### **Request for Proposals (RFP)**

### **ICTC/IVT Administration, Operations and Maintenance Facility Architectural, Environmental and Engineering Services**

The Imperial County Transportation Commission (ICTC) is seeking proposals from qualified consulting firms to provide Architectural, Environmental and Engineering Services for the development of the ICTC/IVT Administration, Operations and Maintenance Facility.

Services to be provided include, but are not limited to:

- Environmental Services
- Public Outreach
- Architectural Design
- Engineering Design
- Zero Emission Infrastructure Design

This federally funded project has a Disadvantaged Business Enterprise (DBE) goal of 14%. Compliance with all applicable federal requirements is mandatory.

### **Proposal Submission Deadline:**

**Friday, November 14, 2025, by 3:00 PM (PST)**

Pre-Proposal Conference:

Tuesday, October 14, 2025

Details and login/meeting info will be provided in the full RFP.

The full RFP packet, including exhibits and federal forms, is available online at <https://www.imperialctc.org/doing-business-with-ictc>, or may be obtained by contacting ICTC at (760) 592-4494.
