-2021, Det. Wigington, Sgt. Kendall, and I met with [REDACTED] in the MSP lobby where I released the above items to him.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS: See attached property invoice, to serve as a signed receipt only for the property.

INITIAL RESPONSE/CONTACT:

On 10/25/21 I was requested by Sgt Weir to respond to Macy's at the Boise Town Square Mall to assist with a shooting investigation. I was advised there was a shooting at the mall with multiple victims, including an on duty Boise Police Officer. I responded to the West side of Macy's and noticed a large group of people standing outside the west entrance of the mall. I discovered that these people were witnesses of the incident and were waiting to speak with police officers. I began speaking with witnesses who were located at the West Entrance of Macy's waiting to speak with officers. I interviewed witnesses [REDACTED], [REDACTED], and [REDACTED].

WITNESS INTERVIEWS:

[REDACTED] INTERVIEW (Audio Recorded):

I interviewed [REDACTED] who is a Macy's Employee. I spoke with [REDACTED] just inside the west entrance of Macy's at the cash registers. [REDACTED] advised that she was located in the fine jewelry section of Macy's with her co-worker, [REDACTED]. [REDACTED] said she heard a series of gunshots, heard [REDACTED] say "run" and she began running out of Macy's. [REDACTED] ran past the winter coat section and exited the west entrance/exit of Macy's. [REDACTED] then ran directly west of the Macy's west entrance, and hid behind a vehicle directly s towards the back of Macy's west parking lot. [REDACTED] began to call the police when she observed a white male, described as wearing all dark clothing, a "hoody" under a jacket, average height, facial hair, in his 30's and a handgun holster on his left hip. The male subject put his hand on his gun holster and told her not to call anyone. That male then began running towards the direction of Red Robin. [REDACTED] did not see where the male continued to run. [REDACTED] described the holster as "blocky" that looked like hard plastic. [REDACTED] could not describe the firearm the male had as she said everything happened fast and she was frightened.

[REDACTED] INTERVIEW (Audio Recorded):

I interviewed [REDACTED] who was shopping in Macy's and was standing by the checkout counter by the dresses. [REDACTED] heard a series of gunshots that came from the mall side of Macy's. [REDACTED] briefly saw a man run and saw others running and screaming. [REDACTED] ran towards a clothing rack and hid between clothes. [REDACTED] then heard another series of gunshots and what sounded like glass breaking. [REDACTED] waited till she heard police radios and exited the clothing rack. [REDACTED] told me she observed a man at the top of the escalator appearing injured. [REDACTED] went to assist with medical aid but police were already doing CPR on the male. [REDACTED] later provided a written statement that I added it to this report. This statement was consistent with my interview at the mall with her. [REDACTED] also

[REDACTED] INTERVIEW (Audio Recorded):

I spoke with [REDACTED] who is a Macy's employee. [REDACTED] was located by the mall entrance doors in Macy's on the first floor. [REDACTED] heard gunshots and began running towards the west entrance of Macy's. [REDACTED] exited Macy's then went to the parking lot where she met another Macy's employee, [REDACTED] ([REDACTED] did not know [REDACTED] last name). [REDACTED] was in the same parking lot as [REDACTED] but was located in another row of vehicles. [REDACTED] said that [REDACTED] began saying, "that is him" pointing towards a male wearing all black. [REDACTED] heard the male tell [REDACTED] not to call anyone. [REDACTED] told the male she was not calling anyone. [REDACTED] grabbed [REDACTED] hand and told her to be quiet because the male subject had a belt with a gun and he can shoot them. [REDACTED] described the white male subject as having a holster on his left hip, wearing a dark jacket with lines on the front, later describing sewing lines. The male subject was around 5'11," normal build, young and light-colored hair. [REDACTED] said it happened so fast she could not provide any more description of the male subject after she saw the gun. [REDACTED] last saw the male running west.

INTERVIEW OF VICTIM [REDACTED] (Audio Recorded):

I was requested by Sgt Weir and Detective Wingington to respond St. Lukes Regional Medical Center located in Boise to speak with [REDACTED] who was brought to St. Lukes ER by Ada County Paramedics, Medic 21. [REDACTED] speaks Arabic and I had Boise Police contracted translator, [REDACTED] respond to St. Lukes to assist and translate for me. [REDACTED] advised the following:

[REDACTED] her daughter, [REDACTED] and granddaughter, [REDACTED] were shopping at the mall but could not find what they were looking for. They entered Macy's and were in the woman's section, close to a storage room. [REDACTED] heard shooting and saw people running. [REDACTED] granddaughter, [REDACTED] grabbed her, and [REDACTED] and they hid under a table inside Macy's. [REDACTED] said the male came towards them, seeing they were under the table, and started shooting at them on the ground. [REDACTED] said one of the bullets "scratched" her daughter [REDACTED] belly. [REDACTED] said her own injuries were worse because her leg was bleeding badly. [REDACTED] said a female security guard wearing all black helped them by getting them into a storage closet quietly. [REDACTED] later said they crawled to the storage closet. The unknown (security) female started to call the police and told them to be quiet.

I asked [REDACTED] where the bullets were striking when they were under the table. [REDACTED] said the bullets were hitting the floor next to them. [REDACTED] said she thought the male was going to kill them when he was walking towards them. [REDACTED] could not describe what the male subject looked like because the male was standing over the table, but she said he was wearing dark-colored pants. [REDACTED] felt a burning sensation on her right leg, and she was trying to be quiet. [REDACTED] said the male kept going and was shooting as he was walking towards them. Police found them in the storage closet and took her downstairs and assisted

her into the ambulance.

Ada County Sheriff Crime Scene Investigator Heather Campbell arrived at the hospital to assist with evidence collection. CSI Campbell took photos of [REDACTED] injuries and collected the clothes that [REDACTED] was wearing when she arrived at the hospital. It should be noted that [REDACTED] pants were located later at the mall and collected by CSI Campbell.

I spoke with ER Physician, [REDACTED] who treated [REDACTED] [REDACTED] advised that [REDACTED] had five puncture wounds with 2 metallic fragments in her right leg. Those fragments were deemed unretrievable per medical professionals. [REDACTED] signed a medical release form and I later faxed that form to St. Lukes Medical records.

I spoke with [REDACTED] son, [REDACTED] [REDACTED] received text messages from his niece, [REDACTED] during the "active shooter." [REDACTED] provided me those text messages and CSI Campbell took photos of the text message thread between [REDACTED] and [REDACTED]. The text was in Arabic. [REDACTED] provided me with a summary of what was said between him and [REDACTED]. [REDACTED] said that [REDACTED] advised him that there was an "active shooter," they were hiding in a closet and [REDACTED] was bleeding from her leg. [REDACTED] texted [REDACTED] to apply a tourniquet onto [REDACTED] instructing her on how to do it. [REDACTED] attempted to drive to the mall but was later diverted to the hospital.

By speaking with Detective Iverson who assisted in the crime scene and reading the interviews of [REDACTED] and [REDACTED] I concluded that [REDACTED] was on the first floor of Macy's at the makeup counter during the time of the shooting and never went to the second floor of Macy's before or after the shooting.

INJURIES OF VICTIM [REDACTED]

On 10/27/21 I obtained the medical records of [REDACTED] from St. Lukes Regional Medical Center in Boise. Below is a summary of the medical records of [REDACTED] when she was brought to St. Lukes E.R. on 10/25/21.

[REDACTED] is a sixty-eight-year-old female who was shot during a recent community mass shooting. [REDACTED] had normal vital signs and wounds noted to be through her "lateral upper" right thigh. [REDACTED] was examined by Emergency Physician [REDACTED]. [REDACTED] conducted a careful trauma survey, and it did not show additional injuries other than those of [REDACTED] right thigh. [REDACTED] injuries were consistent with gunshot wounds. Metallic fragments were noted radiographically within two of the wounds. The wounds were not closed. [REDACTED] was discharged home with a prescription for Keflex. [REDACTED] was able to ambulate around the emergency room and was later discharged that evening.

SEARCH WARRANT AT [REDACTED]

On 10/26/21 I assisted with serving a search warrant at a residence located at [REDACTED] This residence is a single wide trailer style home. After CSS Herron took initial photos of the trailer, I assisted in evidence collection with Detective Seavey. Detective Seavey and I collected evidence in the kitchen and living room area of the residence. On the kitchen counter/bar of the residence, I collected a loaded American Arms .22 caliber revolver style handgun, loaded with 5 live .22 magnum bullets. Also, on the kitchen counter, I observed/collected 22 live 9mm bullets located in a box sleeve. I also observed/collected 33 live .22 caliber rounds in a blazer box. I collected 169 .22 caliber spent casings that were located throughout the living room and hallway area of the residence. I assisted Detective Seavey in the collection of other items throughout the house by documenting those items on the attached property invoice in this supplement. The items of evidence that were collected were placed into Ada County Property by CSS Herron.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS:

[REDACTED] medical records were placed into SVU Evidence. Audio of the interviews was uploaded into this report.

Witness statement - [REDACTED]

I was waiting in the checkout line in the east area of Macy's at the Boise Town Square mall, near the lady's dresses. I heard what were clearly 5-6 gunshots, very close, they sounded like they came from just outside the Macy's doorway to the mall. As people started moving, yelling at each other to hide, so did I and as I looked for a place to hide, I caught a fleeting glance of a person – a man, tallish, with a black vest or jacket of some sort. It was very fast.

I hid in the middle of a rack of dresses. Then came another series of gunshots followed by sounds of falling glass. I heard footsteps running, my sense was it was to my left (moving west). I knew there were people hiding close to me, but no one moved. Everything was quiet. I texted [REDACTED] (my husband) to let him know what was happening.

