Manassas Regional Airport announces the availability of the Draft Programmatic Environmental Assessment (PEA) for the Part 139 Certification & Terminal Redevelopment Program at Manassas Regional Airport for review and comment. This PEA was prepared in accordance with the National Environmental Policy Act (NEPA) of 1969, and pursuant to the Federal Aviation Administration (FAA) Order 1050.1G, FAA National Environmental Policy Act Implementing Procedures, and the Department of Transportation (DOT) Order 5610.1D, DOT's Procedures for Considering Environmental Impacts. The PEA analyzes the possible environmental effects of the proposed Manassas Regional Airport (HEF) Federal Aviation Regulation (FAR) Part 139 Certification and Terminal Redevelopment Program. This PEA examines potential impacts associated with terminal expansion and certification standards to support the introduction of scheduled commercial service operations at HEF.

#### **Document Availability:**

The PEA is available for review/download online at the Manassas Regional Airport website: <https://flyhef.com/>. A hard copy is available for review at the HEF Airport Administration Office (10600 Harry J Parrish Boulevard, Manassas, VA 20110) and at the Manassas City Library (10104 Dumfries Rd, Manassas, VA 20110). If you intend to view the document at the HEF Airport Administration Office, please contact Jolene Berry at [jberry@ci.manassas.va.us](mailto:jberry@ci.manassas.va.us) to schedule an appointment at least one day before your visit.
