Lawrence Wasden
Attorney General
State of Idaho
STATEHOUSE MAIL

Dear Mr. Wasden:

We respectfully request that you, in your capacity as Idaho Attorney General, research joining the State of Texas in its motion to the United States Supreme Court requesting permission to sue four states over voting irregularities.

Idaho citizens will be negatively affected if the national elections in other states were conducted outside of constitutional boundaries. The integrity of our national election system, and the citizens' trust in it, is central to our very system of government. Unless your research shows that Idaho is statutorily or constitutionally prohibited from joining Texas's motion, we believe that Idaho should join Texas and the other states in the case.

Sincerely,