I was torn between being paralyzed by fear and a sense of wanting to help. After what seemed like an eternity but was more like 10 minutes, I thought I heard a police walkie talkie. I left the rack of clothes and walked to the internal escalators. They were shattered. I instinctively (stupidly) ran toward them. I saw a man lying at the top and ran up. The paramedics hadn't arrived yet. 2-3 police officers were working on him. I couldn't speak to ask if I could help with CPR. I felt I would only be in the way. I walked down the steps and sat at the bottom on a stool until more customers and staff started to show up and the police finally escorted us toward the exit. We gave our information; name, DOB, phone #.

the dresses when I heard a series of 5 to 6 loud noises. They clearly sounded like gunshots they came from The mall side of Macy's. I briefly saw what I thought was a man run I couldn't describe him. Everybody was yelling and running. It happened so fast, just chaos.. I ran towards a clothing rack and hid between the clothes when I heard a next series of gunshots and what sounded like glass breaking. I texted [REDACTED] back-and-forth for a while and didn't hear any more gunshots. I waited and when I thought I heard police radios and so I left where I was hiding was hiding, I saw a man at the top of the escalator and went up to help but when I got that the police had just

INITIAL RESPONSE/CONTACT: On October 25, 2021 at approximately 1411 hours, Sgt. Weir requested any available SVU detectives to come into work. I contacted Sgt. Weir at approximately 1430 hours. He requested I respond to the area of the mall, reference the active shooter at the mall. I later contacted Lt. Smith who had requested any CID personnel to contact him for an assignment. I was asked to respond to MOD Pizza parking lot, 600 N. Milwaukee Street, until I was assigned a duty. Lt. Smith

contacted me via the telephone at approximately 1510 hours and requested that Detective Seavey and I respond to [REDACTED] to speak with [REDACTED]. It was later determined that [REDACTED] did not live there and that was [REDACTED] Jacob Bergquist's residence.

Detective Seavey knocked on the door and the door opened up, possibly because it had not been secured properly. Two Garden City Police Officers entered the residence first because they were in uniform. We entered the residence to make sure [REDACTED] or anyone else in the residence had not been injured. Jacob was the suspect in the shooting at the mall. I walked into the beginning of the hallway and stopped. There was no room to continue to walk down the hallway. Garden Police Officers stopped at the door located at the end of the residence before entering the door at the end of the hallway. I then went outside to see if I could see into the back bedroom, but I was unable to. They eventually entered the bedroom at the end of the hallway.

Detective Seavey and I began interviewing neighbors outside the residence.

WITNESS INTERVIEW [REDACTED]:

On October 25, 2021 at approximately 1605 hrs, I spoke with [REDACTED] in the parking lot of the trailer park. I asked [REDACTED] if he knew his neighbor who lived in trailer # [REDACTED]. [REDACTED] advised he (referring to Jacob) had not lived there long. [REDACTED] did not know Jacob's first name. [REDACTED] believed Jacob was gay and his boyfriend or husband was an airline captain. [REDACTED] described Jacob as being quiet and he was always "packing a pistol and three clips." When the slang term "packing" was used, it meant to carry a handgun or pistol and "clips" are sometimes used instead of the word magazine. A magazine is used to carry bullets that are inserted into the handgun. [REDACTED] had observed Jacob outside his trailer with assault rifles doing YouTube feeds or social media feeds. [REDACTED] did not specify when he observed Jacob doing this. [REDACTED] had not met Jacob's boyfriend who usually comes to stay at the trailer once a month. [REDACTED] has seen Jacob ride his bicycle before, and he identified the bicycle outside the trailer was

the one that Jacob rides. [REDACTED] stated Jacob's boyfriend drove a newer [REDACTED]. The [REDACTED] was not at the residence.

WITNESS INTERVIEW [REDACTED] :

On October 25, 2021 at approximately 1609 hrs, I spoke with [REDACTED] in the parking lot of the trailer park. [REDACTED] did not know Jacob's name. [REDACTED] stated she knew the owner of the trailer and believed he was an airline pilot.

[REDACTED] had seen Jacob walking back and forth before but stated he kept to himself. I asked if [REDACTED] there was anything that she could tell me that stood out about Jacob. [REDACTED] described Jacob as a "weird guy," who always rides his bicycle and carries, "guns and clips." [REDACTED] did not go into detail about why she described Jacob as being weird. [REDACTED] had seen Jacob with a handgun. [REDACTED] would be able to see it on Jacob's side when he was riding his bicycle.

[REDACTED] gave me the contact information for the owners of the trailer park, [REDACTED].

WITNESS INTERVIEW [REDACTED] :

On October 25, 2021 at approximately 1613 hrs, I spoke with [REDACTED] outside his trailer. I asked [REDACTED] if he knew his neighbor who resided in trailer # [REDACTED]. [REDACTED] did not know Jacob's name. [REDACTED] had attempted to talk to Jacob once. [REDACTED] said he told Jacob "hi" but Jacob never responded to him. [REDACTED] had seen a pistol on Jacob's hip in the past. [REDACTED] has seen Jacob's holster which he thought was made of nylon material. [REDACTED] was not aware of any other modes of transportation Jacob used except for his bicycle.

WITNESS INTERVIEW [REDACTED] :

On October 25, 2021 at approximately 1626 hrs, I contacted [REDACTED] via the telephone. [REDACTED] stated the owner of the trailer was [REDACTED] and gave me his phone number. [REDACTED] stated [REDACTED] was a flight attendant and his roommate was Jacob Bergquist. [REDACTED] stated they had moved in on 4/12, possibly the 13th, of 2021. [REDACTED] only dealt with [REDACTED] because he owns the property and pays for the space. [REDACTED] had not spoken with [REDACTED] in months.

I also spoke with [REDACTED] via the telephone. [REDACTED] denied having any issues with Jacob or [REDACTED]. [REDACTED] stated Jacob was a security guard, but he did not know where he was working. [REDACTED] then thought maybe Jacob was trying to get a job as a security guard. [REDACTED] stated Jacob was working at Walmart as a stocker. [REDACTED] stated they usually speak with [REDACTED] and not Jacob. [REDACTED] mentioned Jacob rode a bicycle. The one time that [REDACTED] had met Jacob he described him as being in "stellar shape."

WITNESS INTERVIEW ([REDACTED]):

Detective Seavey requested that I contact [REDACTED]. Detective Seavey learned that [REDACTED] might have known Jacob through her roommate, [REDACTED]. Both [REDACTED] and [REDACTED] live in the same trailer park as Jacob.

On October 25, 2021 at approximately 1820 hrs, I contacted [REDACTED] via the telephone. I asked about an interaction she had with Jacob. [REDACTED] was currently at work, Albertsons. Jacob was [REDACTED] neighbor in the trailer park. Jacob had access to a lot of guns, and he used to follow [REDACTED] around when she worked at Taco Bell. Jacob would come there every day when she worked at Taco Bell. [REDACTED] had just seen Jacob at Albertsons (today) where she was currently working. [REDACTED] thought she had seen Jacob around 1330 hrs (October 25, 2021). Jacob did not speak with her and she thought he bought cleaning supplies at the self checkout register.

[REDACTED] stated about a week ago, Jacob was selling a gun to another male that she did not know in the parking lot of Albertsons. [REDACTED] confirmed both the males were on foot. [REDACTED] believed that Jacob sold the gun to the male because that male had a gun and Jacob appeared to have money.

[REDACTED] believed that Jacob was involved in the mall shooting. Jacob always wears black clothing and he seems sketchy according to [REDACTED]

[REDACTED] spoke with Jacob in the past, usually small talk. [REDACTED] denied either of them had been to one

another's residence. [REDACTED] talked to Jacob 2.5 to 3 months ago about an AR-15 he owned, because he was trying sell it.

[REDACTED] stated Jacob either stays inside or he will always be out and about. [REDACTED] stated Jacob is very suspicious but was also friendly.

[REDACTED] had called back and advised that she was getting off work and if we needed anything, she would be available to talk.

WITNESS INTERVIEW [REDACTED]:

On October 25, 2021 at approximately 1907 hrs, I spoke with [REDACTED] [REDACTED] at Albertsons. [REDACTED] was unable to help me with video surveillance that night but she took my business card to have a manager contact me in the morning. While at Albertsons, I called [REDACTED] in attempt get more information on what time Jacob may have entered the store and at which checkout he had utilized.

On October 26, 2021 at approximately 0933 hrs, I received a phone call from [REDACTED], [REDACTED] [REDACTED]. [REDACTED] later sent me two video surveillance videos of Jacob entering and exiting the store of Albertsons. [REDACTED] also emailed me a receipt for the CocaCola purchase.

I attached the video clips and receipt to this report.

WITNESS INTERVIEW [REDACTED]:

Officer T. Williams contacted me and gave me information to contact [REDACTED] who possibly had video of the incident.

On October 25, 2021 at approximately 1943 hrs, I responded to [REDACTED] address in Meridian, Idaho. [REDACTED] had sent me a total of three videos that had been circulating online. There was a photograph of the security guard that had been killed, a live video of the sound of shots being fired inside the mall and the last message appeared to be a female standing over the security guard that had been killed. I attached them to this report.

DISPOSITION OF PROPERTY/EVIDENCE/WEAPONS:

I attached two videos and a photograph to this report from [REDACTED]

I attached both videos and receipt from [REDACTED] to this report.

CONCLUSION: Please route this supplement with the original report.

Narrative

INITIAL RESPONSE/CONTACT: On 10/25/21 at about 1400 hours I was notified by phone of an active shooter incident at Boise Town Square Mall. This is a normal day off for me, so I was not on duty, and responded into work for this incident. I was further advised that responding BPD officers located the likely suspect, and exchanged gunfire with him. I was advised that a BPD officer had been shot, and the that the suspect had been shot and was critically wounded, with a gun shot wound to the head. My initial call came from my supervisor, Lt. Smith. He didn't have a lot of details as the incident was still unfolding as we spoke.

Several minutes later, I received a phone call from Det. Wigington, who was on duty this date. He had arrived on scene moments after the OIS by Dave and Busters. he was able to give me a more complete brief of that portion of the incident. He then advised me that there had been an active shooter incident in the mall. The suspect had killed at least one person and shot 3-4 others.....details were limited on that phone call as officers were still actively searching the mall. The general belief at this moment was that the same suspect that killed the person in the mall was the same involved as a suspect in the OIS. I later learned that two people were killed and four other were injured either by falls as they were fleeing, or being struck with bullet fragments or debris from bullet strikes.

