

PUBLIC NOTICE

Notice of Public Hearing City of Imperial City Council

Notice is hereby given that a public hearing will be held by the City of Imperial City Council on **Wednesday, July 15th, 2026, at 7:00 P.M.** in the City of Imperial Council Chambers at **200 W. 9th Street, Imperial, CA 92251**. The purpose of the public hearing is to consider extending **Interim Urgency Ordinance No. 834**, which established a temporary moratorium on the establishment, approval, and expansion of Data Centers, High-Performance Computing Facilities, Battery Energy Storage Systems (BESS), Utility-Scale Energy Storage Facilities, Utility Support Infrastructure, and similar high-energy or utility-intensive industrial uses.

The proposed extension would extend the moratorium for a period of up to **ten (10) months and fifteen (15) days**, in accordance with California Government Code Section 65858, while the City continues to study and prepare appropriate zoning regulations, development standards, and performance criteria for these uses.

The City Council finds that adoption of this Ordinance is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Sections 15060(c)(2), 15060(c)(3), and 15061(b)(3), in that the Ordinance will not result in a direct or reasonably foreseeable physical change in the environment and can be seen with certainty that there is no possibility the activity may have a significant effect on the environment.

If you would like more information prior to the public hearing, information is available at the Community Development Department at Imperial City Hall during regular business hours or you may contact Othon Mora at the Community Development Department (760) 355-1152 or via email at omora@imperial.ca.gov.

Any person desiring to comment on the above project may do so in writing or may appear in person at the public hearing. Written comments should be directed to Kristina Shields, City Clerk, City of Imperial, 420 South Imperial Avenue; Imperial, CA 92251. Please reference the project name in all written correspondence.
