

TOTAL LIVING CARPET CLEANING

My steps are: (208)

- 1 Pretreat Carpet 766-3048
- 2 Scrub/brushpro to lift soils to the surface.
- 3 Use a truck-mount machine to rinse with very hot soft water that is injected with a rinsing agent.
SO IT WON'T ATTRACT DIRT.
- 4 Put fans down for faster drying times.
- 5 Groom most carpets leaving them beautiful and clean.