After receiving this briefing, I contacted Sgt. Domney with GCPD, and Sgt. Figal with MPD. I was advised by them, that MPD would be taking the lead role in the CITF. I was told that patrol's incident command post was at MOD Pizza, next to the OIS scene on Milwaukee. After briefing Domney and Figal, I responded to the command POST.

While en route to the command POST, I was contacted by Lt. Strolberg with MPD. Due to the size and scale of this incident, we decided to break them into two incidents for investigation. BPD would handle the incident and crime scene inside the mall, and the CITF would investigate the officer involved portion behind Dave and Busters. Lt. Strolberg advised that the CITF command post would be located at the Ada County Sheriff's office. I spoke with Lt. Smith and we decided that he would be at the ACSO command post for CITF, and that I would respond to the MOD pizza command post for the homicide investigations in the mall.

Upon arrival at Mod Pizza I was given a walk through of the OIS scene by Sgt. Nielson (I only observed the scene from inside the outer perimeter, and didn't enter the inner scene (behind the red tape.) I was further notified that there was a woman that was in a car out on Milwaukee street at the time of the OIS. She had been struck in the face by gunfire, we assumed by the suspect. She would have been directly in the suspect's line of fire, when he would have been firing at the BPD officers. I was advised that she had been transported to the hospital by EMS.

Upon receiving the brief I was told that Officer Cooper had been involved. From what I was told, he

appeared to be an involved witness, per CITF protocol. I informed Lt. Strolberg and Lt. Stokes of MPD of this. They asked that he also be sequestered. I then assigned a BPD officer at the scene to be Cooper's escort and take him to Ada County S.O for first contact evidence processing.

Also, during my initial time on scene, I spoke with Lt. Stokes about the woman injured by gunfire, on Milwaukee. We had a brief discussion as to who would investigate that portion. The question was, was it part of a furtherance of violence (active shooting) by the suspect, or was it part of the OIS exchange of gunfire, in which she was a casualty of a stray round. We ultimately decided that incident would be investigated as part of the OIS.

Once these determinations were made, I had no other noteworthy involvement in the OIS portion of this investigation. BPD, focused all BPD resources on the investigation of the incident in the mall, and asked that the CITF handle the OIS and citizen on Milwaukee. All involved agreed to this arrangement, and the two investigations then proceeded independently from that point forward. The only BPD involvement was assigning VCU detectives to the officer interviews. Those detectives were: Det. Wigington, Det. Roath, and Det. Wirshing. See their reports for details.

The remainder of my involvement with the CITF was of a liaison to the criminal investigation going on in the mall. At the conclusion of the mall incident that full incident report will be sent to MPD for inclusion into the CITF document. The CITF doc will also be included into the BPD homicide case for historical documentation.

BTS Mall Homicide investigations:

After the CITF portion was handled, I then focused my attention to investigative assignments at BTS. I made the following investigative assignments:

- Det. Wirshing was assigned as the overall case lead
- Crime scene lead was Det. Iverson
- Crime scene assistant lead was Det. Wigington
- Det. Miraglia was assigned to autopsies
- Sgt. Weir was initially assigned to coordinate victim information and interviews at the hospitals
- Suspect background - was assigned to Det. Jagosh. Det. Roath also assisted in this in the initial couple days.
- Crime scene was processed by BPD lab with assistance from ACSO, GCPD, and MPD labs. Laser measurements were conducted by Canyon County L.E.
- FBI arrived on scene with 16 agents and RAC - Agent D. Hart.
 - FBI assigned to interview suspect's [REDACTED] in [REDACTED]

Narrative**INITIAL RESPONSE/CONTACT:**

On Monday October 25, 2021 at approximately 1:50pm, Det. Canfield and I were traveling outbound on the 184 interstate connector in an unmarked detective car. We heard on the police radio, dispatch send out a code 3 tone alert for a security guard that had possibly been shot near Macy's inside the Boise Town Square Mall. We heard on the radio that marked police units were en route. The suspect was described as a male, wearing all black. Det. Canfield and I took the Cole Rd exit directly across from the east side (Dillard's) entrance of the mall. As we were crossing the intersection of Cole Rd, we heard on the radio that Ofc Shofner had the possible suspect running behind Dave & Busters. Immediately after that radio transmission, we heard on the radio "shots fired" from Ofc Shofner. Det. Canfield and I ran code 3 across the north side of the mall parking lot towards Dave & Busters. At the same time we arrived in the alley behind the store, we heard the radio transmission that the suspect may have just shot himself behind the dumpster, behind Dave & Busters.

As I exited my vehicle, I could see Ofc Shofner standing at the back corner of the marked police Explorer looking towards the dumpster area. I also saw Ofc. Cooper walking another officer down a dirt hill between the bushes towards the north. At that time I did not know whom that officer was, but later learned it was Ofc. Dance. As I approached from Ofc Shofner's left side and the police vehicle he was standing next to, I observed a male subject slumped over next to the brick wall behind the dumpster of Dave & Busters. I could see blood pouring from his head area and a gun laying in front of him. I also saw a black backpack on the ground in front of him. I held a cover position at the corner of the building, while Det. [REDACTED] and other uniformed officers approached the male subject and began to assess his injuries. Injury care was begun on the male subject by those officers. I turned my focus on securing the crime scene and getting resources into place for the CITF process.

I walked over to wear Ofc Cooper was and he showed me the outer bullet proof vest and baseball hat for Ofc Dance. Ofc Cooper had taken these items off of him at the time he was assessing him for injuries. I observed a hole in the brim of the baseball hat that appeared to travel in an upward direction. I also observed a small dimple and some sort of trace evidence on the left shoulder lapel of the out vest. Unknown if the trace evidence was glass or bullet fragment of some sort. SEE PHOTOS. Because of the rain that was coming and going the items were covered with a clear plastic to preserve their condition and location for evidence.

I learned from other responding officers and detectives that there were multiple people injured inside the mall, as well as an injured female out on Milwaukee St, that may have gotten shot. Officers were tending to her injuries at that time. Once it was determined whom the involved officers were and involved witnesses, they were sequestered and sent away with escort officers. It was determined that Ofc Shofner and Ofc Dance were involved officers and Ofc Cooper was an involved witness.

INITIAL CITF and ASSIGNMENTS:

Sgt Weir arrived on the scene in the alley, I had him respond to St Al's Hospital and take over that scene where injured victims, the suspect shooter, and officers were all going for medical treatment. Assisting him were Det. Cromwell and several other SVU Detectives. I also assigned Det. Canfield and Det. Wirshing to respond to the interior of the mall and began to assess what the crime scenes were like inside. Det. Iverson was also on scene inside the mall and began to establish a large secure crime scene area in the Macy's corner of the mall.

An inner and outer perimeter at the Dave & Buster's crime scene was established. A crime scene log was set up thru CSS Boynton on the east side of the alley way behind Dave & Buster's.

SCENE OBSERVATIONS:

At the Dave & Buster's scene, I observed a large number of shell casings located along the curb north side of the alley way. I counted at least 10 casings that I could visibly see. I also located a spent bullet round laying in the alley way while assessing the scene. I placed a white piece of notebook paper next to the spent round to mark where it was on the ground. I marked each of the involved police vehicles with a white piece of paper indicating the names of which officers were in each of the vehicles. When Ada County Crime Lab arrived on the scene, I walked them thru the scene and pointed out items of evidence that had been marked for collection and importance. The crime scene was turned over to ACSO and Meridian PD as the lead investigating agencies for the critical incident. At the request of Sgt Kendall, I cleared the Dave & Busters CITF scene and responded to the mall to assist with Boise Police's investigation into the mall shooting and homicide's associated with that incident.

BOISE TOWN SQUARE MALL CRIME SCENE:**1st Assignment:**

After I cleared the crime scene behind Dave & Busters, I was assigned to a lead crime position. I was also assigned to lead the FBI Agents to the scene and direct them with any assistance Boise Police needed. Upon arrival at the mall crime scene, Det. Iverson had good control over the interior of the corridor leading to Macy's. I asked if the FBI agents could begin an area canvas of the rest of the inside corridors with the business entrances inside the mall. We were tasked with looking for any additional stray bullet holes, fragments or any evidence related to the shooting that had occurred in the Macy's corridor entrance. At approximately 1730hrs multiple FBI Agents in groups of 2 and 4 began searching. After approximately an hour of searching the corridors, the returned to the starting point outside the Macy's corridor. I ended their search at approximately 1830hrs. No other evidence related to the shooting was discovered by the Agents.

2nd Assignment:

I assisted Det. Iverson with the shooting victim body. That person was later identified as [REDACTED], the security guard for the mall that had been shot. We both assisted the Ada County Coroner with the photos and evidence collection of [REDACTED] body. I observed that [REDACTED] was missing his belt, security radio, shoe laces, and shoes were there but not in the right position. I also noticed [REDACTED] pants were partially down. It clearly appeared as though someone had taken items off his body while he was deceased. While assisting the coroner, I observed at least 2 gun shots to [REDACTED] body. One was a shot to the back side of his head, and the bullet possibly lodged on his forehead without exiting that we could feel and see. The other wound appeared to have entered his chest area under his arm. SEE PHOTOS. Once the body was photographed, processed and secured I covered the bloody area left behind with a blanket.

3rd Assignment:

Once the crime scene off the main hallway of the Macy's corridor was finished, the Garden City police team and I moved to the main maintenance hallway off the main south mall entrance. This hallway is used by the maintenance workers and has their officer's, a men's and women's bathroom and lockers, plus mailboxes for all the businesses. SEE PHOTOS.

