To: All Republican PCO, Legislative and State Office Candidates

Thank you for your willingness to serve in public office and your Primary Election Candidacy.

The Bylaws of the Bonneville County Republican Party state that we expect all individuals in government at all levels, who claim to be Republicans, to verify their adherence to the principles set forth in the Idaho Republican Party Platform, or to identify which principles in the platform they do not support. Full support of every principle in the platform is not required, but a reading of the platform and a timely response to the affiliation request is required in order to assure that Republican candidates actually support Republican principles. Please note that this request is independent of any similar request made by the State Republican Party and a separate response is required.

Attached to this email is a copy of the candidate disclosure form which will allow you to verify your affiliation with platform principles. It is my intention to provide to the members of the Central Committee all candidate disclosure forms received, not later than April 14, 2022. Should any candidate fail to submit the disclosure form by April 17, 2022, an appropriate Press Release will be issued as required by Article XIV, Section 4. Please complete the attached disclosure statement and submit it to me personally, to establish your affiliation with the Republican Party and its platform principles. No additional requests or reminders will be sent.

Best of luck to each of you in the coming primary election.

Bonneville County Central Committee Chairman