Garden City Detective Rosen was taking photos of this scene, Crime Lab specialist Lisa Mitchell was marking and collecting evidence. I was assisting with the process in this hallway, the bathroom and maintenance offices. While assisting them, I helped collect multiple pieces of evidence from the break room area as well as the back office. Those items in the break room area included, a mace holder and mace, a plastic radio back, a small nylon pouch with rubber gloves. I am familiar with these items as one that would be on a police/security belt. SEE PHOTOS. When I finished collecting those items, I looked at the back office, it appeared to be in large disarray. I later learned this was the office of [REDACTED] [REDACTED] was the Project Manager for the mall. During my observations of the office in large disarray, I observed a black leather coat in a chair, shoe string tied around the coat and onto the desk top. Other wires, a camera that had been torn from the wall and Kleenex sheets tied around the desk top as well. There were paperclips and food packages all over the floor. SEE PHOTOS. I knew that a female had been arrested for several crimes related to the destruction of evidence and the body of [REDACTED] I knew that [REDACTED] was missing his shoe laces and several other items off his person. Those items had been taken by the female, based on video surveillance. I picked up the black leather coat, looking to see if any identifying information might be in the pockets. At this time we did not know whom the female was and what the story was behind what had happened. As I was searching the pockets, I opened the front left pocket. Inside was a pill bottle. I was hoping there might be a label with a name on it. Instead of a label, I saw that the bottle contained two black widows. I was shocked to see a pill bottle with two black widows in it. Unfortunately there was no identifying label on it. Also inside the left sleeve was a large black police/security belt folded in half and tucked into the sleeve. This was one of the items

missing from [REDACTED] body. I took several initial photos with my phone where the jacket was and what was inside it. Crime Lab Mitchell took photos once we took the jacket out into the hallway. SEE ALL PHOTOS. We collected several pieces of evidence from the office area. While we were in the hallway, Crime Lab Mitchell had heard a security radio talking from the mailbox area. It seemed strange, and I knew we were missing a security radio from [REDACTED] uniform and body. I looked in several unlocked mailboxes and was able to find the radio. I observed a red substance on the radio that appeared to be blood. The item was photographed and collected, along with all the other items of evidence.

That scene was finalized with a walk thru and cleared. I moved on to the next crime scene.

PUTTING ALL THE EVIDENCE PIECES TOGETHER:

I was talking with Officer Ajir outside and telling him the story about the black widows and unknown female inside the mall. He said he was the assist unit on an arrest from earlier in the night where a female was outside the mall, doing some crazy stuff by Pier One, like burning the porta potty and breaking stuff. She was ultimately arrested for trespassing by Boise Police and mall security. Officer Ajir and the other officer booked her in to Ada County Jail. He said she made a lot of crazy statements to them, but one was that a security guard in the mall had her shoes and she needed them. Ofc Ajir said that seemed strange at the time because she was in her socks and it was pouring down rain, but now after our conversation it all made more sense. At the same time I was talking with Ofc Ajir, Sgt Kendall called me and said he may have identified who the female was because of some witness statements collected by Officers and later given to him. We were able to put it all together with video surveillance and confirm, Mary Scarbrough was the female who was at the mall. She was the female that was taking items off of [REDACTED] deceased body and then continued into the maintenance hallway causing damage and leaving all the items behind like the mace canister, glove pouch, her leather coat and security duty belt behind, once she was trespassed by security and the maintenance people.

FINAL WALK THRU:

Det. Iverson did a final walk thru at Macy's making sure the crime scene was finalized and safe to turn back over to Macy's management. During my final walk thru I observed several gun shots in the escalator glass upward, continuing around the corner towards a double stacked table top that had 3 bullet holes through it on the right side of the walkway. Those holes appeared in a manner that was consistent with moving and shooting. They were not in a small grouping, but rather spread out in a row. SEE PHOTOS. As I followed the pathway of the shooter, I did not observe any more evidence that the gun was fired inside of Macy's. As I exited out the west entrance there was no other evidence of gun fire inside the store. I turned the crime scene back over to Macy's management and cleared the area.

The following day, October 26, at 10am, I met with [REDACTED], [REDACTED] at the Boise Town Square Mall. He was able to find and get [REDACTED] car. We had known he had one in the parking lot, but were uncertain which one it was and where it was parked the previous day without keys. Upon my arrival at the mall, [REDACTED] had driven the vehicle up front and parked it near the main entrance doors. He had the spare key to the vehicle with him at that time. I photographed the vehicle and it's interior. SEE PHOTOS. [REDACTED] was with [REDACTED]. We had a long conversation about the investigation and how the process will play out. I talked with them both about meeting in the near future once they were done with the funeral, so we could keep them updated on the investigation. As the investigation continued we would learn more about the person that did this and be able to share more answers with them at that time. We were still very early into the investigation and he acknowledged he understood. He talked about the security and some of their procedures. I could not answer his questions, but directed him to speak with [REDACTED] the head of security. [REDACTED] was actually outside with us at this time. [REDACTED] was tearful and emotional while talking with [REDACTED] and [REDACTED]. [REDACTED] drove away in [REDACTED] in car, I cleared the mall scene.

Later that same day, Det. Wirshing and I drove out to [REDACTED] to meet with [REDACTED]. We were able to share with her details and answer her questions. She was visibly emotional and crying most of our conversation. She was able to confirm that Jacob Bergquist and [REDACTED] had no prior confrontations or communications with each other in the past that she was aware of. She also talked about how [REDACTED] family relationships were estranged and he had not had much communication with his immediate family since they had lived together for the last few months. Det. Wirshing left his direct contact information with her for later communication or questions. She was appreciative of us coming out to talk with her and said she had been talking with [REDACTED] the last day. We made sure she had an open line of communication to us and him.

On Thursday Oct 28th, I talked with [REDACTED] again by phone and he said they were working on funeral plans and that he had been talking daily with [REDACTED]. She was helping him pick out the urn and planning the memorial service. I coordinated some of the property of [REDACTED] to return to him at our next in person meeting. I answered his questions about the shooter, Bergquist and let him know we would be getting as many answers for his questions as possible.

The following week on Wednesday November 3, we met with [REDACTED] [REDACTED] at the police station. The meeting was set up to inform them all at the same time about where the investigation was and share as much information with them as possible. We were also able to answer their questions as best we could. [REDACTED] expressed her displeasure with the sharing of information and how the out of state family was not being kept in the loop of information and that we were only sharing the information with [REDACTED] locally. She got an explanation as to why that was. At the end of the conversation, Det. Wirshing again shared his direct phone line so that any questions, concerns or rumors he could answer them directly for all of them.

Narrative

INITIAL RESPONSE/CONTACT:

On 10-25-21, I was working an overtime shift as the Watch Commander for Patrol Day Shift. At approximately 15:51 hours, Dispatch initiated a tone alert followed by information that a Shooting had just occurred at the Boise Town Square Mall located at 350 N. Milwaukee St. Boise, ID. 83704. I immediately went en route to the mall from MSP. While en route Dispatch advised responding Officers that multiple calls were being received reference a shooting. Dispatch also provided a description of the suspect and stated he was last seen fleeing west near Macy's dressed in all black, white male adult with a backpack. Once the call was Dispatched and further information was relayed, a very large Multi Agency Police response occurred as multiple citizens reported to Dispatch.

As I was approaching the intersection of Milwaukee and Emerald, I heard Officers broadcast that they had a possible suspect near Dave & Busters (located at 546 N. Milwaukee St. Boise). Seconds after this radio transmission Officers advised "Shots fired" (13:54 hours). Information was provided that the suspect was running north near Dave & Busters. I proceeded through the intersection and immediately turned into the Zupas parking lot. As I scanned to my right Officers advised the suspect was running East. A few seconds later info was broadcast that the suspect had ran behind a trash dumpster and advised incoming Officers to not approach the dumpster. I parked nearby East of the dumpster. I exited my vehicle and closed the distance to dumpster utilizing the nearby building for cover meeting up with Sgt. Neilsen Officer T. Cooper.

I could see a subject/suspect sitting behind the dumpster on the nearby asphalt leaning against the building. There was a large amount of blood pooling on the nearby ground and around the subjects facial area. The suspect was dressed in all black clothing. I observed the suspect was having Agonal respirations and believed he was possibly suffering from a self inflicted gunshot wound to the head. I communicated this with other officers on scene and we approached the male subject cautiously. Once at the suspect he was unresponsive to our presence. The male was placed face down on the ground and secured into handcuffs by Officers Presnell and T. Cooper. As this was occurring, I observed a firearm black semi auto pistol with an activated light lying to the left of the subject. Sgt. Nielsen pushed the firearm away from the suspect with his foot as the suspect what handcuffed. The firearm came to rest near some nearby wood that was lying on the ground. I also observed a black backpack lying a few feet away from the suspect. I utilized my department cell phone to take 3 photos (2 of suspect, 1 of firearm). After the suspect was secured I ran to the west of my location. Officers remained on scene and immediately requested that the Paramedics respond to our location. Officer Presnell examined the suspect for any lower abdominal wounds. It was apparent from the large amount of blood coming from the suspects head region that he was in very critical/fatal condition.

I saw Officer Dance was being treated by other Officers. I observed Officer Dance had blood coming

from his left eyebrow. I made contact with other nearby Officers and stated that the immediate scene was secure. I then advised them to start establishing a perimeter around the scene.

I responded back towards my patrol car and requested officers east of my location establish a perimeter. I then met with T. Cooper briefly and inquired if any Officers had fired at the suspect. I was unable to get an answer. I then went to Officer Dance's duty belt and vest that had been removed from his person. I observed one magazine was missing from Officer Dance's duty belt. I checked his firearm magazine and determined it was missing one round. I also took a photograph of the patrol hat that Officer Dance was wearing at the time of the incident. I observed what appeared to be a bullet hole in the visor of the hat.

I then briefly met with Sgt. Rush and instructed him to go directly to the Mall. I advised Sgt. Nielsen that he was the POC for the immediate crime scene near the dumpster. I was then advised that Officer Dance was en route to St. Al's hospital. I was also advised Det. Cameron was responding to the hospital.

Because this was still a very chaotic scene I advised dispatch that I would be Incident Command for the overall incident. I then contacted Det. Cameron at St. Alphonsus and advised her to provide me an update once it was available. As this occurred I was obtaining information via the police radio that we had multiple victims who had been shot inside the Mall. A short time later I was also advised that a female had been shot in the face while she was sitting in traffic near Milwaukee and Emerald.

As additional support arrived on scene, I met with Lt. Butler who was off duty however had arrived on scene. We met with Captain Fleming and Chief Lee who I provided an update to the best as I could at the time. Since I had been involved with the arrest of the subject behind the nearby dumpster, Lt. Butler took over as the primary Incident Commander. I remained on scene to assist him for the next several hours. I also spoke with Sgt. Higby and requested that all available SRO officers respond to the mall to assist with perimeter related type duties. I spoke with Sgt. Hernon who responded and supervised the inner/outside perimeter duties with a team of 8 Officers.

Lt. Butler and I determined that the first Command Post would be set up inside MOD Pizza located at 600 N. Milwaukee St. Boise, ID. A very short time later multiple Command Staff and additional resources began arriving at the command post as well as the Boise Town Square Mall. While inside the CP, I met with the General Manager [REDACTED] and Operations Manager ([REDACTED]) of the Boise Town Sq. Mall. In doing so, we coordinated getting specific information related to those Officers working operations in the mall. I remained in contact with [REDACTED] and [REDACTED] for the next 6 hours as needed. In doing so, I requested they coordinate getting video footage of the suspect from the camera room inside the mall.

I remained in contact via radio with Sgt. Rush and Sgt. Powell who were actively inside the Boise Town

Square Mall looking for victims and evacuating the citizens whom where encountered for the next few hours.

As the call and Officers response continued the Mall parking lot was shut down so that nobody could enter into the parking lot. Multiple Officers from various agencies helped secure the parking lot, the Boise Town Sq. Mall and began searching inside for victims. Eventually it wad determined that two males had been shot and were deceased at the Mall. Two other females had been shot with non life threatening injuries while inside the mall. Another female who was in her vehicle at Milwaukee near Emerald had been shot. Awhile later I was advised that an additional female had arrived at St. Lukes Downtown and reported to have been hit with shrapnel while with her relative at the mall. Officer Dance had also sustained injuries from being fired upon by the suspect.

I remained on scene assisting with the deployment of resources and related duties of contacting additional personnel to come in and work both the above incident as well as the field.

At approximately 15:30 hours, Lt. Butler and I moved over to the command post that had been set up near (140 N. Milwaukee St). I remained at this location until approximately 20:45 hours. While there I again met with [REDACTED] and [REDACTED] from the Mall. We then coordinated with the Boise Fire Department for the various restrants that needed to have appliances shut off. It was determined those who needed to would respond back to the mall, meet with police and fire and be escorted inside to shut down the various restaurants. The following people arrived and were escorted back inside: See related list scanned into documents.

- [REDACTED], - Werzels Pretzals
- [REDACTED], El Cazo
- [REDACTED], El Cazo
- [REDACTED], Panda Express
- [REDACTED], Jamba Juice

At approximately 20:30 hours, various citizens began calling into Dispatch and it was determined they would be allowed back to the Mall parking lot to retrieve their vehicles. It was also determined that no citizens would be allowed back into the mall until the following day until the crime scenes had been processed.

During the course of this event over 160 personnel from (Boise Police, Ada County Sheriff's Office, Garden City Police Department, Meridian Police Department, Nampa Police Department, FBI, ATF, Boise Fire Department and Ada County Paramedics) responded. Members from the Critical Incident Task Force were also activated for this incident. Several command staff from various agencies took over responsibilities in a unified command system for their designated positions.

Narrative

INTERVIEW WITH KLING BREEDING (12/16/2021):

Based on information gained from an interview conducted by the FBI, Detective Jagosh and I met with [REDACTED] to interview him. This conversation occurred at his place of employment, which is located at [REDACTED] in Boise. This was a time and location that had been predetermined by [REDACTED]

I told [REDACTED] that his acquaintance [REDACTED], had been interviewed by law enforcement and had mentioned his name. I also told him that [REDACTED] had told law enforcement that [REDACTED] had information about a possible relationship between Jacob Bergquist and [REDACTED]. In summary, [REDACTED] indicated to me, that he did not know about any relationship between the two. He told [REDACTED] that he had been informed at some point, prior to the mall shooting, that Bergquist was a security guard at the mall. He believed Bergquist and [REDACTED] could know each other, since he believed they were co-workers. [REDACTED] had no first hand knowledge that [REDACTED] was trans gender, and only knew what he had heard on social media and the news since the incident. He said that he knew nothing about Bergquist, other than he believed he was a security guard, and lived in a home that was owned by his boyfriend (Bergquist's boyfriend), who worked in some capacity for an airline and possibly lived out of town. [REDACTED] was under the impression that Bergquist was homosexual, but never saw anyone come to the residence, other than the boyfriend who comes into town approximately once per month.

[REDACTED] has been very cooperative and helpful during this investigation. He provided me with a USB drive of the security cameras outside of his house. These recordings have been booked into evidence at the Ada County Sheriff's Office. The videos show Bergquist coming and going from his residence and have already been documented by Detective Roath. It was not until now, that [REDACTED] was able to make a copy of these recordings.

An audio recording of this conversation was downloaded to this report.

INITIAL RESPONSE/CONTACT: On 10/25/21, I was advised by Sgt. Weir of an active shooter at the Boise Town Square Mall. Sgt. Weir advised me to assist with the apprehension of the suspect and then to help with the crime scene afterward. I began to respond from the downtown area, and I heard numerous officers responding to the mall. I heard officers asking for paramedic assistance for a subject down on top of the escalators at Macy's. I drove to this location and found officers beginning to enter Macy's at the West entrance. There was a lot of chaos and confusion on the radio. There were numerous shoppers exiting out of these same West end doors.

I heard that the suspect was in custody at the Dave and Busters at the other end of the mall parking lot. It had not been determined yet if there were other active shooters involved. I assisted shoppers getting out of Macy's and interviewed a couple of them quickly (see witness statements below).

I then assigned different detectives and patrol officers to start interviewing some of these people leaving while I went inside to assess the crime scene.

WITNESS INTERVIEW: I quickly spoke with [REDACTED] as she quickly exited the store. She had another friend with her that I was not able to get her name with the chaos of the scene. She stated that she was in Macy's and heard gunshots behind her. She did not see the shooter and ducked down until escorted out by police officers. She heard several shots and was not sure of the number of shots fired.

CRIME SCENE:

As I entered Macy's I began to walk to the middle of the store near the escalator. I could see the glass in the escalator was shattered. As I came around the perfume counter, I could see a large amount of glass and other debris. On the floor above me I could hear other officers near the top of the escalator. Paramedics had just removed the victim [REDACTED] and had transported him to the hospital. I then continued walking east toward the entrance of Macy's from the inside of the mall on the bottom floor. I saw bullet casings on the floor from what appeared to be from a handgun. I looked outside of Macy's at the bottom of the mall escalator and saw the body of the security guard [REDACTED]. I quickly walked over to him and saw that he was deceased (see below listed injuries to the victim).

Officer Bjornson was standing near the victim and was beginning to secure the crime scene there. I asked for crime scene tape from officers outside the building and Officer Bjornson and I began to place crime scene tape inside that area.

I went upstairs to the second floor of Macy's. The top area of the escalator that is going down had a large amount of medical equipment around it and what appeared to be blood all over the floor. I later spoke with Sgt. Powell and this was the area where he had found the other victim. Det. Canfield was upstairs in this area helping to contain the crime scene. Officer Gibson stayed upstairs in this area to secure it. Later on, Officer Gibson assisted me finding keys for Macy's doors and we secured the outside doors except for the bottom west entrance that patrol officers were securing.

I went downstairs toward the Macy's escalators and Officer Lister advised me of numerous bullet casings and a magazine to a gun he had located just north of the perfume counters. He assisted me with placing crime scene tape around this area. I asked for traffic cones and other markings to place over the bullet casings and bullet fragments we were finding inside Macy's. Near this area was a table that appeared to have been struck by bullets. It appeared that these were shot in a downward angle. I later learned that there were subjects hiding under this table who described being shot at by the suspect.

Behind this table closer to the wall, near a closet I could see what appeared to be blood on the floor and on some drawers. I later learned that some of the victims that had been shot had been moved from this area and then hid in a closet. I advised members of the crime lab about this information and they located what appeared to be blood in the closet (see their reports).

A request was made for numerous crime scene labs in the valley to come assist us with this location. I advised members of the crime lab from the Boise Police Department, Garden City Police Department, Ada County Sheriff's Department, and Canyon County Sheriff's Department of the scene we had and walked them through the details of what I knew at the time (See police reports from various jurisdictions).

A discussion was made to create four crime scene areas with different teams working each area.

- 1) The area outside of Macy's near [REDACTED] and then front entrance of the downstairs
- 2) Near the escalators and perfume area
- 3) Upstairs on the escalator where the victim [REDACTED] had been located
- 4) The maintenance/security area near the south end of the mall.

Members of the Boise Police Department Violent Crimes Unit arrived and I began to walk the scene inside the mall with them. Det. Wigington was assigned to assist me with the processing of the crime scene inside of the Boise Town Square Mall. Det. Wigington later found evidence that belonged to [REDACTED] in a security/maintenance area toward the south entrance of the mall, a long way from where [REDACTED] had been located (See Det. Wigington's report)

A total of eighteen bullet casings were found inside the bottom floor Macy's stores. These were found near the front entrance inside the mall where [REDACTED] had been shot and near the perfume counter by the escalator. All of them were 9mm casings. The magazine that was located was for a 9mm that

INJURIES TO VICTIM

Deputy Coroner Nicole Romero for the Ada County Coroner's Office responded to the scene for the death investigation of [REDACTED]. He was lying on his back with a large pool of what appeared to be blood around his head. While examining his body I noticed that his boots were off and his pants were unzipped and partially down. The shoelaces in his boots were missing. I was later advised that a female subject (Mary Scarbrough DR 21-118892) had taken items off his body after the victim had been shot. This was captured on video surveillance from the mall cameras. I did not see the video surveillance of this incident, but it was relayed to me from other detectives.

I did an overview inspection of the victim's body. He had what appeared to be a bullet wound to his head and what appeared to be a bullet wound to his right back and side of his torso. Both of his hands were bagged and I assisted Deputy Coroner Romero with placing his body into a body bag.

BODY DISPOSITION:

Following the scene investigation Deputy Coroner Romero took possession of [REDACTED] body per policy and procedure.

INITIAL RESPONSE/CONTACT:

On 02/10/2022 it was brought to my attention that several involved parties had not been added to the "people" portion of this report. A paper copy of this report had been printed off at an earlier date, which I had used for reference. On this paper copy, it showed these four people had been added by Detective J. Cromwell. It is unknown why they were no longer able to be seen in this report.

Narrative

INITIAL RESPONSE/CONTACT: On 10/25/21 I was called out to assist in this investigation. I was directed to go the Boise Town Square mall for an assignment. I entered the mall at the main entrance and walked to the west Macys side of the mall. I met with BPD detectives and was briefed on what they knew and observed up to this point. We walked the scene and made observations, making a priority list of investigative actions. Security video of the shooting of the security guard was sent for review.

I then responded to the command post for a brief. I was assigned to work with Detective Roath on gathering information on the case. Roath called a potential person with knowledge [REDACTED]. (see Roath's report) We then responded to the new command post.

We were assigned to gather mall and Macys security video and review it. I was given copies of Macys video and responded back to the station. My computer was unable to bring up the video so they were given to Roath for review. Detective Canfield brought mall security video to the station where we were able to view it.

On 10/26/21 our unit briefed the case and made assignments.

911 calls

I was assigned to gather all the calls into dispatch. I made the request via email and received 105 dispatch calls.

SUSPECT BACKGROUND:

I was assigned to investigate the suspect and his actions prior to the shooting.

It appears that Bergquist moved from [REDACTED] during the "covid" shutdowns to [REDACTED] in the spring of 2020. Moving to Idaho at the end 2020/first part of 2021.

[REDACTED]

Detective Roath and I were given [REDACTED] cell phone number by detective DeGrange as someone who may have knowledge of Jacob Bergquist. Detective Roath called [REDACTED] and placed the phone on speaker. (see Roath's report)

The FBI conducted a follow up interview with [REDACTED] Their report is forthcoming.

Search Warrant served at [REDACTED]

DR# 2021-118845

1. Incident Topic (ACCESSORY) BATTERY-AGGRAVATED BY USE OF A DEADLY WEAPON OR INSTRUMENT (ATTEMPTED) MURDER MURDER		2. Subject/Victim's Name [REDACTED]	
3. Address 350 N MILWAUKEE ST , BOISE		4. Phone	
5. Date Occurred 10/25/2021	6. Time Occured 13:50	7. Route To File	8. Division PERSONS

I arrived at this location and met with Sgt Pietrzak. I checked in with the crime scene log and entered the trailer. There were several detectives conducting the search so my assistance was not needed. I was advised by detectives that nothing of significance to Bergquist's background had been discovered up to that point. Several firearms, magazines and ammunition had been located.

I was later advised that [REDACTED] were located during the search. There were no other writings, journals or evidence of white supremacy ideology located in the search.

An "inert" grenade was also located.

No evidence of co-conspirators was located in the search.

Bergquist Resume

I was later given a copy of a resume of Jacob Bergquist by BPD Detective [REDACTED]. He located the resume during the search of Bergquist's trailer. All of the listed experience job titles lists "security" as the main job experience. There were five bar and nightclub jobs dating back to 8/2017. Bergquist lists his education of [REDACTED] High school, graduating in 2012. His skill summary lists customer service and security. He lists that he is [REDACTED] certified. This appears to be an [REDACTED] alcohol server training certification.

[REDACTED]

I was advised that a female named [REDACTED] worked at the Albertsons at Cole and Fairview who reported that Bergquist had "stalked" her. I met with the manager at Albertsons who advised that [REDACTED] never reported to him that anyone had been harassing her at work. He advised that a detective had already met with him and asked about [REDACTED] and video of the suspect coming into the store. He did not know what the suspect looked like but had video of a possible suspect that he was trying to download. If it was Bergquist, he came in and got a 2 liter bottle of soda and left. He showed me a business card from Detective DeGrange who had already spoken with him. I advised him to contact DeGrange when video was available.

On 11/2/21 I called [REDACTED] and left a message.

On 11/10/21 I called and left a message.

On 10/26/21 I spoke with Sgt Mike Kish with the Idaho State Police. He is stationed at the Capitol. He advised they had reports of Bergquist coming to the capitol prior to this incident. Sgt Kish advised he would email reports and contacts to me.

I received an email from him with reported contacts. [REDACTED]

[REDACTED] On 4/21/21 Bergquist came to the capitol armed and was observed by Trooper James Love. Bergquist was speaking to a small camera. Bergquist went to the Governors office to speak with the Governor about felons carrying firearms. Bergquist left without incident. Trooper Love obtained YouTube videos of Bergquist armed at the Capitol. (see ISP report B21001213)

I attended the Critical Incident Task Force (CITF) briefing regarding the officer involved shooting portion of this investigation for a brief on the shooting of Bergquist.

I was assigned to speak with Idaho Representative Chris Mathias in reference a contact he had with Bergquist.

On 12/7/21 I spoke with Rep. Mathias over the phone. He advised in late April of this year he was walking up the front steps of the Idaho Capitol. A male, later identified as Bergquist called Mathias by his name. Mathias was not close enough for Bergquist to see his name tag so he believed he would have had to have researched him to recognize him. He was wearing an all black outfit and a pistol. Bergquist said he was an out of state felon and asked Mathias what he was going to do to restore his gun rights. Mathias advised him to contact the Judiciary and Rules Committee and kept walking to his appointment. Bergquist made no racist comments or threats. He only called out to Mathias by name and asked him what he was going to do about his gun rights.

I located a Facebook comment from Bergquist that said he has spoken to Idaho Senators about gun rights legislation. I sent an email to the Senate seeking help in reaching out to any Senator that may have had contact with Bergquist.

Contacts with Boise Police

BPD 107432 On 4/27/21 BPD bike officer Zimmer saw Bergquist down town and recognized him [REDACTED]. It appeared to him that Bergquist was looking for a confrontation. He was carrying his pistol and extra magazines. Officer Zimmer saw his [REDACTED] youtube channel and saw him shooting guns and taking about convicted felons being able to carry firearms. He also saw videos of Bergquist being racist towards central American immigrants and a dislike for law enforcement.

Incident 21-0182180 On 6/17/21 a 911 call came a citizen at the Boise mall about Bergquist carrying a handgun and two magazines. He was walking quickly and made the caller suspicious.

Incident 21-019465 and 21-0194511 Bergquist was called into dispatch from St Alphonsus for carrying a gun. It was confirmed he was there for a job interview but declined to do the interview after being contacted by police and advised he can not carry a gun on the St Als

I spoke with Officer Slater in our behavior unit. He advised Bergquist had no mental health history here in Idaho, no state commitments and no history with mobile crisis.

[REDACTED] contacts

According to the [REDACTED] there were contacts with Bergquist in November 2020.

Bergquist attempted to speak with Senator Blake Curd at his work office. He wanted to speak with him regarding felon in possession of a firearm rights. He was carrying an open carry handgun and was asked to leave.

Bergquist made several contacts and came to Senator Willadsen's office to talk about felon firearms rights. He was carrying a handgun and caused concern for the Senator.

Investigators noted Bergquist's YouTube channel with numerous topics about anti-police and targeted dislike for the Sheriff along with several calls for service where he would not identify himself. There was no illegal activity linked to him at that time.

YouTube videos

I was advised and later confirmed by FBI Intelligence analyst that Bergquist had several YouTube Channels. These YouTube Channels were also reported by the [REDACTED] and [REDACTED]

OUT OF STATE FAMILY

[REDACTED]

[REDACTED] called into dispatch at 14:34 hours for a welfare check [REDACTED] Jacob Bergquist. (Incident number 21-032146) [REDACTED] advised that his was possibly "going off the deep end." He said Jacob was WMA 6' 2" tall, bald and had threatened himself. [REDACTED] advised that Jacob had "lots of guns." [REDACTED] had last spoken to Jacob 45 minutes prior to the call. Jacob has a bicycle, no drivers license and no known vehicle. [REDACTED] advised dispatch that Jacob told him he had just shot a bunch of people. [REDACTED] called back and said he believed his son "is involved."

Detective Seavey spoke with [REDACTED] briefly over the phone after [REDACTED] called dispatch. [REDACTED] told Det Deavey that Jacob said the word "transgender" while on the phone. There were no other comments to clarifying what he meant. (see Seavey's report)

The Federal Bureau of Investigation (FBI) is conducting an in person interview of [REDACTED] since he lives out of state. FBI reports forthcoming.

I received a copy of FBI Special Agent Telisak's report, along with a DVD of the interview. He spoke with

[REDACTED], [REDACTED] and [REDACTED] at the same time. They were informed that Jacob Bergquist was the shooter at the mall and was on life support with a self inflicted gun shot.

[REDACTED] did not know Jacob to be interested in bombs or explosives.

Jacob was removed from their home for selling marijuana laced with PCP at the age of 15.

Jacob had a history of drug use, but was described as a kind boy who was not violent or prejudiced.

They did not know Jacob to be "anti law enforcement" however saw social media where Jacob was harassing a [REDACTED] police department.

A couple of years ago Jacob was acting irrationally and threatening violence to people. There were no details on the threats.

Jacob was not known to be diagnosed with any mental illness nor sought treatment for mental illness.

Three weeks prior to the shooting [REDACTED] received unusual texts from Jacob.

The morning before the shooting Jacob spoke irrationally to his [REDACTED]. (was interviewed by FBI Agent Cioni)

I noted in his report that [REDACTED] said when Jacob called him during the incident he said the word "transgender" but was unable to understand him.

On 11/2/21 I called [REDACTED] to ask further specific questions about the "transgender" comment. The conversation was recorded and downloaded to this report. [REDACTED] re-stated what he already had told Agent Telisak. I asked him specifically about Jacob making a transgender comment. He said Jacob was incoherent, yelling and rambling. During the yelling, the only thing [REDACTED] could make out was "trans." He did not remember hearing the full transgender word and heard no other words that would have clarified that comment.

Mall encounters [REDACTED] (mall security manager)

I spoke with [REDACTED] at the mall. I asked if he had any documentation of prior contacts with Bergquist. He said they do daily logs of contacts but they do not take names of the people they contact. If a security officer contacted someone for carrying a gun in the mall, they would be advised of their policy and asked to leave. An entry would be made in the log but no names or reports are documented. There were 7 logs of people with guns in the last year, no other reporting. [REDACTED] had looked through the daily logs and had not found any where [REDACTED] had any entries of customers with guns. As far as [REDACTED] understood up this point, [REDACTED] had no contacts with Bergquist prior to the shooting.

I showed [REDACTED] a photograph of Bergquist to ensure we were referring to the same person. [REDACTED] advised of three prior incidents of Bergquist carrying a gun in the mall prior to the shooting.

Encounter 1

He did not have exact dates on these incidents but said the first incident was several months ago. Bergquist came into the mall with and open carry firearm. He was advised of their policy. He responded by saying "it was a free country" and "my second amendment right." Bergquist was advised it was private property and their policy. Bergquist said it was a joke, talked about his second amendment rights and left with out incident.

Encounter 2

Approximately six moths after the first encounter Bergquist came into the mall carrying an open carry firearm again. He was advised of their policy on firearms. Bergquist complained but left without incident.

Encounter 3

The third encounter happened around April of this year. Bergquist again came into the mall again carrying an open carry firearm. He was advised of their policy and told them it was "bull shit" and he was

on the "city council" and working with BPD to change the policy. He was informed it was private property. Bergquist said it was a big excuse but left without incident.

Each time Bergquist came in, he was carrying a pistol with extra magazines. As far as [REDACTED] knew Bergquist came in on the east side by Dillards and would leave out the west side of Macys. Mall security is not allowed to enter into the Macys store unless there is an emergency so security did not follow Bergquist out of Macys when he left. He never made any threats and left without incident each time.

Neighbor Interviews

On 10/28/21 myself and Detective Wirshing met at the trailer park where Bergquist lived ([REDACTED]) to interview the neighbors. (See Wirshing's report)

#1

I spoke with [REDACTED] in trailer # [REDACTED]. [REDACTED] recognize Bergquist by a photo I showed her. She advised that Bergquist had lived in the park for approximately six months. He was quiet and kept to himself. Every time she saw him he was dressed in all black and carried a gun on a holster with three pistol magazines. One a few occasions he carried an AR-15 rifle strapped to his chest. He always walked or rode a bike to and from his trailer. He was in and out a lot walking past her trailer. She only said "hi" to him once, other than that, she never spoke with him. He had a white male stay there at times, but she has not seen that person in the past month. He was described as 5'5" to 5'6", "chunky" with short shaved hair. She advised she would be able to recognize the male again.

Several times she would see Bergquist walk over to the ditch in front of the trailer park next to [REDACTED] street. He would stay over by the ditch for a few minutes, then walk back to his trailer. Detective Wirshing and I looked at the ditch area and did not locate any obvious things of note. She never heard any shooting coming from his trailer. She saw no visitors other than the male and rarely saw cars at his trailer. On a few occasions she saw a black car at this trailer.

Two days before the shooting, she saw Bergquist pacing back and forth in the road driveway in front of her trailer. He was talking loud and sounded angry. She did not hear what he was saying but said he looked "pissed off."

#2

I left my card on the door and was called back by [REDACTED]. He said never spoke with Bergquist who lived in # [REDACTED]. One occasion he tried to say hello to Bergquist and he did not respond. Bergquist always had ear buds in when he saw him and he always walked to and from when he left. He could hear and see Bergquist talking to a camera as if he was making videos. He always carried a pistol but never head gun shots. A few times a car pulled up late at night and also saw a male who he believed was a pilot visit two months prior. He did not see Bergquist talk to anyone in the area. [REDACTED] cameras

Boise area gun ranges

Independence gun rage

I met with [REDACTED] who said he checked all of his records and had no records of Bergquist shooting at their range. Customers are required to show ID and sign in order to use the range. The staff and other managers did not recall seeing Bergquist in their range or store.

On December 13th 2020 Bergquist sent a message to the company info line using the email [REDACTED] looking for employment at the range. He stated he was moving to Boise from [REDACTED]. He had a vast amount of firearm related knowledge and would a big asset to the range of gun counter.

Bergquist listed his YouTube channel [REDACTED] on the email. They never responded to his email.

Impact Guns range

I met with [REDACTED], [REDACTED]. [REDACTED] was aware of Bergquist and said he came to their store often. He was always "tac'd out" dressed in all black and carried an open carry handgun. He was always alone and she believes Bergquist rode his bike to the store. He used the range two times. He talked about how a suppressor would affect his .22. He was proud to carry his gun and gave a "weird" vibe to her and the other staff. The past 2 to 3 weeks Bergquist came in almost everyday. He would look around the store briefly and leave. [REDACTED] described him as being in and out quickly during that past 2 to 3 weeks. He never purchased a gun from them.

[REDACTED] and said Bergquist would have some small talk, but got an "awkward" vibe from him. He was dressed in all black, looked at guns and ammo and would leave.

Overland Armament

On 12/22/21 I saw a facebook post from Bergquist to Overland Armament seeking employment. I met with [REDACTED] who said he did not recall seeing Bergquist come into the store. His wife handles the social media for the store and he will check with her and other staff to see if they had any interaction with Bergquist. He said he had heard the rumor mill that Bergquist knew the security guard

Employment/store contacts

Fred Meyer store

Our crime prevention specialist advised me that Fred Meyer loss prevention had contact with Bergquist and gave me the number for [REDACTED]. I called [REDACTED] and left a message. On 10/29/21 I spoke with [REDACTED] over the phone. He told me that Bergquist submitted an online application and was interviewed by their HR department. Bergquist was given an orientation/start day to do employee paperwork and receive basic training. He never showed up for work, failed to return calls so they took him out of the system. [REDACTED] advised that I would need to speak with [REDACTED] at [REDACTED] for further details.

On 11/2/21 I called [REDACTED] and left a message.

Sportsmans Warehouse

I received information from Ada County prosecutor investigator [REDACTED] that the Sportsman's Warehouse had contact with Bergquist. He gave me the name of [REDACTED]. I called and left her a message. On 11/17/21 I left another message. None of my contacts have been returned.

Walmart (Meridian. Fairview)

I learned that Bergquist had worked for or had an incident at the Meridian Walmart [REDACTED]. I called [REDACTED] and spoke with him over the phone. He advised he would be able to speak with me about the final incident that happened with Bergquist earlier this year. I would need to speak with corporate media relations 800-331-0085 for specific employee information.

For several week Bergquist would come into the store on foot and walk the store. He wore the same black outfit and carried a handgun. The way Bergquist walked the store with a specific route and mannerisms for several weeks made [REDACTED] believe Bergquist was "casing" the place and raised red flags. Some day Bergquist would come into the store twice a day. Unknown to [REDACTED] Bergquist was hired to work at that store. He wore the same outfit and carried the same gun as an employee. [REDACTED] advised him that employees are not allowed to carry guns in the store. He became confrontational, telling [REDACTED] "fuck you, its my right to carry." He was asked multiple times to leave and eventually did. He never made any threats or made any other comments other than his rights to carry a firearm. I asked [REDACTED] if Bergquist made and racists or homophobic threats or comments. [REDACTED] said he did not hear him make any comments. He had an undercover loss prevention officer who was with him who

I called [REDACTED] and left a message. On 11/17/21 I spoke with [REDACTED] over the phone and asked about his contact with Bergquist at Walmart. Bergquist made no racist comments or specific threats other than asking him and the manager if they "wanted to go outside" and "go fuck yourself." Bergquist did not like people questioning his firearm.

A Walmart employee name tag was located in the search of Berquist's house.

A request was made for the MPD report. There was a trespass warning issued by MPD (see incident report)

[REDACTED] Idaho Dispatch

[REDACTED] was observed filming the search warrant service of Bergquist's trailer. This was prior to any information released publicly about Bergquist. FBI Special Agent Almeda spoke with [REDACTED]. See attached email summary of the conversation. Detective Wirshing and I spoke with [REDACTED] at his work regarding to the information provided. (see Wirshing's supplement)

Baird's Dry Cleaners (5702 W Fairview)

On 11/10/21 I spoke with [REDACTED] of Baird's dry cleaners [REDACTED]. She confirmed that Bergquist worked at their store October 12th, 13th and 14th for 4 hours each day for training. [REDACTED] said he never carried a gun and never inquired about bring one to work. He did have a back pack but the don't search packs and had no reason to question him about a gun. [REDACTED] said they have several minorities that work there and no one heard or complained that Bergquist made any racist or homophobic comments to anyone. She said Bergquist was very personable and good with customers. He did not talk about guns or any violence. He was in training so he only talked about work and nothing outside of work. He wore black sweats and either a black T shirt or green tank top. He had no issues or complaints during his 3 days of work.

Idaho Fitness Factory (state street)

There were no CAD calls to this location

I learned that Bergquist had worked out at the State street Idaho Fitness Factory. Members had complained that he was carrying his firearm in the gym while working out. He was more animated two weeks prior to the shooting and had one recent incident where he was carrying his gun in his hand and inadvertently pointed it a members head while he was on a bench. I spoke with [REDACTED] [REDACTED]. He had members complain that Bergquist was carrying a gun in the club. He spoke with Bergquist about not carrying his gun while working out. Bergquist was okay and reasonable with his request. The incident where Bergquist had pointed his gun at the member on the bench was and incidental action while Bergquist was removing his gun. The day before the incident, he received another complaint about Bergquist carrying his gun again. [REDACTED] was going to address it with him, however was unable to after the mall incident. Bergquist did not argue him on not carrying the gun while working out. [REDACTED] did not see Bergquist socialize or workout with any other members.

ON 10/25/21 at approximately 1:50. I was
 Standing near The Jewelry counter in Macy's when
 I heard roughly 5 gunshots ~~at~~ That sounded like
 They came from our lower mall entrance - I grabbed [REDACTED]
 [REDACTED] and pulled her down and yelled for everyone
 to run. ~~at~~ I grabbed [REDACTED] and we ran through backbags
 and headed west. I was yelling run and I went
 through bulk-inet double doors and opened the freight elevator
 and got all the colleagues in the elevator and went up
 to second floor. The freight elevator opened on the
 Deck and I got the employees out the fire
 escape with entrance we were able to gather and
 get to rally point

I, [REDACTED], have read the above statement consisting of 1 pages,
 and I know the same to be a true statement as given by me. I have initialed all mistakes noticed by me.

I was sitting in my office when
 I heard gunshots. I started exiting my
 office when I heard customers & colleagues
 screaming. I went out to escalators where
 I found a victim with two gunshot
 wounds on his back at the top of the up
 escalator. I went to assist w/ manager [redacted]
 but his friends were calling 911. I then
 went & locked the upstairs mall doors &
 went down escalators when cops came
 in and told us to stay.

I was close to the shots being fired, Didn't see but heard. I started hearing small gun shots like pistol type, then people started screaming, then I heard really loud shots like a shot gun fired about 3 or 4 times. The smaller ones were one after the other continued. I was close to the exit/entrance doors when I started hearing everything and it was getting closer to me so I ran in a stock room with co-workers and 2 customers. We could still hear shooting, then after a while police and manager got us out.

I was checking out at the Macy's counter in the women's department. ~~about~~ ^{2:00pm} The Macy's worker was taking the hanger off the item I was purchasing then stopped when she heard a loud noise in the rear distance. The noise happened again and we realized they were gunshots. The pops happened as several in a row. We then ducked behind the counter and three other Macy's workers ran into the stockroom behind the counter. The 4 of us ran into the stockroom after they quickly put in the code. We slammed the door behind us and hid in there for about 45 minutes. We heard noises coming from the entrance next to the stockroom. We did not hear any more gunshots - just noises of cops, doors open + closing. After 30 minutes we heard a 'bang' on the stockroom door. We then prepared to defend ourselves if needed. A little bit later a few cops came in the stockroom to release us, where we then stepped outside.

I was in Changing Room downstairs when I heard
1x "POP" and a Scream. I stepped out to listen better
then heard 3x more shots. I circled passed the
"check out" downstairs to get closer & figure
out what was happening. After a few minutes
Cops arrived and told me to exit

Detective Daigle,

[REDACTED] the son of [REDACTED] is calling asking for permission for him to pick up his moms Drivers License. They are unable to get her prescriptions without it and she is not well enough to come to our office and pick this item up herself. Can you authorize the release of the drivers license to her son?

Thank you,
Sam

Mi nombre es [REDACTED] soy madre de 5 hijos. El 25 de octubre, alrededor de las 2 de la tarde, estábamos mi mamá, mi hija y yo en la tienda de zapatos de Macy's. Estábamos haciendo línea para pagarle unos zapatos para mi mamá cuando de repente escuché una voz que decía "shooter" y muchos disparos, volteé y vi a un hombre blanco con ropa oscura que estaba disparando afuera de Macy's. Le grité a mi mamá: "¡Mamá, alguien está disparando, alguien está disparando en el mall!". Corrí y arrastré a mi hija de 4 años y a mi mamá al piso abajo de una mesa. Cada vez había más disparos, nos levantamos y corrimos siguiendo a otras personas que intentaban salvar sus vidas. Corrimos por una salida cerca del baño de mujeres, había una salida de emergencia cerca de allí. Mi mamá aún tenía los zapatos que iba a comprar con ella, me preguntó qué debía hacer con ellos le dije que los dejara ahí. Los dejó, abrieron la puerta de emergencia y una persona nos dijo que corriéramos por nuestras vidas. Saqué a mi hija y a mi mamá y corrimos por todo el estacionamiento para pedir ayuda. Estábamos muy asustadas, llorando porque no sabíamos nada de mi abuela, ella también estaba con nosotros en el mall pero estaba en otra tienda.

Mientras corriamos por el estacionamiento vimos a una mujer y su esposo en un carro, les grité "Ayuda, ayuda por favor" Me preguntaron qué pasaba y les pedí que me ayudaran a llegar a mi carro ya que había un tiroteo en el mall. Ella sin pensarlo nos llevó a mi carro, estaba estacionado cerca de la otra entrada. Mi carro estaba cerca del primer auto al que el tirador comenzó a disparar. Todos estábamos llorando y muy preocupados porque no sabíamos nada de mi abuela, ella es como una mujer de 81 años. Entonces un hombre me preguntó si estaba bien y si necesitaba ayuda. Me preguntó si podía manejar, le dije que sí y que quería salir rápido del estacionamiento pero que tenía miedo de que el tirador siguiera disparando. El hombre me preguntó si había visto algo, le dije que sí que había visto al tirador, había visto su cara, su ropa. le dije que era blanco

Tenía mucho miedo y que lo único que quería hacer era encontrar a mi abuela sana y salva para poder salir. En ese momento apareció mi abuela acompañada de una mujer y su esposo, venían del estacionamiento. Fue una experiencia muy, muy horrible; no es lo mismo ver por televisión o que te digan que hubo un tiroteo que vivirlo. Aun no puedo dormir bien; la cara de ese hombre no se me puede olvidar de mi mente. Siento el sonido de las balas en mis oídos. Ya no puedo salir a las tiendas sin estar nerviosa o temerosa pensando que podría volver a suceder. Desde ese día, cada vez que veo a algún hombre con tatuajes o mal vestido, tengo miedo de que se acerque a mí o me mire. Siento que sacará un arma y comenzará a disparar. Mi hija de 4 años todavía no quiere ir al mall porque dice que tiene miedo de que el hombre venga y le dispare y la mate. Siento horror y miedo al escucharla decir eso a una niña de 4 años. Fue una experiencia horrible y aterradora. Sigo pensando qué hubiera pasado con mis 5 hijos si me hubieran matado ese día. Siento que desde ese día ya no puedo vivir mi vida con tranquilidad o sin miedo.

[REDACTED]

[REDACTED]

My name is [REDACTED] I am a mother of 5. On October 25, around 2 pm, my mom, daughter, and I were at the Macy's shoe store. We were in line to pay for some shoes for my mom when all of a sudden, I heard a voice say, "shooter" and many gun shots I turned and saw a white man with dark clothing that was shooting outside the Macy's. I yelled at my mom, "mom, someone's shooting, someone's shooting up the mall!". I ran and pulled my 4-year-old daughter and mom down to the floor under a table. There were more and more shots, we got up and ran following other people that were trying to save their lives. We ran through an exit close to the women's bathroom, there was an emergency exit near there. My mom still had the shoes she was going to buy with her, she asked me what she should do with them I told her to leave them there. She left them, they opened the emergency door and a person told us to run for our lives. I pulled my daughter and my mom and we ran through all of the parking lot to ask for help. We were very scared, crying because we did not know anything about my grandma, she was also with us at the mall but she was at a different store. While running through the parking lot we saw a woman and her husband in a car, I screamed at them, "Help, help, please" They asked me what was going on and I asked them to help me get to my car as there was a shooting at the mall. She without thinking gave us a ride to my car, I was parked near the other entrance. My car was close to the first car the shooter started shooting at. We were all crying and very worried because we did not know anything about my grandma, she is a 81-year-old woman. Then a man asked me if I was okay and if I needed help. He asked me if I could drive, I told him yes and that I wanted to leave the parking lot quickly but that I was scared the shooter would continue firing. The man asked me if I had seen anything, I told him yes that I had seen the shooter, had seen his face, his clothes. I told him he was white. I was very scared and that the only thing I wanted to do was find my grandma safe and sound to be able to leave. At that moment, my grandma appeared accompanied by a woman and her husband, they were coming from the parking lot. It was a very very horrible experience; it is not the same to see on television or for someone to tell you that there was a shooting than living it. I still cannot forget sleep well; I cannot erase that man's face from my mind. I feel the sound of the bullets in my ears. I could go to the stores without being nervous or fearful thinking that it could happen again. Since that day, whenever I see any man with tattoos or poorly dressed, I am afraid of them getting near me or look at me. I feel like he will take out a gun and start shooting. My 4-year-old daughter still does not want to go to the mall because she says she is afraid that the man will come and shoot and kill her. I feel horror and fear listening to her a 4-year-old girl say that. It was a horrible and frightening experience. I keep thinking what would have happened with my 5 kids if I would have been killed that day. I feel that since that day, I can no longer live my life in tranquility or without being afraid.

Narrative

INITIAL RESPONSE/CONTACT:

On 04/21/2022, I test fired the following firearm for entry into the NIBIN system. The test fire was conducted at the Ada County Sheriff's Office Crime Lab. I used Speer Lawman .45 Auto 230 GR TMJ ammunition.

Evidence item: NC-3

Make: Sig Sauer

Model: P320

SN: [REDACTED]

Caliber: 45 cal

Type: Pistol

Additionally, I checked out the following firearm to test fire but was unable to do so because it did not have a magazine with it and would not function without one. I will attempt to source the appropriate magazine in the near future to complete the test fire.

Evidence item: NC-2

Make: Smith and Wesson

Model: 5906

SN: [REDACTED]

Caliber: 9 MM

Type: Pistol

After I finished the test fire process, the firearms were booked back into the Ada County Property and Evidence Unit. The test fired cartridge cases were given to BPD Crime Lab for NIBIN Entry.
